Appellee, the ResCap Borrower Claims Trust (the “Borrower Trust”), established pursuant to the terms of the Confirmed Plan (defined below) in the above-captioned Chapter 11 cases (the “Chapter 11 Cases”), as successor in interest to the above-captioned debtors (collectively, the “Debtors”) with respect to Borrower Claims,¹ by and through its undersigned counsel, hereby files the appellee’s memorandum of law in opposition (the “Objection”) to *Pro Se Appeal Brief by Francine Silver Regarding Allowed Claim # 61 Against GMAC Mortgage*, Case No. 14-cv-03630-GBD [Docket No. 6] (the “Appeal Brief”), interposed by Francine Silver (the “Appellant”), pursuant to Rules 8001 and 8003 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Section 158(a) of title 28 of the United States Code. In support of the Objection, the Borrower Trust respectfully represents as follows:

PRELIMINARY STATEMENT

1. The Appeal is centered on whether the Bankruptcy Court erred in denying the Appellant’s request for immediate payment on her Claim. Should the District Court deem the Appeal properly submitted, it must evaluate whether the Bankruptcy Court correctly interpreted the Confirmed Plan. While issues concerning the interpretation of a Chapter 11 plan, such as the Confirmed Plan in the Chapter 11 Cases, are issues that, if appealed, are properly heard before

¹ As defined in the Confirmed Plan filed in the Chapter 11 Cases, “Borrower Claims” means:

(i) Claims of a Borrower arising from or relating to any alleged act or omission or any other basis of liability of any Debtor (or any predecessor) in connection with the origination, sale, and/or servicing of a mortgage loan originated, sold, consolidated, purchased, and/or serviced by any Debtor, (ii) Claims filed for or on behalf of a Borrower by such Person’s attorney or agent, including as part of a proof of claim filed on behalf of a putative class of Borrowers, and (iii) claims that have become Allowed as a result of settlement of Borrower litigation commenced against Ally and the Debtors. For the avoidance of doubt, Borrower Claims shall include Allowed Claims held by the Kessler Class Claimants (to the extent that the Kessler Class Claimants are certified as a class action for settlement or allowance purposes), and shall not include the: (a) Senior Unsecured Notes Claims; (b) Junior Secured Notes Claims; (c) RMBS Trust Claims; (d) Private Securities Claims; (e) General Unsecured Claims; (f) General Unsecured Convenience Claims; or (g) Intercompany Balances. For the further avoidance of doubt, no Claim described in subsection (ii) hereof shall be considered an Allowed Borrower Claim unless such Claim is either certified under Bankruptcy Rule 7023 or by Final Order for purposes of settlement or allowance.

See Confirmed Plan, Art. I.A.40.

the District Court (*see, e.g., McLaughlin Keough, et al. v. 217 Canner Assocs. (In re Greenwich Sentry, L.P.)*, 484 B.R. 567 (S.D.N.Y. 2012), *aff'd*, 534 Fed. App'x. 77 (2d Cir. 2013) (where district court reviewed and upheld the bankruptcy court's interpretation of the plan of reorganization)), there are several deficiencies with the Appeal.²

2. The first is the form in which the Appeal was taken: because the Orders at issue in the Appeal are interlocutory, the Appellant was first required to file a motion with the Bankruptcy Court seeking authority to file the Appeal pursuant to 28 U.S.C. § 158(a)(3) and Bankruptcy Rule 8001(b). Instead, the Appellant simply filed the Notice of Appeal with both the Bankruptcy Court and the District Court, and failed to use the Official Bankruptcy Form to submit the Appeal.

3. Second, in light of the interlocutory nature of the Orders, the reason for the Appeal – that the Bankruptcy Court's ruling was incorrect in denying the Appellant's request for immediate payment on her Claim in the Chapter 11 Cases – is insufficient to warrant the District Court's consideration of the Appeal. The Appeal neither contends that the Orders involve a controlling question of law as to which there is a substantial ground for difference of opinion, or that an immediate appeal from the order may materially advance the ultimate termination of the litigation. *See* 28 U.S.C. § 1292(b).

4. Lastly, the Appellant makes unsubstantiated, meritless and conclusory allegations that call into question Judge Glenn's impartiality in entering the Orders, and further asserts that the Appellant was denied due process. These allegations are not the proper subject of an appeal.

5. For the reasons set forth herein, the decisions of the Bankruptcy Court should be affirmed, and the Appeal should be dismissed.

² Capitalized terms that are undefined in the Preliminary Statement shall have the meanings ascribed to such terms in the Objection below.

STATEMENT OF JURISDICTION

6. This Court is vested with jurisdiction over the Orders of the Bankruptcy Court under 28 U.S.C. §§ 158(a).

ISSUES PRESENTED

7. The statement of issues presented on appeal, as provided in the Appeal Brief, include:

- a. whether the Bankruptcy Court made an error in not issuing a default judgment on Appellant's Motion for Payment;
- b. whether Judge Glenn was impartial and should have disqualified himself;
- c. whether Judge Glenn's arguments and bases for his decisions lack any merit and should be disregarded; and
- d. whether Appellant was denied due process.

See Appeal Brief at 3.

STANDARD OF REVIEW

8. Bankruptcy Rule 8013 provides that a district court conducting appellate review may "affirm, modify, or reverse a bankruptcy judge's judgment, order or decree or remand with instructions for further proceedings." Fed. R. Bank. P. 8013. A district court reviews the bankruptcy court's findings of fact for clear error and applies *de novo* review to its conclusions of law. *Bankr. Servs., Inc. v. Ernst & Young LLP (In re CBI Holding Co.)*, 529 F.3d 432, 449 (2d Cir. 2008); *ACC Bondholder Grp. V. Adelphia Commc'ns Corp. (In re Adelphia Commc'ns Corp.)*, 367 B.R. 84, 90-91 (S.D.N.Y. 2007). A factual finding is not clearly erroneous unless "the reviewing court on the entire evidence is left with the definite and firm conviction that a mistake has been committed." *United States v. U.S. Gypsum Co.*, 333 U.S. 364, 395 (1948).

STATEMENT OF THE CASE

A. The Chapter 11 Cases

9. On May 14, 2012 (the “Petition Date”), each of the Debtors filed a voluntary petition with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) for relief under Chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). On the Petition Date, the Bankruptcy Court entered an order jointly administering the Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b).

10. On June 4, 2012, the Appellant filed a \$3 million proof of claim as a general unsecured claim against Debtor Residential Capital, LLC, designated as Claim No. 61 (the “Claim”), citing “Mortgage litigation, fraud, [and] unjust enrichment” as grounds for the Claim. Through the *Order Granting Debtors’ Thirty-Eighth Omnibus Objection to Claims (Wrong Debtor Borrower Claims)* (Case No. 12-12020 (MG), Docket No. 5898), the Bankruptcy Court redesignated the Claim as one against Debtor GMAC Mortgage, LLC. The Debtors’ right to object to the Claim on any and all bases was expressly preserved by this order.

11. On December 11, 2013, the Bankruptcy Court entered an *Order Confirming Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC et al. and the Official Committee of Unsecured Creditors* (the “Confirmation Order”) approving the terms of the Chapter 11 plan, as amended (the “Confirmed Plan”), filed in these Chapter 11 Cases (Case No. 12-12020 (MG), Docket No. 6065). Copies of the Confirmation Order and Confirmed Plan are annexed hereto as Exhibit A.

12. On December 17, 2013, the Effective Date (as defined in the Confirmed Plan) of the Plan occurred, and, among other things, the Borrower Trust was established (Case No. 12-

12020 (MG), Docket No. 6137). The Debtors did not object to the Appellant's Claim before the Bankruptcy Court issued the Confirmation Order.

13. The Confirmed Plan provides for the creation and implementation of the Borrower Trust, which is established for the benefit of Borrowers³ who filed Borrower Claims to the extent such claims are ultimately allowed either through settlement by the Trustee for the Borrower Trust or pursuant to an Order of the Bankruptcy Court. *See* Confirmed Plan, Art. IV.F. The Borrower Trust was established to, among other things, "(i) direct the processing, liquidation and payment of the Allowed Borrower Claims in accordance with the Confirmed Plan, and the distribution procedures established under the Borrower Claims Trust Agreement, and (ii) preserve, hold, and manage the assets of the Borrower Claims Trust for use in satisfying Allowed Borrower Claims."⁴ *See id.*

14. The Confirmed Plan provides a timeframe by which the Borrower Trust shall object to any proof of claim asserted by a Borrower filed in the Chapter 11 Cases. The Confirmed Plan originally granted the Liquidating Trust and the Borrower Trust 270 days after the Effective Date to object to claims – which originally expired on September 15, 2014⁵ – or

³³ The term "Borrower" means an individual whose current or former mortgage loan was originated, serviced, sold, consolidated, or owned by any of the Debtors. *See* Confirmed Plan, Art. I.A.38.

⁴ The Confirmed Plan also provides for the creation and implementation of the ResCap Liquidating Trust (the "Liquidating Trust"), which, among other things, is "authorized to make distributions and other payments in accordance with the Plan and the Liquidating Trust Agreement" and is responsible for the wind down of the affairs of the Debtors' estates. *See* Confirmed Plan, Art. VI.A-D; *see also* Confirmation Order ¶ 22. Among other things, the Liquidating Trust is responsible for the reconciliation and payment of general unsecured claims filed by non-Borrowers. Pursuant to the Confirmation Order and the Plan, the Liquidating Trust was vested with broad authority over the post-confirmation liquidation and distribution of the Debtors' assets. *See generally*, Confirmation Order ¶¶ 26, 30, 48; Confirmed Plan, Art. VI.

⁵ Specifically, the Confirmed Plan provides that this "Claims Objection Deadline" is either "(i) two hundred seventy (270) days following the Effective Date or (ii) such other later date the Bankruptcy Court may establish upon a motion by the Liquidating Trust, which motion may be approved without a hearing and without notice to any party." *See* Confirmed Plan, Art. I.A.54.

Pursuant to Article I, Section C. of the Confirmed Plan, this date accounted for the application of Bankruptcy Rule 9006(a) to compute any period of time prescribed or allowed in the Confirmed Plan. Since 270 days

alternatively, any later date set by the Court following a motion from the Liquidating Trust. *See* Confirmed Plan, Art I.A.54. On August 26, 2014, upon the Liquidating Trust's *Motion to Extend the Date by which Objections to Claims Must Be Filed* (Case No. 12-12020 (MG) Docket No. 7306), to which the Borrower Trust filed a reply in support thereof (*see* Case No. 12-12020 (MG) Docket No. 7406), the Bankruptcy Court entered an order extending the deadline by which claim objections must be filed by either the Liquidating Trust or the Borrower Trust to **June 15, 2015** (Case No. 12-12020 (MG) Docket No. 7445) (the "Claims Objection Order"). The Appellant did not object to the motion seeking an extension of the Claims Objection Deadline.

15. Therefore, all unresolved proofs of claim are still subject to the claims reconciliation and objection process and may become the subject of an objection by either the Liquidating Trust or the Borrower Trust. Borrowers are only entitled to receive payment on their claims from the Borrower Trust in the event that such claim is ultimately allowed by the Borrower Trust or by a final order of the Bankruptcy Court. *See generally*, Confirmed Plan, Art. IV.F.

16. On March 7, 2014, the Appellant filed the *Pro Se Motion by Francine Silver for Payment of Claim #61* (Case No. 12-12020 (MG), Docket Nos. 6639, 6690) (the "Motion for Payment") seeking immediate payment from the Borrower Trust on account of her Claim, which the Appellant asserted was allowed by virtue of the Debtors not objecting to it prior to the Effective Date. On March 26, 2014, the Bankruptcy Court denied the Motion for Payment (Case No. 12-12020 (MG), Docket No. 6706).

17. On April 9, 2014, the Appellant filed a motion for reconsideration of the order denying her request for immediate payment on her Claim (Case No. 12-12020 (MG), Docket No.

following the Effective Date fell on Saturday, September 13, 2014, the Claims Objection Period continued to run until the next day that was not a weekend day or holiday, *i.e.*, Monday, September 15, 2014.

6774) (the “Motion for Reconsideration”). In the Motion for Reconsideration, the Appellant relied primarily on arguments made in the Motion for Payment, arguments that had already been rejected by the Bankruptcy Court. On April 24, 2014, the Bankruptcy Court denied the Motion for Reconsideration (Case No. 12-12020 (MG), Docket No. 6818) (together with Docket No. 6706, the “Orders”). The Orders are annexed hereto as Exhibit B.

B. The Appeal

18. On April 24, 2014, the Appellant filed a notice of appeal (the “Notice of Appeal”) of the Orders with the United States District Court for the Southern District of New York (the “District Court”) (Case No. 14-cv-03630-GBD, Docket No. 1; Case No. 12-12020 (MG), Docket No. 6820) (the “Appeal”). The Notice of Appeal is annexed hereto as Exhibit C. On June 2, 2014, the Appellant filed the Appeal Brief in support of the Appeal (Case No. 14-cv-03630-GBD, Docket No. 6).

19. On May 23, 2014, the District Court entered a scheduling order for the Appeal setting deadlines by which the Appellant and the Borrower Trust were required to submit their respective memorandum of law regarding the Appeal (Case No. 14-cv-03630-GBD, Docket No. 5). The Borrower Trust, as the appellee, has until November 6, 2014 to file its opposition to Appellant’s memorandum of law in support of her appeal, and the Appellant has until February 5, 2015 to file a reply. *See id.*

20. On June 5, 2014, the Appellant filed a motion with the District Court seeking to certify the Appeal to the Second Circuit (Case No. 14-cv-03630-GBD, Docket No. 8).

21. On June 19, 2014, the Appellant filed a *Motion for Default Judgment* (Case No. 14-cv-03630-GBD, Docket No. 9) (the “Default Motion”), asserting that the Debtors failed to timely respond to Appellant’s memorandum of law in support of the Appeal to the district court.

22. On July 7, 2014, the Borrower Trust filed a letter to the District Court, dated July 3, 2014, in response to the Default Motion (Case No. 14-cv-03630-GBD, Docket No. 15).

23. On July 9, 2014, the District Court entered an order denying both the Default Motion and the Appellant's motion seeking direct certification of the Appeal (Case No. 14-cv-03630-GBD, Docket No. 17) (the "District Court Order").

24. On July 23, 2014, the Appellant filed a *Notice of Appeal in a Civil Case* and a *Memorandum of Law in Support of Appeal* (2d Cir. Case No. 14-2664, Docket No. 1; Case No. 14-cv-03630-GBD, Docket No. 18) the United States Court of Appeals for the Second Circuit (the "Second Circuit"), seeking to appeal the District Court Order. The appeal in the Second Circuit remains pending.

ARGUMENT

A. The Orders Should Be Affirmed

25. The Confirmed Plan grants the Borrower Trust the right to object to the claim by the Claims Objection Deadline, as modified. The Appellant's disagreement with the Borrower Trust and the Bankruptcy Court over the meaning of Confirmed Plan's provisions and contention that they are both inconsistent and incorrect reflects the Appellant's misunderstanding of the Confirmed Plan's terms and rights provided to the Borrower Trust (*see* Appeal Brief at 6, 22-24, asserting that the Claim met the Confirmed Plan's definition "of being an 'allowed' claim). Under the Confirmed Plan, the Borrower Trust retains the right to object to all or any part of the Borrower claims pending against the Debtors. *See* Confirmed Plan, Art. IV.F. To date, the Borrower Trust has not yet made a final determination with respect to the Claim. Although Bankruptcy Rule 3003(c)(3) provides that the court shall fix the time within which proofs of claim must be filed in a Chapter 11 case, there is no requirement in the Bankruptcy Code or Bankruptcy Rules that the Borrower Trust must object to claims by a date certain in their Chapter

11 Cases. *See, e.g.*, 11 U.S.C. § 502(a) (“A claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest ... objects.”) (no deadline specified for objection); Bankruptcy Rule 3007(a) (“An objection to the allowance of a claim shall be in writing and filed. A copy of the objection with notice of the hearing thereon shall be mailed or otherwise delivered to the claimant, the debtor or debtor in possession, and the trustee at least 30 days prior to the hearing.”) (no deadline specified for objection).⁶ The Confirmed Plan set a deadline, as extended by the Claims Objection Order, by which the Liquidating Trust and the Borrower Trust shall file objections to claims. That deadline, June 15, 2015, has not yet passed.

26. The Borrower Trust continues to evaluate its potential exposure to the remaining population of individual Borrower Claims to which no objection has yet been filed, and the Appellant’s Claim is a part of that population. Collectively, the Borrower Trust and the Debtors have filed scores of claims objections since May of 2013 and following the Confirmed Plan’s Effective Date, but there remains several hundred Borrower Claims, including the Claim filed by the Appellant, which the Borrower Trust needs to evaluate in order to determine whether such claims should be allowed (as filed), allowed in a reduced amount, or disallowed in their entirety. To the extent the Borrower Trust believes such claims shall be reduced or expunged, absent the consent of the claimant, it will need to prepare, file and prosecute appropriate objections.

27. Pursuant to the Claims Objection Order and the Confirmed Plan, the Borrower Trust’s Claims Objection Deadline has been extended from September 15, 2014 to June 15, 2015. *See* Claims Objection Order at 5; *see also* Confirmed Plan at Art. I.A.54. If and when the

⁶ On or about January 27, 2014, Appellant filed two separate requests for payment of administrative expense claims purportedly based on Appellant’s assertions set forth in the Claims and subsequently the Motion (Case No. 12-12020 (MG), Docket Nos. 6401, 6402). Although Appellant provides no support for such requests, the Liquidating Trust, the Debtors and Borrower Trust reserve all rights with respect to such requests and such requests will be addressed by an appropriate response before the Bankruptcy Court.

Borrower Trust ultimately seeks to object to the Claim, the Appellant will receive notice of any action the Borrower Trust intends to take with respect to the Claim and, like every other creditor, will be given an opportunity to respond. Accordingly, there was no reason or basis for the Bankruptcy Court to grant the relief requested in the Motion, particularly given that the Borrower Trust has ample time in which to conduct its analysis and make its determination as to the treatment of the Claim in the Chapter 11 Cases.

28. The Appellant contends that a default judgment is warranted because the Borrower Trust's non-responsiveness amounts to an admission of all statements contained in the aforementioned motions. However, the Appellant's arguments that a default judgment should have been entered against the Debtors "and was denied in error by the [Bankruptcy] Court" (*see* Appeal Brief at 6-10) are not supported by any factual or legal basis. While the Appellant cites to numerous rules and procedures,⁷ these references generally are inapplicable⁸ to the matter before the Bankruptcy Court, and now the District Court, and they do not support the Appellant's statements that a default judgment in her favor is the only reasonable and lawful outcome due to the Borrower Trust's lack of response to either the Motion for Payment or the Motion for Reconsideration. The Bankruptcy Court was not precluded from issuing, *sua sponte*, the Orders, particularly where the court has already ruled on the matter of whether immediate payment on a

⁷ The Appellant cites to the following authorities, among others (listed as referenced by the Appellant in the Appeal Brief): (i) Local Civil Rule 55.2, (ii) Rule 12 of the Federal Rules of Civil Procedure, (iii) Local Rule 15(k) Middle District of North Carolina, (iv) *Cabassa v. Smith, et al.*, Case No. 9:08cv480, (v) N.D.N.Y.L.R. 56.2, (vi) J.P.M.L. Rules of Procedure 6.1(c), (vii) Case 9:03-cv-01256-LES-GJD Document 69 Filed 12/09/2005; (viii) N.D.N.Y.L.R. 7.1(b)(3); and (ix) Local Rule 56.1, *et cetera*.

⁸ For instance, certain of the rules cited by the Appellant relate to motions for summary judgment (*see, e.g.*, N.D.N.Y.L.R. 56.2 provides, in pertinent part: "When moving for summary judgment against a pro se litigant, the moving party shall inform the pro se litigant of the consequences of failing to respond to the summary judgment motion." N.D.N.Y.L.R. 56.2; Local Civil Rules 55.2 and 56.1). Other rules are simply not relevant (*see, e.g.*, Local Rule 15(k) Middle District of North Carolina).

claim is warranted when the claim has not yet been deemed “allowed.”⁹ *See, e.g., City of N.Y. v. Mickalis Pawn Shop, LLC*, 624 F.3d 114, 137 (2d Cir. 2001) (supporting the proposition that even if a defendant fails to answer allegations, “prior to entering default judgment, a district court is ‘required to determine whether the [plaintiff’s] allegations establish [the defendant’s] liability as a matter of law.’”) (citing *Finkel v. Romanowicz*, 577 F.3d 79, 84 n.6 (2d Cir. 2009)). In the context of the Chapter 11 Cases, these motions are not, themselves, of the nature of claims or allegations that typically comprise a plaintiff’s complaint against a defendant, where a default in responding would serve as an admission of all well-pleaded allegations. The Appellant’s motions were requests for immediate payment on the Claim, a claim that – as discussed above – remains subject to the ongoing claims reconciliation and objection process being administered, in part, by the Borrower Trust.

29. Moreover, prior to the Appellant’s filing of the Motion for Payment, a number of other claimants in the Chapter 11 Cases sought immediate payment on account of their filed claims, both prior and subsequent to the Effective Date. On each occasion, the Bankruptcy Court, without making a determination as to the merits of the filed claims, denied such request for immediate payment, finding that the Debtors or the Borrower Trust, as applicable, was not required to make such a payment unless and until the claim ultimately was deemed an “allowed” claim.¹⁰ In fact, in response to these motions requesting payment, the Borrower Trust received permission from the Bankruptcy Court to file the *Notice to Holders of Borrower Claims Regarding Requests for Distributions on Account of Borrower Claims* (Case No. 12-12020 (MG), Docket No. 6852-1), dated May 2, 2014, in an effort to address any pending or future

⁹ *See infra* note 10.

Borrower request for distributions submitted on account of their claims asserted against the Debtors.

30. Accordingly, based on these reasons, the Orders should be upheld, and the Appeal should be dismissed.

B. The Appeal Was Improper and Should Be Denied

(i) *The Appellant's Appeal Was Filed in Improper Form*

31. Official Bankruptcy Form B17, titled “Notice of Appeal under 28 U.S.C. § 158(a) or (b) from a Judgment, Order or Decree of a Bankruptcy Court” (the “Form”),¹¹ is the form a party may use to exercise their right to have an original bankruptcy decision reexamined. As provided in the instructions to the Form, the *right* to appeal a judgment, order or decree only exists where that judgment, order or decree is “final,” meaning that it finally disposes of a matter before the court. 28 U.S.C. § 158(a)(1). All other orders and decrees, such as the Orders at issue here (as discussed below), are interlocutory, meaning that they are provisional decisions on a specific issue or matter but not a final decision in the entire controversy between the parties.

32. As an initial matter, the Appellant used the wrong form for her Notice of Appeal, and should have completed and filed Official Form B17 provided by the Bankruptcy Court to file the Notice of Appeal pursuant to 28 U.S.C. § 158(a). Furthermore, it is not clear who is the designated counterparty to the Appeal, as the Appellant does not specify which of the two successor entities of the post-effective date Debtors – the Liquidating Trust or the Borrower Trust – should be the responsive party. Nonetheless, because the Appellant is a Borrower as such term is defined in the Confirmed Plan, the Borrower Trust has assumed the role of the responding party.

¹¹ See Bankruptcy Forms, available at <http://www.uscourts.gov/FormsAndFees/Forms/BankruptcyForms.aspx> (last visited Nov. 5, 2014).

33. The reference to appeals under subsection (a) of section 158, by its terms, encompasses appeals arising under section 158(a)(3). Under section 158(a)(3) of title 28 of the U.S. Code, interlocutory appeals may be made only with “leave of the court,” thus making the District Court a gate-keeper that ensures that appeals from the Bankruptcy Court’s interlocutory orders are not granted where improperly sought. While this does not speak to the merits of the appeal, the District Court may dismiss the appeal for its failure to comply with the proper procedures. *See* Fed. R. Bankr. P. 8001(a). As demonstrated herein, the Orders are interlocutory in nature, and therefore, the Appellant was obligated to file a motion for leave of the Bankruptcy Court prior to filing the Appeal. Not only did the Appellant fail to submit the proper Form in filing the Appeal, she failed to file the required motion for leave to appeal with the Bankruptcy Court before filing the Appeal. *See* 28 U.S.C. § 158(a)(3); *see also* Fed. R. Bankr. P. 8003.

(ii) *The Orders Are Not Final Orders*

Appellant contends that each Order is a “final order” under 28 U.S.C. § 158(a)(1) (*see* Appeal Brief at 1-2); however, when viewed properly in the context of the Chapter 11 Cases, the Orders are interlocutory. “With respect to a meritorious claim for damages, the dispute is not completely resolved until the bankruptcy court determines the amount of damages to be awarded.” *Shimer v. Fugazy Express, Inc. (In re Fugazy Express, Inc.)*, 982 F.2d 769, 776 (2d Cir. 1992); *see also In re Lyondell Chem. Co.*, No. 11-MC-387 (JPO), 2012 WL 163192, at *3 (S.D.N.Y. Jan. 18, 2012) (finding an appeal of a judgment that allowed an objection to be filed to the treatment of an administrative expense claim pursuant to the confirmation order was not an appeal of a final judgment because the judgment did not finally dispose of an entire claim or address the merits of the claim, only a procedural misstep, and expressly contemplated further proceedings on appellants’ claims).

34. Here, the Orders resolve only whether the Appellant is entitled to immediate payment on her Claim, and do not resolve with any finality, the merits or allowance of the Claim in the Chapter 11 Cases. Accordingly, the Orders are properly regarded as interlocutory, rather than final. The Orders provide specifically that the Claim has not yet been deemed an “Allowed”¹² claim because the Claim has not been settled or deemed “Allowed” by the Borrower Trust, and therefore remains subject to the Borrower Trust’s determination as to whether it should become the subject of an objection or instead be entitled to a distribution from the Borrower Trust. *See* Confirmed Plan, Art. IV.F. The Claim, along with hundreds of other pending claims, will be evaluated as part of the Borrower Trust’s claims reconciliation process, and the Borrower Trust has until the Claims Objection Deadline – June 15, 2015 – to file any objection to the Claim. Contrary to the Appellant’s assertions, neither the Confirmed Plan nor Confirmation Order provides that any claim not objected to before the Effective Date is automatically deemed “Allowed” and entitled to an immediate distribution on account of said claim. Thus, the mere fact that the Appellant’s Claim was neither objected to nor the subject of a pending claims objection as of the Effective Date does not render it an “Allowed” claim. The Orders even contemplate future proceedings that may involve the Claim and its merits (or lack thereof). *See* Exhibit B.

(iii) *The Appeal Should Not Be Granted by the District Court Under 28 U.S.C. 158(a)(3)*

35. In determining whether to grant an interlocutory appeal under Section 158(a)(3), district courts apply the analogous standard set forth in 28 U.S.C. § 1292(b) (“Section 1292(b)”),

¹² An “Allowed” Claim means, with respect to a Claim against any Debtor, except as otherwise provided herein, (a) a Claim that is . . . (ii) evidenced by a valid Proof of Claim or request for payment of Administrative Claim, as applicable, Filed by the applicable Bar Date, **and as to which the Debtors or other parties-in-interest have not Filed an objection to the allowance thereof by the Claims Objection Deadline**, . . .” Confirmed Plan, Art. I.11 (emphasis added).

which governs interlocutory appeals from orders of the district court. *See, e.g., Dev. Specialists, Inc. v. Akin Gump Strauss Hauer & Feld LLP (In re Coudert Bros. LLP Law Firm Adversary Proceedings)*, 447 B.R. 706, 711 (S.D.N.Y. 2011); *Law Debenture Trust Co. of N.Y. v. Calpine Corp. (In re Calpine Corp.)*, 356 B.R. 585, 592-93 (S.D.N.Y. 2007); *MCI Worldcom Commc'ns v. Commc'ns Network Int'l, Ltd. (In re Worldcom, Inc.)*, No. 02-13533 (AJG), 2006 WL 3592954 (S.D.N.Y. Dec. 7, 2006). Section 1292(b) provides that leave should only be granted if the order being appealed (1) “involves a controlling question of law”; (2) “as to which there is substantial ground for difference of opinion”; and (3) “an immediate appeal from the order may materially advance the ultimate termination of the litigation” 28 U.S.C. § 1292(b). All three elements set forth in Section 1292(b) must be met for a court to grant leave to appeal. *Id.*

36. “[I]nterlocutory appeals from bankruptcy courts’ decisions are disfavored in the Second Circuit.” *In re Lyondell Chem. Co.*, No. 11-MC-387 (JPO), 2012 WL 163192, at *4 (S.D.N.Y. Jan. 18, 2012) (citations omitted); *Cadles of Grassy Meadows II, LLC v. St. Clair (In re St. Clair)*, No. 13-mc-1057 (SJF), 2014 U.S. Dist. LEXIS 8615, at *9-11 (E.D.N.Y. Jan. 21, 2014). “Because an interlocutory appeal represents a deviation from the basic judicial policy of deferring review until the entry of a final judgement [sic], the party seeking leave to appeal an interlocutory order must also demonstrate that exceptional circumstances exist.” *Luke Oil Co. v. SemCrude, L.P. (In re SemCrude, L.P.)*, 407 B.R. 553, 557 (D. Del. 2009) (citations omitted); *see also In re Calpine Corp.*, 356 B.R. at 593 (“Under section 1292(b), only exceptional circumstances will justify a departure from the basic policy of postponing appellate review until after the entry of a final judgment.”) (quotations and citations omitted). Moreover, “[A] bare claim that a bankruptcy court’s ruling was incorrect is not sufficient to satisfy the Section 1292(b) standard.” *In re St. Clair*, 2014 U.S. Dist. LEXIS 8615, at *14 (citation omitted); *see*

also *Analect LLC v. Fifth Third Bancorp*, No. 06-cv-891 (JFB), 2009 WL 2568540, at *5 (E.D.N.Y. Aug. 19, 2009) (“Therefore, plaintiff’s ‘mere claim that [the] district court’s decision was incorrect’ does not provide ‘substantial ground for [a] difference of opinion,’ as set forth in 28 U.S.C. § 1292.”) (citation omitted).

37. The Appellant has not met the applicable standard for granting an interlocutory appeal under Section 1292(b).

38. First, the Appellant does not assert that the Appeal “involves a controlling question of law” and involves a question “as to which there is substantial ground for difference of opinion”; therefore, the Appeal fails to satisfy these elements. There is nothing before the District Court to suggest that the issues raised by the Appellant are widespread or recurrent in this district, and there is no assertion by the Appellant that the courts in this district are puzzled over the particular reading of the Confirmed Plan’s provisions in issue, which are indeed common to Chapter 11 plans, or an issue raised by the Claim. The issues may be of import to the Appellant, but that is not the standard.

39. Second, it appears that the Appellant erroneously believes that “an immediate appeal from the [Bankruptcy Court’s] order may materially advance the ultimate termination of the litigation.” In determining when an appeal will materially advance a case, courts have examined what other issues will remain once the issue to be appealed has been resolved. The Appellant’s apparent motivation for the Appeal is simply a misunderstanding as to, among other things, the applicable Claims Objection Deadline, its effect on the Claim and the validity of the Claim itself. *See, e.g.*, Appeal Brief at 23-24. However, in light of the modified Claim Objection Deadline, it is far from clear that the Appeal from the Orders will materially advance the resolution of the Claim asserted against the Debtors.

40. Accordingly, Appellant's argument that the Bankruptcy Court's ruling was incorrect is not sufficient to satisfy the Section 1292(b) standard; therefore, there is no basis for the District Court to even consider the Appeal.

C. Judge Glenn's Impartiality Is Without Question

41. The Appellant questions the Honorable Martin Glenn's ("Judge Glenn") impartiality in the Chapter 11 Cases, and in particular, as related to his entry of the Orders. *See* Notice of Appeal at 3; Appeal Brief at 10-22. Specifically, the Appellant believes that Judge Glenn's relationship with former bankruptcy Judge James Peck and Mr. Peck's prior role as mediator in the Chapter 11 Cases, combined with former Judge Peck's subsequent employment at Morrison & Foerster LLP at or around the date on which the Appellant filed the Motion for Payment, is sufficient reason for Judge Glenn's impartiality to be reasonably questioned. The Appellant also claims that Judge Glenn ignored this purported concern and went on to act without impartiality in entering the Orders that denied the Appellant's Motion for Payment and Motion for Reconsideration. Notice of Appeal at 3-4; Appeal Brief at 11, 22. In the Appeal Brief, the Appellant cites to 28. U.S.C.A. § 455(a) and "NY Court Rules" that state when a judge is required to disqualify himself. *See* Appeal Brief at 11 (highlighting that "impartiality might reasonably be questioned" . . . [when (ii)] "a lawyer with whom the judge previously practiced law served during such association as a lawyer concerning the matter . . .").

42. The Appellant also argues that Judge Glenn entered the Orders and improperly made arguments by "cherry pick[ing] terms and tak[ing] them out of context" on the Borrower Trust's behalf without the Borrower Trust having responded to the Motion for Payment or the Motion for Reconsideration (*see* Notice of Appeal at 4-5; Appeal Brief at 12-13). Further, the Appellant contends that Judge Glenn not only failed to address all of the Appellant's arguments (*see id.*), but also "ignores" the applicable provisions in the Confirmed Plan that – according to

the Appellant – provides that the Claim is an “allowed claim” (*see* Notice of Appeal at 5-8; Appeal Brief at 12-13).

43. Since the commencement of the Chapter 11 Cases, Judge Glenn has worked tirelessly on one of the most complex and demanding bankruptcy cases filed in the recent past. Throughout these proceedings, he has demonstrated, and continues to demonstrate, his devotion to supplying diligent and substantive rulings on all matters before him in the Chapter 11 Cases. Of course, parties have appellate rights and Appellant has exercised them. However, there has never been cause in the Chapter 11 Cases to question Judge Glenn’s impartiality, and the arguments offered by the Appellant are at best entirely misplaced conjecture and at worst entirely specious. In any event, they are hardly worthy of a response.

44. Nonetheless, the Appellant misunderstands the applicable law concerning the recusal of judges. The “relationship” between Judge Glenn and former Judge Peck does not present a conflict of interest where a question as to Judge Glenn’s impartiality would reasonably arise. First, former Judge Peck acted as a mediator to help parties reach a consensual Confirmed Plan.¹³ The use of sitting bankruptcy judges as mediators has become a common practice to aid courts and parties in complex cases, and there is nothing improper about it.¹⁴ Not only does this activity promote effective case management, which is in the public interest, it reflects and is consistent with collegiality of the bench. The substance of each mediation is confidential. Furthermore, nothing that takes place in a judicially sanctioned mediation can be used to influence the trial judge. It is ludicrous and offensive to assert that former Judge Peck ever did

¹³ Former Judge Peck’s involvement in the Chapter 11 Cases in a judicial capacity was solely limited to presiding over the two “First Day” hearings during Judge Glenn’s absence. As discussed herein, this is consistent with collegiality of the bench and effective case management practices, and gives no weight to Appellant’s arguments.

¹⁴ In fact, during former Judge Peck’s judicial career, he mediated cases for five bankruptcy judges (Judge Lane, Judge Chapman, Judge Gerber, Judge Glenn, and Judge Drain).

anything that impacted the independent exercise of judicial discretion by Judge Glenn. Since joining Morrison & Foerster, former Judge Peck has never discussed any pending matter with Judge Glenn. His role with the firm is totally irrelevant to these matters. Second, Judge Glenn and former Judge Peck have not practiced law together in private practice at any time.

45. For the reasons set forth in this Objection, Judge Glenn's reasoned Orders are based on an impartial and correct reading of the Confirmed Plan,¹⁵ and should be affirmed.

D. The Appellant Received Due Process

46. Lastly, the Appellant attempts to argue that she has not received due process in the Chapter 11 Cases. Specifically, the Appellant contends that the purported transfer of interest in her deed of trust from GMAC Mortgage, LLC to U.S. Bank for consideration¹⁶ either occurred with Judge Glenn "turn[ing] a blind eye," or was an unreported sale that was not approved or acknowledged by the Bankruptcy Court – in either case, the Appellant finds this as a clear indication of "Bankruptcy Fraud or else there is fraud by fabrication of documents." *See* Appeal Brief at 26. The Appellant does not provide a scintilla of objective and specific evidence to substantiate this claim, it is entirely without merit and bears no relevance to the Appeal.

47. For all these reasons, the Appeal should be dismissed and the Orders affirmed.

¹⁵ *See Travelers Indem. Co. v. Baily*, 557 U.S. 137, 151 n.4 (2009) ("Numerous Courts of Appeal have held that a bankruptcy court's interpretation of its own confirmation order is entitled to substantial deference.") (citing, *inter alia*, *In re Casse*, 198 F.3d 327, 333 (2d Cir. 1999)).

¹⁶ The Appellant claims that subsequent to the Debtors' sale of substantially all of their assets to Ocwen Loan Servicing, LLC on February 16, 2013, on March 25, 2013, GMAC Mortgage, LLC transferred its interest in the Appellant's deed of trust to U.S. Bank. *See* Appeal Brief at 26. This sale was purportedly recorded this transfer in the county records office for Los Angeles County. *See id.* The Appellant asserts that the Bankruptcy Court did not specifically approve or acknowledge this transfer of interest. *See id.*

CONCLUSION

For the foregoing reasons, the Borrower Trust respectfully requests that this Court

(a) affirm the Bankruptcy Court's Orders in all respects and (b) dismiss the Appeal.

I. FINDINGS OF FACT AND CONCLUSIONS OF LAW

IT IS HEREBY FOUND AND CONCLUDED, that:

JURISDICTION AND VENUE

A. **Jurisdiction and Venue.** The Court has jurisdiction over this matter and these Chapter 11 Cases pursuant to 28 U.S.C. § 1334. Confirmation of the Plan is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(L), this Court has jurisdiction to enter a final order with respect thereto, and this Court's exercise of such jurisdiction is constitutional in all respects. The Court has exclusive jurisdiction to determine whether the Plan complies with the applicable provisions of the Bankruptcy Code and should be confirmed. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. The Debtors are proper debtors under section 109 of the Bankruptcy Code, and the Debtors and the Creditors' Committee are proper proponents of the Plan under section 1121(a) of the Bankruptcy Code.

B. **Proper Notice.** As described below and as evidenced by the Affidavit of Service of P. Joseph Morrow IV re: Order (I) Approving Disclosure Statement, (II) Establishing Procedures for Solicitation and Tabulation of Votes to Accept or Reject the Plan Proponents' Joint Chapter 11 Plan, (III) Approving the Form of Ballots, (IV) Scheduling a Hearing on Confirmation of the Plan, (V) Approving Procedures for Notice of the Confirmation Hearing and

for Filing Objections to Confirmation of Plan, and (VI) Granting Related Relief (ECF Doc. # 5196), dated September 25, 2013 (the “KCC Service Affidavit”), due, adequate and sufficient notice of the Disclosure Statement, the Plan, including the Debtor Release and the Third Party Release, the Plan Supplement, and the Confirmation Hearing, together with all deadlines for voting on or objecting to the Plan and with respect to confirmation was given in compliance with the Bankruptcy Rules, and no other or further notice is or shall be required.

C. **Transmission of Ballots.** Ballots were transmitted to holders of Claims and Equity Interests in the Classes under the Plan that are treated as impaired (“Impaired”) within the meaning of section 1124 of the Bankruptcy Code (the “Voting Impaired Classes”) and entitled to vote on the Plan in accordance with the Plan and the Disclosure Statement Orders. Subsequent to the filing of the Second Amended Plan (as defined below), a Notice of Proposed Resolution of Litigation Regarding Junior Secured Notes Claims and Opportunity to Change Voted with Respect to Second Amended Plan (ECF Doc. # 5998) (the “JSN Change Vote Notice”), which provided holders of Junior Secured Notes Claims that had previously rejected the Plan the opportunity to change their vote to accept the Second Amended Plan, was filed and transmitted to affected holders of Claims.

D. **Good Faith Solicitation (11 U.S.C. § 1125(e)).** The Plan Proponents solicited votes for the Plan from the holders of Claims in the Voting Impaired Classes in good faith and in a manner consistent with the Bankruptcy Code, including, but not limited to, section 1125(e) of the Bankruptcy Code.

E. **Modification of the Plan (11 U.S.C. § 1127(a)).** Pursuant to and in compliance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3018, the Plan Proponents proposed certain modifications to the Plan as reflected in the modified or amended versions of

the Plan filed on November 12, 2013, November 18, 2013, December 3, 2013, and December 6, 2013 (collectively, the “Plan Modifications”). In accordance with Bankruptcy Rule 3019, the Plan Modifications do not (1) affect the classification of Claims or Equity Interests, (2) constitute material modifications of the Plan under section 1127 of the Bankruptcy Code, (3) cause the Plan to fail to meet the requirements of sections 1122 or 1123 of the Bankruptcy Code, (4) materially and adversely change the treatment of Claims or Equity Interests (other than any Claims and Equity Interests held by those who have accepted such Plan Modifications in writing or in open court), (5) require resolicitation of acceptances or rejections from any holders of Claims or Equity Interests, or (6) require that any such holders be afforded an opportunity to change previously cast acceptances or rejections of the Plan. Under the circumstances, the form and manner of notice of the proposed Modifications are adequate, and no other or further notice of the proposed Modifications is necessary or required.

STANDARDS FOR CONFIRMATION
UNDER SECTION 1129 OF THE BANKRUPTCY CODE

F. The Plan Proponents, as proponents of the Plan, have met their burden of proving the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code by a preponderance of the evidence, which is the applicable evidentiary standard for confirmation of the Plan. Further, the Plan Proponents have proven the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code by clear and convincing evidence. The evidentiary record of the Confirmation Hearing supports the findings of fact and conclusions of law set forth in the following paragraphs.

G. **Section 1129(a)(1).** The Plan complies with each applicable provision of the Bankruptcy Code. Pursuant to sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, Article III of the Plan provides for the classification of Claims and Interests into separate Classes, based on differences in the legal nature or priority of such Claims and Interests (other

than Administrative Claims, Fee Claims, Priority Tax Claims, and Statutory Fees, which are addressed in Article II of the Plan and which are not required to be designated as separate Classes pursuant to section 1123(a)(1) of the Bankruptcy Code). In particular, the Plan complies with the requirements of sections 1122 and 1123 of the Bankruptcy Code as follows:

1. In accordance with section 1122(a) of the Bankruptcy Code, Article III of the Plan classifies each Claim against and Equity Interest in the Debtors into a Class containing only substantially similar Claims or Equity Interests;
2. In accordance with section 1123(a)(1) of the Bankruptcy Code, Article III of the Plan properly classifies all Claims and Equity Interests that require classification. With respect to Claims and Equity Interests in all Classes, the Plan Proponents have provided proof of a legitimate reason for the separate classification of such Claims and Equity Interests, and such classification is justified. Separate classification was not done for any improper purpose and does not unfairly discriminate between or among holders of Claims or Equity Interests;
3. In accordance with section 1123(a)(2) of the Bankruptcy Code, Article III of the Plan properly identifies and describes each Class of Claims and Equity Interests that is Unimpaired under the Plan;
4. In accordance with section 1123(a)(3) of the Bankruptcy Code, Article III of the Plan properly identifies and describes the treatment of each Class of Claims or Equity Interests that is Impaired under the Plan;
5. In accordance with section 1123(a)(4) of the Bankruptcy Code, the Plan provides the same treatment for each Claim or Equity Interest within a particular Class unless the holder of such a Claim or Equity Interest has agreed to less favorable treatment;
6. In accordance with section 1123(a)(5) of the Bankruptcy Code, the Plan, including the Plan Supplement, provides in detail adequate and proper means for its implementation, including, pursuant to Section 1123(a)(5)(B), transfer and assignment of certain GM Insurance Rights to the Kessler Settlement Class, the Liquidating Trust, and others;
7. Pursuant to Article IV.P of the Plan, the Debtors will be dissolved on or after the Effective Date. Accordingly, section 1123(a)(6) of the Bankruptcy Code is not applicable in these cases;
8. Pursuant to Article IV.P of the Plan, the Debtors will be dissolved on or after the Effective Date and no individuals will serve as officers, directors or voting trustees of the Debtors after the Effective Date. Accordingly, section 1123(a)(7) of the Bankruptcy Code is inapplicable in these cases. Nevertheless, the initial

members of the Liquidating Trust Board and Liquidating Trust Management were set forth in Exhibits 6 and 7 to the Plan Supplement and, thus, were disclosed prior to the Hearing. The Liquidating Trust Board and Liquidating Trust Management were selected by members of the Consenting Claimants in accordance with the terms of the Plan Support Agreement. No party has objected to the identity of the members of the Liquidating Trust Board or Liquidating Trust Management. In light of the foregoing, the manner of selection of the Liquidating Trust Board and Liquidating Trust Management is consistent with the interests of holders of Claims and Equity Interests and public policy;

20. The Confirmation Hearing Notice provided due and proper notice of the Confirmation Hearing and all relevant dates, deadlines, procedures and other information relating to the Plan and/or the solicitation of votes thereon, including, without limitation, the voting deadline, the objection deadline, the time, date and place of the Confirmation Hearing and the release provisions in the Plan, including the Debtor Release and the Third Party Release.
21. All persons entitled to receive notice of the Disclosure Statement, the Plan and the Confirmation Hearing have received proper, timely and adequate notice in accordance with the Disclosure Statement Order and the applicable provisions of the Bankruptcy Code and the Bankruptcy Rules, and have had an opportunity to appear and be heard with respect thereto.
22. The Plan Proponents solicited votes with respect to the Plan in good faith and in a manner consistent with the Bankruptcy Code, the Bankruptcy Rules and the Disclosure Statement Order. Accordingly, the Plan Proponents are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Article IX.H of the Plan.
23. Claims in Classes R-1, R-2, GS-1, GS-2, RS-1 and R-2 are Unimpaired, and such Classes are deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.
24. The Plan was voted on by 183 sub-Classes of Impaired Claims that were entitled to vote pursuant to the Bankruptcy Code, the Bankruptcy Rules and the Disclosure Statement Order (i.e., each sub-Class entitled to vote within Classes R-3, R-4, R-5, R-6, R-7, R-8, R-11, R-12, GS-3, GS-4A, GS-4B, GS-5, GS-6, GS-7, GS-10, RS-3, RS-4, RS-5, RS-6, RS-7, RS-8, RS-11, and RS-12).
25. Prior to the filing of the Voting Declaration, KCC made a final determination of the validity of, and tabulation with respect to, all acceptances and rejections of the Plan by holders of Claims entitled to vote on the Plan, including the amount and number of accepting and rejecting Claims in each sub-Class entitled to vote within Classes R-3, R-4, R-5, R-6, R-7, R-8, R-11, R-12, GS-3, GS-4A, GS-4B, GS-5, GS-6, GS-7, GS-10, RS-3, RS-4, RS-5, RS-6, RS-7, RS-8, RS-11, and RS-12 under the Plan. *See Voting Declaration at Exhibit B.*

27. Subsequent to the filing of the Voting Declaration, and pursuant to the settlement with the FHFA, the FHFA changed their previous votes rejecting the Plan to votes to accept the Plan in Classes R-11 and RS-11.

28. Subsequent to the filing of the Voting Declaration, and pursuant to the JSN Settlement (as defined herein), certain holders of Claims in Classes R-3, GS-3, and RS-3 changed their previous votes rejecting the Plan to votes to accept the Plan such that, together with holders of Claims in Classes R-3, GS-3, and RS-3 that previously voted to accept the Plan, holders of at least two-thirds in amount and a majority in number of the Claims actually voting in Classes R-3, GS-3, and RS-3 have accepted the Plan. *See* Supplemental Voting Declarations.

I. **Section 1129(a)(3).** The Plan has been proposed in good faith and not by any means forbidden by law. The Plan Proponents' good faith is evident from the facts and record of these Chapter 11 Cases, the Disclosure Statement and the hearing thereon, and the record of the Confirmation Hearing and other proceedings held in these Chapter 11 Cases. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtors' estates and effectuating an orderly liquidation of the Debtors. The Plan is the result of extensive good faith, arm's-length negotiations between the Debtors, the Creditors' Committee, Ally, and certain of the Debtors' principal creditor constituencies, including each of the Consenting Claimants and their respective representatives, and reflects substantial input from the principal constituencies having an interest in the Chapter 11 Cases. The Plan Proponents and each of their respective officers, directors, employees, advisors and professionals, as applicable: (i) acted in good faith in negotiating, formulating, and proposing, where applicable, the Plan and agreements, compromises, settlements, transactions, and transfers contemplated thereby, and (ii) will be acting in good faith in proceeding to (a) consummate the Plan and the agreements, compromises, settlements, transactions, transfers, and documentation contemplated by the Plan, including, but not limited to, the Plan Supplement documents, and (b) take any actions authorized and directed or contemplated by this Order. Thus, the Plan satisfies the requirements of section 1129(a)(3) of the Bankruptcy Code.

J. **Section 1129(a)(4).** The Plan provides that Professional Fee Claims submitted by Professionals for services incurred prior to the Effective Date will receive payment only if and

to the extent they are approved by the Court. The Plan also provides for the payment of the reasonable pre- and postpetition fees and expenses of the RMBS Trustees pursuant to the provisions of, and subject to, the procedures set forth in the *Final Supplemental Order (I) Authorizing the Debtors to Continue Implementing Loss Mitigation Programs; (II) Approving Procedures for Compromise and Settlement of Certain Claims, Litigations and Causes of Action; (III) Granting Limited Stay Relief to Permit Foreclosure and Eviction Proceedings, Borrower Bankruptcy Cases, and Title Disputes to Proceed; and (IV) Authorizing and Directing the Debtors to Pay Securitization Trustee Fees and Expenses* (ECF Doc. # 774), and the *Order under 11 U.S.C. §§ 105, 363, and 365, and Fed Bankr. P. 2002, 6004, 6006, and 9014 (I) Approving (A) Sale of Debtors' Assets Pursuant to Asset Purchase Agreement with Ocwen Loan Servicing, LLC; (B) Sale of Purchased Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (C) Assumption and Assignment of Certain Executory Contracts and Unexpired Leases Thereto; (D) Related Agreements; and (II) Granting Related Relief* (ECF Doc. # 2246), which provisions and procedures will also apply to HSBC. The Plan further provides for the allowance of the Allowed Fee Claim, with Units and distributions on account of such claim made to counsel for the Institutional Investors. In accordance with the Plan, all other Administrative Claims will receive payment only to the extent they are Allowed Claims. Thus, the Plan satisfies the requirements of section 1129(a)(4) of the Bankruptcy Code.

K. **Section 1129(a)(5).** Pursuant to section 1129(a)(5) of the Bankruptcy Code, the Plan discloses the identities and compensation structure for the members of the Liquidating Trust Board, Liquidating Trust Management, the Private Securities Claims Trustee, the RMBS Claims Trust Trustee, the Borrower Claims Trustee and the Borrower Claims Trust Committee.

In addition, members of the Liquidating Trust Board and Liquidating Trust Management set forth on Exhibits 6 and 7 to the Plan Supplement are qualified, and their selection is consistent with the interests of holders of Claims and Equity Interests and with public policy.

L. **Section 1129(a)(6).** The Plan does not provide for any changes in rates that require regulatory approval of any governmental agency. Accordingly section 1129(a)(6) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

M. **Section 1129(a)(7).** The liquidation analysis set forth in Exhibit 8 to the Disclosure Statement, as well as other evidence proffered or adduced at or prior to, or in declarations in connection with, the Confirmation Hearing (a) are reasonable, persuasive, accurate and credible, (b) utilize reasonable and appropriate methodologies and assumptions; (c) have not been controverted by other evidence, and (d) establish that each holder of a Claim or Equity Interest in an Impaired Class either (i) has accepted the Plan or (ii) will receive or retain under the Plan, on account of such Claim or Equity Interest, property of a value, as of the Effective Date of the Plan, that is not less than the amount that it would receive if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code on such date. Thus, the Plan Proponents have demonstrated that the Plan is in the best interests of creditors.

N. **Section 1129(a)(8).** Claims in Classes R-1, R-2, GS-1, GS-2, RS-1, and RS-2, are Unimpaired and are conclusively presumed to have accepted the Plan under section 1126(f) of the Bankruptcy Code. As set forth in the Voting Declaration and the Supplemental Voting Declarations, each sub-Class entitled to vote within Classes R-3, R-4, R-5, R-6, R-7, R-8, R-11, R-12, GS-3, GS-4A, GS-4B, GS-5, GS-6, GS-7, GS-10, RS-3, RS-4, RS-5 (at all sub-Classes other than Residential Funding Real Estate Holdings, LLC), RS-6, RS-7, RS-8, RS-11, and RS-12 has voted to accept the Plan, and the Class RS-5 at the Residential Funding Real

Estate Holdings, LLC sub-Class voted to reject the Plan. In addition, holders of Intercompany Claims in Classes R-9, GS-8, and RS-9, and holders of Equity Interests in R-10, GS-9 and RS-10 are deemed to have rejected the Plan (collectively with Class RS-5 (at the Residential Funding Real Estate Holdings, LLC sub-Class), the “Rejecting Classes”). Nevertheless, the Plan is confirmable because it does not discriminate unfairly and is fair and equitable with respect to the Rejecting Classes and thus satisfies section 1129(b)(1) of the Bankruptcy Code (as set forth in paragraph U below).

O. **Section 1129(a)(9).** The Plan provides treatment for Administrative Claims, Priority Tax Claims and Other Priority Claims that is consistent with the requirements of section 1129(a)(9) of the Bankruptcy Code.

P. **Section 1129(a)(10).** The Plan has been accepted by at least one class of Impaired Claims at each Debtor that is entitled to vote on the Plan, determined without including any acceptance of the Plan by any “insider.” *See* Voting Declaration, Exhibit B.

Q. **Section 1129(a)(11).** The Plan is feasible, within the meaning of section 1129(a)(11) of the Bankruptcy Code. The Debtors’ projections show that the Debtors expect to have sufficient funds to make the payments required under the Plan.

R. **Section 1129(a)(12).** The Plan provides that fees payable pursuant to 28 U.S.C. § 1930 will be paid by the Debtors on or before the Effective Date. On and after the Effective Date, notwithstanding the grouping of the Debtors into the Debtor Groups under the Plan, each of the Debtors shall (i) pay the applicable U.S. Trustee fees when due in the ordinary course until such time as the Bankruptcy Court enters a final decree in such Debtors’ Chapter 11 Case or until each Chapter 11 Case is converted or dismissed, and (ii) file consolidated post-confirmation quarterly status reports.

S. **Section 1129(a)(13).** The retirement plan covering the Debtors' employees is sponsored by AFI, the indirect parent of ResCap and a non-Debtor. Article IX.E of the Plan provides that nothing in the Plan releases AFI or any other party from the obligations under the Employees Retirement Plan for GMAC Mortgage Group, LLC and ERISA. The Debtors have no other retiree benefit obligations. Therefore, to the extent applicable, section 1129(a)(13) of the Bankruptcy Code is satisfied.

T. **Sections 1129(a)(14), (15) and (16).** The Debtors do not owe any domestic support obligations and are not individuals. Therefore, sections 1129(a)(14) and (15) of the Bankruptcy Code do not apply to the Debtors. Further, the Debtors are moneyed, business, or commercial corporations or trusts, not nonprofit entities, and, therefore, section 1129(a)(16) of the Bankruptcy Code does not apply to the Debtors. To the extent that any transfer of property under the Plan will be made by a nonprofit corporation or trust and section 1129(a)(16) of the Bankruptcy Code is thus applicable to the Debtors, such transfers shall be made in accordance with applicable non-bankruptcy law, thereby satisfying section 1129(a)(16) of the Bankruptcy Code.

U. **Section 1129(b).** The Plan satisfies section 1129(b) of the Bankruptcy Code with respect to the Rejecting Classes. The evidence proffered or adduced at the Confirmation Hearing is persuasive and credible, has not been controverted by other evidence, and establishes that the Plan does not discriminate unfairly and is fair and equitable with respect to the Rejecting Classes. As required by section 1129(b)(2)(B) and 1129(b)(2)(C) of the Bankruptcy Code, the Plan is fair and equitable with respect to the Intercompany Balances and Equity Interests because (a) no holder of a Claim or Equity Interest will receive more than it is legally entitled to receive on account of its Claim or Equity Interest, and (b) the Plan does not

provide a recovery on account of any Claim or Equity Interest that is junior to the Rejecting Classes. As a result, the Plan satisfies the requirements of section 1129(b) of the Bankruptcy Code. Thus, the Plan may be confirmed even though section 1129(a)(8) of the Bankruptcy Code is not satisfied. After entry of the Confirmation Order and upon the occurrence of the Effective Date, the Plan shall be binding upon the members of the Rejecting Classes.

V. **Section 1129(c).** The Plan (including previous versions thereof) is the only plan that has been filed in these Chapter 11 Cases that has been found to satisfy the requirements of subsections (a) and (b) of section 1129 of the Bankruptcy Code. Accordingly, confirmation of the Plan complies with the requirements of section 1129(c) of the Bankruptcy Code.

W. **Section 1129(d).** No party in interest has requested that the Court deny Confirmation of the Plan on grounds that the principal purpose of the Plan is the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act, and the principal purpose of the Plan is not such avoidance. Accordingly, the Plan satisfies the requirements of section 1129(d) of the Bankruptcy Code.

X. **Section 1129(e).** None of these Chapter 11 Cases is a small business case within the meaning of the Bankruptcy Code.

Y. Based upon the foregoing and all other pleadings and evidence proffered or adduced at or prior to the Confirmation Hearing, the Plan and the Debtors as proponents of the Plan satisfy the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

IMPLEMENTATION OF THE PLAN

Z. All documents and agreements necessary to implement the Plan, including, but not limited to, the Plan Documents, are essential elements of the Plan and consummation of each

agreement is in the best interests of the Debtors, the Estates and holders of Claims. The Debtors have exercised reasonable business judgment in determining to enter into the Plan Documents, and each of the Plan Documents have been negotiated in good faith, at arm's length, are fair and reasonable, and shall, upon execution and upon the occurrence of the Effective Date, constitute legal, valid, binding, enforceable, and authorized obligations of the respective parties thereto and will be enforceable in accordance with their terms. Pursuant to section 1142(a) of the Bankruptcy Code, the Plan Supplement documents, and any other documents or agreements necessary to implement the Plan will apply and be enforceable notwithstanding any otherwise applicable non-bankruptcy law.

CONDITIONS TO THE CONFIRMATION OF THE PLAN

AA. Each of the conditions precedent to entry of this Order has been satisfied in accordance with Article X.A of the Plan or properly waived in accordance with Article X.C of the Plan.

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

BB. Pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code, upon the occurrence of the Effective Date, Article V of the Plan provides for the assumption, assumption and assignment, or rejection of certain Executory Contracts and Unexpired Leases. The Debtors' determinations regarding the assumption, assumption and assignment, or rejection of Executory Contracts and Unexpired Leases are based on and within the sound business judgment of the Debtors, are necessary to the implementation of the Plan and are in the best interests of the Debtors, their Estates, holders of Claims and other parties in interest in the Chapter 11 Cases. The Plan Proponents have filed the Assumption Schedule (as it may have been amended or supplemented) and have provided notice to counterparties of the Debtors' determinations

regarding the assumption, assumption and assignment, or rejection of Executory Contracts or Unexpired Leases and any related Cure Claims. *See* KCC Affidavit of Service (ECF Doc. # 5581).

GLOBAL SETTLEMENT UNDER THE PLAN

CC. The Plan settles numerous litigable issues in the Chapter 11 Cases pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code. These settlements are in consideration for the compromises, distributions and other benefits provided under the Plan. The Plan constitutes a compromise of all Claims, Equity Interests or Causes of Action relating to the contractual, legal and subordination rights that a holder of a Claim or Equity Interest may have with respect to any Allowed Claim or Equity Interest or any distribution to be made on account of such an Allowed Claim or Equity Interest.

DD. **The Global Settlement.** The Plan includes an integrated and comprehensive settlement that resolves various inter-Debtor, Debtor-Creditor and inter-Creditor issues through (i) the Ally Settlement, including the funding of the Ally Contribution, (ii) the RMBS Settlement, (iii) the settlement of the allowed amount and priority of Claims held by certain monoline insurers, including the FGIC Settlement Agreement, (iv) the settlement of the Private Securities Claims, (v) the settlement of the allowed amount and priority of the Claims of the Kessler Class Claimants, (vi) the NJ Carpenters Claims Settlement, (vii) the settlement of the claims held by the Senior Unsecured Notes Indenture Trustee, on behalf of the Senior Unsecured Noteholders, (viii) the settlement with FHFA, (ix) the division of the Ally Contribution and Administrative Expenses among Debtor Groups, (x) a settlement of issues regarding substantive consolidation, (xi) a settlement of the treatment of the Intercompany Balances, and (xii) a settlement with the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Collateral Agent, and the Ad Hoc Group. Each component of the Global

Settlement is an integral and inextricable part thereof that cannot be severed from the whole without unraveling the entire Plan. The creditors supporting the Global Settlement include each of the Consenting Claimants, the NJ Carpenters Class, Ambac, Assured, Syncora, the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Collateral Agent, and the Ad Hoc Group, each of which is a sophisticated party and represented by counsel that is recognized as being knowledgeable and experienced in the field of complex chapter 11 cases. The Global Settlement, and each of the settlements embodied within the Global Settlement, is a result of good faith arm's-length negotiations, is in the best interests of the Debtors, the Estates, the RMBS Trusts, Investors, and other parties-in-interest, and is fair, equitable, and within the range of reasonableness.

EE. In reaching its decision on the substantive fairness of the Global Settlement and the various settlement incorporated therein, the Court considered the following factors: (i) the balance between the litigation's possibility of success and the settlement's future benefits; (ii) the likelihood of complex and protracted litigation with attendant expense, inconvenience and delay; (iii) the paramount interests of creditors, including the relative benefits to each affected class and the degree to which creditors either do not object to or affirmatively support the proposed settlement; (iv) whether other parties in interest support the settlement; (v) the competency and experience of counsel and the experience and knowledge of the bankruptcy judge; (vi) the nature and breadth of releases to be obtained by officers and directors; and (vii) the extent to which the settlement is the product of arm's length bargaining.

FF. As set forth in Article IV.B. of the Plan, pursuant to the Global Settlement, Ally shall pay the Estates the Ally Contribution in accordance with the Plan. In addition, Ally has made numerous substantial contributions to the Estates during the chapter 11 cases that were

essential to the success of the Debtors' bankruptcy, e.g., serving as the stalking horse bidder for the Debtors' portfolio of HFS loans; enabling the Debtors to continue originating loans during the chapter 11 cases by funding the loans on market terms, which sustained and enhanced the value of the Debtors' servicing platform sold to Ocwen Loan Servicing, LLC for \$3 billion; providing the Debtors with DIP financing of up to \$220 million; permitting the Debtors to use Ally Bank's portfolio of loans to satisfy their obligations to various regulators so that the Debtors could continue operations and reduce liabilities; providing certain shared services to the Debtors; and supporting certain pension obligations of the Debtors. In exchange for the Ally Contribution and the Ally Released Parties' other substantial contributions during the Chapter 11 Cases, Ally shall receive the following consideration: (i) the Debtor Releases, (ii) the Third Party Releases, (iii) a settlement of the Debtors' rights to and under the Settlement Insurance Policies, (iv) the transfer by the Debtors of the funds held in the Ally Indemnity Escrow Account and the remission of the Misdirected Funds to Ally, and Ally's release of the approximately \$1.787 million in Cash overfunded by the Debtors prior to the Petition Date and which is currently held by Ally, (v) the Debtors' performance of the obligations under the DOJ/AG Settlement, the Consent Order and the Order of Assessment on the terms set forth in Article IV.B(e) of the Plan, and (vi) the allowance and payment in full of the Ally Contract Claims as provided in the Plan.

GG. The consideration provided to the Ally Released Parties as part of the Global Settlement, including the rights and obligations accorded elsewhere in the Plan to Ally is: (1) in exchange for the good, valuable and substantial consideration from the Ally Released Parties; (2) in the best interests of the Debtors, the Estates, the Plan Trusts and all holders of Claims and Equity Interests; (3) a good faith settlement and compromise of the claims released under the Plan; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a

hearing; (6) justified by truly unusual circumstances; (7) an essential component and critical to the success of the Plan; (8) resulting in distributions to the creditors that would otherwise have been unavailable; (9) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (10) a bar to the Debtors, the Plan Trusts, in the case of the Debtor Releases, and any party asserting a claim or cause of action released against any of the Ally Released Parties in connection with the Third Party Release.

HH. As one component of the Global Settlement, the Plan implements the FGIC Settlement Agreement. The Court approved the FGIC Settlement Agreement by order dated September 16, 2013. The findings of fact and conclusions of law in support of the Court's approval of the FGIC Settlement are set forth in the Court's *Memorandum Decision and Order, and Findings of Fact and Conclusions of Law, Approving the FGIC Settlement Motion* (ECF Doc. # 5042) (the "FGIC Settlement Approval Decision"), dated September 13, 2013, and included, among other things, that the FGIC Settlement is an "essential, inextricable, and critical cornerstone of the Global Settlement" underlying the Plan. (FGIC Settlement Approval Decision, at *35; *see also id.* at *20 ("The Settlement Agreement that is the subject of this Motion, while a stand-alone agreement, represents a critical component of the Global Settlement.")). Among other things, the FGIC Settlement Approval Decision overruled an objection by the Ad Hoc Group of Junior Secured Noteholders (the "JSNs") that the FGIC Settlement Agreement did not subordinate the Monoline Claims pursuant to section 510(b) of the Bankruptcy Code. The JSNs objected to confirmation on this same basis. That objection has been resolved by the JSN Settlement.

II. As one component of the Global Settlement, the Plan also implements the RMBS Settlement, and the Global Settlement reflects a good faith compromise and settlement of all

objections to the Original RMBS Settlement Agreements by the Creditors' Committee, certain of the Consenting Claimants, and certain other parties.

JJ. As one component of the Plan and Global Settlement, the Plan also implements a settlement with the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Collateral Agent, and the Ad Hoc Group (the "JSN Settlement"), and the JSN Settlement reflects a good faith compromise and settlement between the Plan Proponents and the Ad Hoc Group that resolves all issues raised in the JSN Adversary Proceeding, and the confirmation objections filed by the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Collateral Agent, and the Ad Hoc Group. Each of the "Managed Funds" and the "Direct Holders" listed on Exhibit A to the Declaration Of Gerard Uzzi In Connection With Changed Votes Of Certain Members Of Ad Hoc Group Of Junior Secured Noteholders On Plan Proponents' Second Amended Chapter 11 Plan, dated December 10, 2013 (ECF Doc. # 6058) has voted to accept the Second Amended Plan and, along with each Managed Fund's "Investment Manager" also listed on Exhibit A, is a Consenting JSN under the Plan and this Confirmation Order. Each of the entities listed on Schedule 1 to the Supplemental Declaration of Lorenzo Marinuzzi Regarding the Tabulation of Votes on the Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC et al. and the Official Committee of Unsecured Creditors, dated December 10, 2013 (ECF Doc. # 6061) has voted to accept the Second Amended Plan and is a Consenting JSN under the Plan and this Confirmation Order.

KK. The Plan Support Agreement, the Plan, the Global Settlement, the RMBS Settlement, the FGIC Settlement Agreement, the JSN Settlement, and all transactions contemplated by each of the foregoing, including the releases given therein, are in the best interests of the Debtors, their Estates, their creditors, the Investors in each RMBS Trust, each

such RMBS Trust, the RMBS Trustees and all other parties in interest. The RMBS Trustees acted reasonably, in good faith and in the best interests of the Investors in each RMBS Trust and each such RMBS Trust in (i) entering into the Plan Support Agreement, (ii) performing their obligations under the Plan Support Agreement, including voting in favor of the Plan, where applicable, and (iii) agreeing to, and performing under, the Global Settlement and each of the settlements embodied therein, including the RMBS Settlement and the FGIC Settlement Agreement. The RMBS Trustees' Notice of the Plan Support Agreement, the Plan, the Global Settlement, the RMBS Settlement, the FGIC Settlement Agreement, and all the transactions contemplated by each of the foregoing, including the releases given therein, was sufficient and effective in satisfaction of federal and state due process requirements and other applicable law to put the parties in interest in these Chapter 11 Cases and others, including the Institutional Investors and the Investors in each RMBS Trust, on notice of the Plan Support Agreement, the Plan, the Global Settlement, the RMBS Settlement, the FGIC Settlement Agreement, and all the transactions contemplated by each of the foregoing, including the releases given therein. The findings of fact and conclusions of law set forth in this paragraph shall be binding solely in connection with the RMBS Trustees, the RMBS Trusts (including the Investors in the RMBS of such RMBS Trusts) and the actions of the RMBS Trusts and the RMBS Trustees with respect to the Plan Support Agreement and Plan, including the RMBS Settlement and the FGIC Settlement Agreement. In addition, the Allowed Fee Claim is reasonable and appropriate under the circumstances.

LL. The Global Settlement, and each of the settlements embodied therein, gives due consideration to the strengths and weaknesses of potential arguments that have been made for and against substantive consolidation of the Debtors' estates. As set forth in the Confirmation

Brief and the Direct Testimony, litigation regarding substantive consolidation of the Debtors would require vast amounts of discovery and investigation into the Debtors' operations prior to the Petition Date, would be extraordinarily complex and costly for all parties involved and would significantly delay distributions to creditors. The proposed partial consolidation under the Plan, as a key element of the Global Settlement, is reasonable and appropriate under the circumstances, and does not adversely affect any holders of Claims or Equity Interests.

MM. Prior to the Petition Date, the Debtors entered into tens of thousands of transactions over a period of years which led to intercompany balances on the Debtors' books and records as of the Petition Date. The Debtors conducted an analysis of the Intercompany Balances and, based on the facts and analyses set forth in the Disclosure Statement, Confirmation Brief, and the Direct Testimony, believe, with the support of the Creditors' Committee, that such Intercompany Balances lack many of the indicia of true debt and enforceable claims. Litigation regarding the enforceability of the Intercompany Balances would be extremely time consuming and expensive, would delay distributions to all creditors, and would have a substantial detrimental impact on creditor recoveries. In light of the JSN Settlement, the waiver of Intercompany Balances as one part of the Global Settlement embodied in the Plan is therefore in the best interest of the Debtors' estates and all creditors.

NN. **Releases, Exculpations, and Injunctions of Released Parties.** Each Debtor Released Party that is not a Debtor will benefit from the releases, exculpations and related injunctions set forth in the Plan (collectively, the "Plan Releases"), and either shares an identity of interest with the Debtors (either by way of right to indemnity, contribution, or otherwise), was instrumental to the successful prosecution of the Chapter 11 Cases or their resolution pursuant to the Plan, and/or provided a substantial contribution to the Debtors, which value provided a

significant benefit to the Debtors' estates and general unsecured creditors, and which will allow for distributions that would not otherwise be available but for the contributions made by such non-Debtor parties. The Plan, including the Plan Releases, garnered overwhelming support from the Debtors' creditor constituencies. The Plan Releases are, individually and collectively, integral to, and necessary for the successful implementation of, the Plan, essential to the Debtors' orderly liquidation and supported by reasonable consideration.

OO. Debtor Releases. The releases and discharges of Claims and Causes of Action by the Debtors described in Article IX.C of the Plan (the "Debtor Releases") pursuant to section 1123(b)(3)(A) of the Bankruptcy Code represent a valid exercise of the Debtors' business judgment. Settling such claims against the Debtor Released Parties is in the best interest of the Debtors' estates as the benefits of settling such claims outweigh any potential benefit from pursuing such claims in light of, among other things, the cost and risk involved in litigation. Thus, the Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Debtor Released Parties; (2) a good faith settlement and compromise of the claims released by the Debtors' release; (3) in the best interests of the Debtors, the Estates, the Plan Trusts and all holders of Claims and Equity Interests; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a hearing; and (6) a bar to the Debtors, the Plan Trusts and any holder of a Claim or Equity Interest or other Entity who would have been legally entitled to assert such Claim or Equity Interest on behalf of any of the Debtors or any of their Estates from asserting any Claim or Cause of Action released pursuant to the Debtors' release.

PP. Third Party Releases. The circumstances of these Chapter 11 Cases are unique and truly unusual and they render the releases of Claims and Causes of Action by Holders of Claims and Interests described in Article IX.D of the Plan (the "Third Party Release") critical to

the success of the Plan. The Ally Contribution constitutes a substantial contribution to the estates by the Ally Released Parties and constitutes the vast majority of the \$2.6 billion that is estimated to be available for distribution to unsecured creditors. In addition, the Ally Released Parties made several non-economic contributions to the Estates during the Chapter 11 Cases, including cooperation with the Debtors to enable their operations to continue unabated following the Petition Date and to achieve the sale of their key assets as a going concern. Ally also permitted the Debtors to continue to originate and subservice loans that were sold to Ally Bank, which helped maintain the value of the Debtors' origination and servicing platform. Ally also provided a DIP loan to the Debtors and was willing to serve as the stalking horse bidder for the Debtors' legacy loan portfolio, each of which contributed significant incremental value to the Debtors' estates.

QQ. The individual officers and directors of Ally and its subsidiaries (including the Debtors' directors, officers, and employees) covered by the Third Party Release have also made a substantial contribution to the Plan by giving up their rights to shared insurance that they would otherwise have access to defend themselves against such potential claims. The amount of the coverage that Ally's individual officers and directors have sacrificed is directly related to \$150 million of the Ally Contribution. These parties will also forego their own claims for indemnity and contribution from the estates. By giving up their insurance and contractual indemnity claims, the Debtors' officers and directors have provided substantial consideration to the Debtors' Estates.

RR. In consideration for the Ally Contribution and as part of the Global Settlement, the Ally Released Parties required that the Third Party Release be included in the Plan. The Ally Contribution is the lynchpin of the Plan, without which the cases would devolve into endless

litigation, the Plan would not be confirmable or feasible, and the recoveries currently contemplated by the Plan would not exist. These facts are unprecedented and justify the approval of the Third Party Releases.

SS. There is an identity of interest between the Debtors and the beneficiaries of the Third Party Releases. The Ally Released Parties have the right to seek indemnity, contribution or other reimbursement from the Debtors with respect to the Debtors' activities. The Third Party Releases appropriately relieve the Debtors from these potential expenses. Finally, Ally and the Debtors' officers, directors, and employees are co-insured parties on "wasting asset" errors and omissions and directors and officers insurance. Any claim against Ally, or its subsidiaries or affiliates, or against any of its directors, officers, or employees, that is covered by any of these policies could reduce the amount of insurance available to the Debtors.

TT. The Third Party Releases are overwhelmingly consensual as they are supported by all parties to the Global Settlement, are not opposed by any clearly affected creditors, and numerous additional creditors have expressed their consent as part of individual or group settlements entered into subsequent to Plan solicitation. The Third Party Release is also consensual as to those parties that affirmatively voted to approve the Plan. The Third Party Release was extensively disclosed in the Disclosure Statement and the Ballots and consented to by all parties who either voted in favor of the Plan and/or failed to properly submit a ballot voting on the Plan.

UU. The Third Party Releases satisfy the applicable standards contained in *In re Metromedia Fiber Network, Inc.*, 416 F.3d 136 (2d Cir. 2005), are otherwise appropriate under *In re Johns-Manville Corp.*, 600 F.3d 135 (2d Cir. 2010), and are: (1) in exchange for the good, valuable and substantial consideration provided by the Ally Released Parties; (2) in the best

interests of the Debtors, the Estates, the Plan Trusts and all holders of Claims and Equity Interests; (3) fair, equitable and reasonable; (4) given and made after due notice and opportunity for a hearing; (5) justified by truly unusual circumstances; (6) an essential component and critical to the success of the Plan; (7) the primary source of distributions to the Creditors that would otherwise have been unavailable; (8) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (9) a bar to any party asserting a claim or cause of action released pursuant to this Third Party Release against any of the Ally Released Parties.

VV. Exculpation. The exculpation provisions set forth in Article IX.H of the Plan are essential to the Plan. The record in the Chapter 11 Cases fully supports the Exculpation, and the Exculpation provisions set forth in Article IX.H of the Plan are appropriately tailored to protect the Exculpated Parties from inappropriate litigation. The Exculpation shall have no effect on the liability of any Entity that results from any act or omission that is determined in a final, non-appealable, order to have constituted gross negligence or willful misconduct; provided, however, that each Exculpated Party shall be entitled to rely upon the advice of counsel and financial advisors concerning his, her, or its duties pursuant to, or in connection with, any prepetition plan support agreement, the Plan Support Agreement, the Plan, the Disclosure Statement, the FGIC Settlement Agreement, and the RMBS Settlement. There are no remaining objections to the Exculpation set forth in Article IX.H of the Plan.

WW. Injunction. The injunction provisions set forth in Article IX.I of the Plan are essential to the Plan and are necessary to preserve and enforce the Debtor Releases, the Third Party Releases, and the exculpation provisions in Article IX of the Plan, and are narrowly tailored to achieve that purpose.

XX. Each of the Debtor Releases, the Third Party Releases, and the injunction and exculpation provisions set forth in the Plan: (a) is within the jurisdiction of the Bankruptcy Court under 28 U.S.C. §§ 1334(a), 1334(b), and 1334(d); (b) is an essential means of implementing the Plan pursuant to section 1123(a)(5) of the Bankruptcy Code; (c) is an integral element of the transactions incorporated into the Plan; (d) confers material benefits on, and is in the best interests of, the Debtors, the Estates, and their Creditors; (e) is important to the overall objectives of the Plan to finally resolve all Claims among or against the parties-in-interest in the Chapter 11 Cases with respect to the Debtors; and (f) is consistent with sections 105, 1123, 1129 of the Bankruptcy Code, other provisions of the Bankruptcy Code, and other applicable law. The record of the Confirmation Hearing and the Chapter 11 Cases is sufficient to support the Debtor Releases, the Third Party Releases, and the injunction and exculpation provisions contained in Article IX of the Plan.

MISCELLANEOUS

YY. **Objections**. All parties have had a full and fair opportunity to litigate all issues raised in the objections (excluding any timely filed objections that relate solely to the assumption of any executory contract), or which might have been raised, and the objections (excluding any timely filed objections that relate solely to the assumption of any executory contract) have been fully and fairly litigated.

ZZ. **Waiver of Stay**. Given the facts and circumstances of these cases and the absence of any material objections to confirmation of the Plan, it is appropriate that the 14-day stay imposed by Bankruptcy Rules 3020(e) and 7062(a) be waived.

AAA. **Retention of Jurisdiction**. This Court is authorized to retain jurisdiction over the matters set forth in Article XII of the Plan and sections 105(a) and 1142 of the Bankruptcy Code.

II. ORDER

BASED ON THE FOREGOING FINDINGS OF FACT AND CONCLUSIONS OF LAW, IT IS THEREFORE HEREBY ORDERED, ADJUDGED AND DECREED AS FOLLOWS:

1. **Confirmation of the Plan.** The Plan (including the Plan Supplement), is CONFIRMED in each and every respect, pursuant to section 1129 of the Bankruptcy Code, and the terms of the Plan (including the Plan Supplement) are incorporated by reference into, and are an integral part of, this Order. The Effective Date of the Plan shall occur on the date determined by the Plan Proponents in accordance with Articles X.D and XI.A of the Plan, when the conditions set forth in Article X.B of the Plan have been satisfied or, if applicable, have been waived in accordance with Article X.C of the Plan. The failure to specifically include or to refer to any particular article of the Plan, section or provision of the Plan, Plan Supplement or any related document in this Order shall not diminish or impair the effectiveness of such article, section or provision, it being the intent of the Court that this Order confirm the Plan and any related documents in their entirety.

2. **Objections to the Plan are Overruled.** All parties have had a full and fair opportunity to litigate all issues raised by objections to confirmation of the Plan. Any objections or responses to confirmation of the Plan and the reservation of rights contained therein that (a) have not been withdrawn, waived or settled prior to the entry of this Order or (b) are not cured by the relief granted herein are hereby OVERRULED in their entirety and on their merits, and all withdrawn objections or responses are hereby deemed withdrawn with prejudice.

3. **Notice.** Notice of the Confirmation Hearing complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based on the circumstances of the Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules. In addition, due, adequate and sufficient notice of the

Assumption Schedule was provided to all counterparties to Executory Contracts and Unexpired Leases with the Debtors, in substantial compliance with the Disclosure Statement Order and Bankruptcy Rules 2002(b), 3017 and 3020(b), and no other or further notice is or shall be required.

4. **Plan Classification Controlling.** The terms of the Plan shall solely govern the classification of Claims and Equity Interests for purposes of the distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the holders of Claims or Equity Interests in connection with voting on the Plan pursuant to the Disclosure Statement Approval Order: (a) were set forth on the Ballots solely for purposes of voting on the Plan; (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Equity Interests under the Plan for distribution purposes; (c) may not be relied upon by any holder of a Claim or Equity Interest as representing the actual classification of such Claim or Equity Interest under the Plan for distribution purposes; and (d) shall not be binding on the Debtors or the Plan Trusts except for voting purposes.

5. **Order Binding on All Parties.** Subject to Article X.A of the Plan, and notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and this Order shall be immediately effective and enforceable and deemed binding upon, and inure to the benefit of: (a) the Debtors; (b) the Plan Trusts; (c) any and all holders of Claims or Equity Interests (irrespective of whether such Claims or Equity Interests are deemed to have accepted the Plan); (d) all Entities that are parties to or subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan; (e) each Entity acquiring property under the Plan; (f) any and all non-Debtor parties to Executory Contracts or Unexpired Leases with any of the Debtors; and (g) the respective heirs,

executors, administrators, trustees, affiliates, officers, directors, agents, representatives, attorneys, beneficiaries (including the Investors), guardians, successors or assigns, if any, of any of the foregoing. On the Effective Date, all settlements, compromises, releases (including, without limitation, the Plan Releases), waivers, discharges, exculpations, and injunctions set forth in the Plan shall be effective and binding on all Persons.

6. **Other Essential Documents and Agreements.** The form of documents comprising the Plan Supplement, any other agreements, instruments, certificates or documents related thereto, including any amendments permitted or contemplated by paragraph 60 of this Order, and the transactions and other matters contemplated by each of the foregoing are approved and, upon execution and delivery of the agreements and documents relating thereto by the applicable parties, shall be in full force and effect and valid, binding and enforceable in accordance with their terms without the need for any further notice to or action, order or approval of this Court, or other act or action under applicable law, regulation, order or rule. The Debtors, and after the Effective Date, the Plan Trusts, are authorized, without further approval of this Court or any other party, to execute and deliver all agreements, documents, instruments, securities and certificates relating to such agreements and perform their obligations thereunder, including, without limitation, payment of all fees due thereunder or in connection therewith.

7. **Global Settlement.** The Global Settlement set forth in Article IV of the Plan, and each component of the Global Settlement, including the JSN Settlement, are hereby approved pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 as fair and reasonable and in the best interests of each of the Debtors, their estates and Creditors. Each provision of the Global Settlement is non-severable from each other and the remaining terms of the Plan. The compromises and settlements embodied in the Global Settlement are in the best

interests of the Debtors, their Estates, Creditors, the RMBS Trusts, Investors, and other parties-in-interest, and are fair, equitable, and within the range of reasonable results if the issues were litigated and therefore falls above the lowest point in the range of reasonableness. The Debtors or the Plan Trusts, as applicable, are duly authorized to execute, deliver, implement and fully perform any and all obligations, instruments, documents, and papers, including each of the Plan Documents, and to take any and all actions reasonably necessary or appropriate to consummate the Global Settlement and each of the settlements embodied therein, including waiving any conditions precedent to their effectiveness, and performing any and all obligations contemplated therein.

8. Ally Settlement. The Ally Settlement set forth in Article IV.B of the Plan is hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019.

9. RMBS Settlement. The RMBS Settlement, including the Allowed Fee Claim, set forth in Article IV.C of the Plan is hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. To the extent applicable, the Allowed Fee Claim is hereby approved as reasonable pursuant to section 1129(a)(4) of the Bankruptcy Code. Pursuant to section 502 of the Bankruptcy Code, the RMBS Trusts shall have Allowed Claims against the Debtor Groups in the amounts and allocations set forth in Article IV.C.2 of the Plan, with distributions on account of such Claims subject to the RMBS Trust Allocation Protocol, and the Allowed Fee Claim shall be payable to counsel to the Institutional Investors in the amount set forth in Article IV.C.6 of the Plan and the Plan Supplement. Upon entry of this Order, all objections to the Original RMBS Settlement Agreement by the Creditors' Committee and the Consenting Claimants, as applicable, shall be deemed settled.

10. Settlement of Monoline Claims. The settlements of the Allowed amount and priority of the Claims held by certain monoline insurers set forth in Article IV.D of the Plan are hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. Pursuant to section 502 of the Bankruptcy Code, MBIA, FGIC, Assured, and Ambac shall have Allowed General Unsecured Claims against the Debtor Groups in the amounts and allocations set forth in Article IV.D.1, IV.D.2, IV.D.3, and IV.D.4 of the Plan, respectively.

11. Settlement of Settling Private Securities Claimants' Claims. The settlements of the Allowed amount and priority of the Claims held by the Settling Private Securities Claimants set forth in Article IV.E of the Plan are hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. Pursuant to section 502 of the Bankruptcy Code, the Settling Private Securities Claimants shall have Allowed Claims for voting purposes in the amounts set forth in Article IV.E.6 of the Plan.

12. Settlement of Senior Unsecured Notes Claims. The settlement of the Senior Unsecured Notes Claims set forth in Article IV.I of the Plan is hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. Pursuant to section 502 of the Bankruptcy Code, the Senior Unsecured Noteholders shall have Allowed Claims in the amounts set forth in Article IV.I of the Plan.

13. NJ Carpenters Settlement. The NJ Carpenters Settlement, including but not limited to the payment of the NJ Carpenters Claims Distribution in settlement of the NJ Carpenters Claims, is hereby approved as part of the Global Settlement pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. The NJ Carpenters Class Members shall receive the NJ Carpenters Claims Distribution less the amounts advanced by the Debtors for

class notice and administration as provided for and in accordance with the Plan and New Jersey Carpenters Settlement.

14. Partial Consolidation of the Debtors. The partial consolidation of the Debtors into Debtor Groups solely for purposes of describing treatment under the Plan and making distributions under the Plan is fair and appropriate and approved as one component of the Global Settlement. The partial consolidation of the Debtors, however, shall not (other than for purposes relating to making distributions under the Plan) affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets except as contemplated by the Plan; and, except as otherwise provided by or permitted in the Plan, all Debtors shall continue to exist as separate legal entities until dissolved in accordance with the Plan.

15. FHFA Settlement. The FHFA assigned to Ally any and all distributions due to the FHFA and/or Freddie Mac under the Plan effective as of the Effective Date on account of the proofs of claim filed by the FHFA in the Chapter 11 Cases [Claim Nos. 6296, 6297, 6298, 6299, 6300, and 6301] (the "FHFA Claim Proceeds").³ The FHFA has in writing directed the Debtors and the Liquidating Trustees to pay to Ally on the Effective Date the FHFA Claims Proceeds.

³ For the avoidance of doubt, the FHFA Claim Proceeds do not include any distributions to the Federal Home Loan Mortgage Corporation ("Freddie Mac") or to securitization trustees on account of claims set forth in proofs of claims other than claim numbers 6296, 6297, 6298, 6299, 6300, and 6301. Nothing herein or in the Plan prohibits, restricts, or limits FHFA or Freddie Mac from receiving any benefits deriving from, or exercising any rights appurtenant to, Freddie Mac's ownership of interests in RMBS at issue in the lawsuit entitled Federal Housing Finance Agency v. Ally Financial Inc., et al., No. 11 Civ. 7010 or these Chapter 11 Cases, including without limitation, the right to receive or assign payments from its investments in the RMBS or to sell or otherwise dispose of its interests in the RMBS. Other than the FHFA Claims Proceeds, Ally is not entitled to any other amounts relating to RMBS owned by Freddie Mac, including any amounts relating to claims set forth in Article IX.E.ii of the Plan.

The Debtors and the Liquidating Trust shall pay to Ally on the Effective Date the FHFA Claim Proceeds.

16. Strictly for purposes of voting on the Plan and distributions thereunder, (i) the FHFA Claims against RFC shall be allowed in the amount of \$1.2 billion in full and final satisfaction of the FHFA Claims; (ii) such allowed claim shall be an “Allowed FHFA Claim” in class RS-11 as provided in Art. III.D.3(k) of the Plan; (iii) the Allowed FHFA Claim shall not be subject to subordination and shall receive a cash distribution of \$24 million on the Effective Date (equal to 2% of the Allowed amount of the FHFA Claim), as provided in Art. III.D.3(k) of the Plan; and (iv) the FHFA Claims against any Debtors other than RFC shall be deemed satisfied in full, without any further order or action.

17. The Plan does not contain any determination regarding the validity or invalidity of the application of Section 4617(b)(15) of the Housing and Economic Recovery Act of 2008 (“HERA”) in the Chapter 11 Cases. Nothing herein or in the Plan is, or shall be construed as, a concession to the validity of any disputes or defenses interposed to claims asserted by FHFA and Ally, including, without limitation, with respect to FHFA’s assertions of rights, powers, and priorities under 12 U.S.C. § 4617(b)(15) as such disputes have been compromised and settled pursuant to FHFA and Ally’s October 25, 2013 agreement, and any subsequently entered into agreement between them. Nothing in the Plan or this Order shall affect, limit or otherwise prejudice the FHFA’s rights, titles, powers, and privileges under HERA; provided that nothing in this paragraph 17 shall limit the releases as set forth in the Plan and any such agreement between FHFA and Ally.

18. JSN Settlement. The JSN Settlement, including but not limited to the payment of the Junior Secured Notes Distribution in full and final settlement, satisfaction and release of any

and all Claims of (and obligations and duties between and among) the Junior Secured Noteholders, the Ad Hoc Group, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Predecessor Indenture Trustee, and the Junior Secured Notes Collateral Agent (including Claims by the Junior Secured Noteholders against the Junior Secured Notes Collateral Agent, the Junior Secured Notes Indenture Trustee, and the Junior Secured Notes Predecessor Indenture Trustee), under, evidenced by, or related to any of the JSN Documents, including, but not limited to, any claims for principal, interest, fees and expenses (including the Junior Secured Notes Collateral Agent Fees and Expenses and the Junior Secured Notes Indenture Trustee Fees, which, to the extent unpaid, shall be charged against and paid from the Junior Secured Notes Distribution promptly following the distribution of the Junior Secured Notes Distribution), indemnification claims, and other charges, is hereby approved pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019. No person shall be entitled to seek to disgorge or recharacterize any amounts previously paid or reimbursed under the Paydown Orders or the AFI/JSN Cash Collateral Order, which amounts shall be deemed indefeasibly paid and finally allowed. B. Third Party Release

On and as of the Effective Date of the Plan, except as provided by Article IX.E of the Plan, the holders of Claims and Equity Interests shall be deemed to provide a full and complete discharge and release to the Ally Released Parties and their respective property from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise, arising from or related in any way to the Debtors, including those in any way related to RMBS issued and/or sold by the Debtors or their affiliates and/or the Chapter 11 Cases or the Plan, the Consent Order, and the Order of Assessment.

For the avoidance of doubt, nothing in the foregoing provisions shall release or exculpate the Ally Released Parties from any claims or obligations to the United States and the DOJ/AG Settling States arising under the DOJ/AG Settlement or causes of action preserved under Article V and Exhibits F and G of the DOJ/AG Settlement.

G. Injunction

Except as otherwise provided in the Plan or this Order and in accordance with Article IX.E of the Plan, all Entities, including Investors, who have held, hold or may hold Claims, Equity Interests, Causes of Action or liabilities that constitute Released Claims, are permanently enjoined and precluded, from and after the Effective Date of the Plan, from: (a) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party whether directly, derivatively or otherwise, on account of or in connection with or with respect to any Released Claims; (b) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against any Released Party on account of or in connection with or with respect to any Released Claims; (c) creating, perfecting or enforcing any lien (other than any charging lien of a trustee under its respective indenture), claim or encumbrance of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; (d) asserting any right to setoff, subrogation or recoupment

of any kind against any obligation due from any Released Party on account of or in connection with or with respect to any Released Claims unless such holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in a Proof of Claim or Equity Interest or otherwise that such holder asserts, has or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise; (e) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; and (f) seeking relief or collecting judgments on an Investor-related securities claim in a manner that fails to conform with the terms of the judgment reduction provision set forth in the Plan and the Confirmation Order; provided, that nothing contained in the Plan shall be construed to prevent any entity from objecting to claims or defending against claims objections or collection actions whether by asserting a right of setoff or otherwise to the extent permitted by law. Such injunction shall extend to the successors of the Liquidating Trust, if any, and to their respective properties and interests in property. Any person injured by any willful violation of this injunction shall be entitled to recover actual damages, including costs and attorneys' fees and, in appropriate circumstances, may recover punitive damages from the willful violator.

For the avoidance of doubt, nothing in Article IX.E of the Plan shall expand or limit the application of Article IX.I of the Plan to Claims, Equity Interests, Causes of Action or liabilities against the Debtors or the Liquidating Trust.

41. **Release of Liens.** Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of any Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall vest in the Liquidating Trust.

42. **Discharge.** Except as expressly provided in the Plan or the Confirmation Order, (a) each holder (as well as any trustees and agents on behalf of each holder) of a Claim against or Equity Interest in a Debtor shall be deemed to have forever waived, released and discharged the

Debtors, to the fullest extent permitted by section 1141 of the Bankruptcy Code, of and from any and all Claims, Equity Interests, rights and liabilities that arose prior to the Effective Date and (b) all such holders shall be forever precluded and enjoined, pursuant to section 524 of the Bankruptcy Code, from prosecuting or asserting any discharged Claim against or terminated Equity Interest in the Debtors.

43. **Satisfaction and Release of Claims and Equity Interests.** The rights afforded in the Plan and the treatment of all Claims and Equity Interests under the Plan shall be in exchange for and in complete satisfaction and release of all Claims of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtors, the Plan Trusts, or any of their respective assets or properties arising prior to the Effective Date. Except as otherwise expressly specified in the Plan, after the Effective Date, any holder of such Claim or Equity Interest shall be precluded from asserting against the Debtors, the Plan Trusts, or any of their respective assets or properties, any other or further Claim based on any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the entry of this Order.

44. **Judgment Reduction.** A defendant against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has a claim for indemnity or contribution that is subject to the Third Party Releases shall be entitled to a judgment credit in the underlying litigation in the amount and on the terms that would be available if the Third Party Releases were treated as a bar order in the underlying litigation, in accordance with, and to the extent permitted under, applicable statutory or common law, as determined by a court of competent jurisdiction. (For the avoidance of doubt, a defendant

against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has or had a claim for indemnity or contribution against any Debtor is not precluded from asserting that it is entitled to a judgment credit in the underlying litigation in connection with such claim against the Debtors, and the plaintiff(s) in such action shall have the right to oppose any such request for a judgment credit on any basis, including but not limited to that no such right exists and with reference to Bankruptcy Code section 502(e).) For the avoidance of doubt, judgment reduction in the NJ Carpenters Class Action shall be governed by the terms of the Order and Final Judgment entered by the District Court granting final approval to the NJ Carpenters Settlement. *See* (ECF Doc. # 5354). Notwithstanding the foregoing and without limitation (i) no Ally Released Party shall be deemed to have admitted to such fault by virtue of this provision; (ii) nothing in the Plan or Confirmation Order shall create any right for a defendant that it does not have under applicable statutory or common law, if any, to obtain discovery from any Ally Released Party, or create an obligation for any Ally Released Party to participate in any proceeding to determine fault that does not exist under applicable statutory or common law, if any, in connection with such claim; and (iii) no finding in any proceeding to determine fault shall create any claim against any Ally Released Party or obligation of any Ally Released Party to satisfy any claim. For the avoidance of doubt, nothing in Article IX.L of the Plan affects the Third Party Releases, and all parties' rights under applicable law with respect to discovery and any Ally Released Party's participation in any proceeding to determine fault are preserved.

45. **Special Provisions for the United States and the States.**

(a) As to the United States, except where the Plan or Confirmation Order explicitly states otherwise as to the United States, nothing in the Plan or Confirmation Order shall limit or expand the scope of discharge, release or injunction to which the Debtors or Liquidating Trust are entitled to under the Bankruptcy Code, if any. The discharge, release, exculpation and injunction provisions contained in the Plan and Confirmation Order are not intended and shall not be construed to bar the United States and the States from, subsequent to the Bankruptcy Court's entry of the Confirmation Order, pursuing any police or regulatory action against the Debtors or the Liquidating Trust, except (i) to the extent the applicable Bar Date or the discharge, release, exculpation or injunction provisions of the Plan bar a Governmental Unit from pursuing pre-petition Claims against the Debtors or the Liquidating Trust and (ii) to the extent a Governmental Unit released or settled any causes of action against the Debtors or the Liquidating Trust, including but not limited to under the DOJ/AG Settlement (including exhibits). For the avoidance of doubt, Governmental Units are subject to the Administrative Claim Bar Date.

(b) Notwithstanding anything contained in the Plan or Confirmation Order to the contrary, nothing in the Plan or Confirmation Order shall discharge, release, impair or otherwise preclude: (1) any liability of the Debtors or the Liquidating Trust to the United States and the States that is not a Claim; (2) any Claim of the United States and the States against the Debtors or the Liquidating Trust arising on or after the Confirmation Date; (3) any valid right of setoff or recoupment of any Governmental Unit against any of the Debtors, regardless of whether (a) a right of setoff was reserved in a proof of claim filed with respect to the debt subject to setoff or (b) the setoff has been authorized or approved by the Bankruptcy Court; or (4) any liability of

the Debtors or the Liquidating Trust to any Governmental Unit under environmental law as the owner or operator of property that such entity owns or operates after the Confirmation Date. Nor shall anything in this Confirmation Order or the Plan: (i) enjoin or otherwise bar the United States or the States from seeking to assert or enforce outside the Bankruptcy Court, any liability described in the preceding sentence; or (ii) divest any court, commission, or tribunal of jurisdiction to determine whether any liabilities asserted by the United States or the States are discharged or otherwise barred by this Confirmation Order, the Plan, or the Bankruptcy Code. Notwithstanding the foregoing, (1) to the extent any Governmental Unit has (i) in connection with these Chapter 11 Cases, entered into any stipulation or settlement of claims, or been subject to a Bankruptcy Court order and (ii) there is any conflict between the terms of such stipulation or settlement of claims or Bankruptcy Court order and this paragraph, the terms of such stipulation, settlement or Bankruptcy Court order shall control; and (2) this paragraph shall not expand or limit the scope of any releases or settlement of causes of action granted to or for the benefit of the Debtors or the Liquidating Trust by any Governmental Unit, including but not limited to under the DOJ/AG Settlement (including exhibits).

(c) Nothing in the Confirmation Order or the Plan shall bar the United States and the States from pursuing any police and regulatory action against any non-Debtor (including AFI). Further, nothing in the Confirmation Order or Plan shall release or exculpate any non-Debtor (other than AFI, which for purposes of this paragraph shall be governed by Article IX.D, IX.E and IX.I of the Plan) from any liability to any DOJ-Represented Agency including, but not limited to, any liabilities arising under the Internal Revenue Code, the environmental laws, the civil fraud laws, or the criminal laws, nor shall anything in this Confirmation Order or Plan enjoin any DOJ-Represented Agency from bringing any claim, suit, action, or other proceeding

against any non-Debtor in connection therewith, except as provided by sections 1125(e) and 1145 of the Bankruptcy Code; provided, however, that the foregoing sentence shall not expand or limit the scope of discharge granted to the Debtors and the Liquidating Trust under sections 524 and 1141 of the Bankruptcy Code; and provided further, however, that this paragraph shall not expand or limit the scope of any exculpations granted to the Exculpated Parties, which shall be governed by Article IX.H of the Plan; and provided further, however, that this paragraph shall not expand or limit the scope of any releases or settlement of causes of action granted to or for the benefit of any non-Debtor by the United States or the States, including but not limited to under the DOJ/AG Settlement (including exhibits).

(d) Nothing contained in the Plan or Confirmation Order shall constitute a determination of the United States or the Bankruptcy Court regarding the federal tax liability of any person or entity, including but not limited to the Debtors or the Liquidating Trust, nor shall the Plan or Confirmation Order be deemed to have determined the federal tax treatment by the United States or the Bankruptcy Court of any item, distribution, or entity, including the federal tax consequences of the Plan, nor shall anything in the Plan or Confirmation Order be deemed to have conferred jurisdiction upon the Bankruptcy Court to make determinations as to federal tax liability and federal tax treatment except as provided under 11 U.S.C. § 505. For the avoidance of doubt, the foregoing paragraph does not modify the terms of any settlement under the Plan or Confirmation Order.

(e) Nothing in the Plan or the Confirmation Order shall limit or expand the scope of the Debtors' or the Liquidating Trust's ability to estimate a Disputed Claim of the United States or the States pursuant to 11 U.S.C. § 502(c) of the Bankruptcy Code.

(f) Notwithstanding any other provision in the Plan, the Liquidating Trust shall not retain and may not enforce any cause of action, whether based upon 11 U.S.C. §§ 547 and 548 or otherwise, against either the United States or any DOJ/AG Settling States under the DOJ/AG Settlement, for any transaction required by the DOJ/AG Settlement, whether arising before or after the Petition Date.

(g) To the extent the Debtors or the Liquidating Trust are found liable for any obligations arising out of a Final Order or settlement in Commonwealth of Massachusetts v. Bank of America, N.A., et al. (Civ. A. No. 11-4363) currently pending in the Superior Court of Massachusetts, Suffolk County, all parties reserve their rights with regard to enforcement of such obligations against the Debtors or the Liquidating Trust. The aforementioned civil action is referenced in proofs of claim numbers 6025, 6028 and 6033.

46. **Limitation on Obligations to the Ally Released Parties.** Except with respect to the Debtors' and the Liquidating Trust's obligations to Ally as specifically set forth in the Plan (including their obligations to perform under the Ally Contracts in accordance with their terms), on and after the Effective Date the Debtors and the Plan Trusts shall have no other obligations to the Ally Released Parties.

47. **Executory Contracts and Unexpired Leases.**

(a) The Executory Contract and Unexpired Lease provisions of Article V of the Plan are specifically approved in all respects, are incorporated herein in their entirety and are so ordered. The Debtors are authorized to assume, assign and/or reject Executory Contracts or Unexpired Leases in accordance with Article V of the Plan.

(b) Pursuant to Article V of the Plan, on the Effective Date each Executory Contract and Unexpired Lease not previously assumed shall be deemed automatically rejected

pursuant to sections 365 and 1123 of the Bankruptcy Code unless any such Executory Contract or Unexpired Lease: (i) is expressly identified on the Assumption Schedule; (ii) has been previously assumed by the Debtors by Final Order or has been assumed by the Debtors by order of the Bankruptcy Court as of the Effective Date, which order becomes a Final Order after the Effective Date; (iii) is the subject of a motion to assume pending as of the Effective Date; or (iv) is otherwise assumed pursuant to the terms of the Plan. This Order will constitute an order of the Court approving such rejections pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date or as otherwise set forth in the Plan Supplement.

(c) Unless withdrawn from the Assumption Schedule by the Plan Proponents prior to the Effective Date, each Executory Contract and Unexpired Lease identified on the Assumption Schedule shall be deemed assumed pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date or as otherwise set forth in the Plan Supplement.

(d) Any request for payment of a Cure Claim that is not timely filed and served shall be disallowed automatically, forever barred and not be enforceable against any Debtor or the Liquidating Trust, without the need for an objection by the Debtors or the Liquidating Trust or order of the Court. The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, may settle any dispute on the amount of a Cure Claim without further notice to any party or action, approval, or order of the Bankruptcy Court. If the Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, object to any request for payment of a Cure Claim, the Bankruptcy Court shall determine the Allowed amount of such Cure Claim and any related issues. Unless the parties to the Executory Contract or Unexpired Lease agree otherwise, all disputed defaults that are required to be cured shall be cured by the later of (i) ten (10) days after entry of a Final Order

determining the amount, if any, of the Debtors' liability with respect thereto and (ii) the Effective Date. The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, reserve the right either to reject or nullify the assumption of any Executory Contract or Unexpired Lease no later than thirty (30) days after a Final Order determining a Cure Claim greater than that proposed by the Debtors.

(e) Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the date the Debtors or the Liquidating Trust assume such Executory Contract or Unexpired Lease. Any proofs of claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court.

(f) Notwithstanding anything herein or in the Plan to the contrary, and subject to approval by the Bankruptcy Court, the parties to the *Stipulation (I) Resolving the Objection to Confirmation of Impac Funding Corporation, and Impac Mortgage Holdings, Inc., and (II) Resolving Impac's Objection to and Providing for the Sale, Assumption and Assignment of Certain Servicing Agreements to Ocwen Loan Servicing, LLC* (ECF Doc. # 6059) shall perform their obligations thereunder in accordance with the terms thereof.

(g) Notwithstanding anything to the contrary herein or in the Plan and based upon the information available to the Debtors as of the date hereof, in order to resolve *Oracle's Limited Objection and Reservation of Rights Regarding Joint Chapter 11 Plan Proposed by*

Residential Capital, LLC, et al., and the Official Committee of Unsecured Creditors (ECF Doc. # 5404), the Debtors have agreed as follows: The Debtors have endeavored to list all agreements between one or more of the Debtors and Oracle America, Inc. (including any of its predecessors-in-interest) ("Oracle") that they seek to have transferred to the Liquidating Trust on the Assumption Schedule, as amended, filed in connection with the Plan. Any agreements presently existing between any of the Debtors and Oracle that are not listed on the Assumption Schedule or that are subsequently removed from the Assumption Schedule shall be deemed rejected (the "Oracle Rejected Agreements") as of the Effective Date of the Plan ("Rejection Date"). For any and all of the Oracle Rejected Agreements: (a) on the Rejection Date, the Debtors shall immediately cease use of all Oracle software and services subject to the Oracle Rejected Agreements; (b) as soon as practicable after the Rejection Date, to the extent required by the Oracle Rejected Agreements, the Debtors shall use commercially reasonable efforts to cause their agents to scrub, remove and expunge all Oracle software that is subject to the Oracle Rejected Agreements and any portions thereof from all computers, hardware, servers, mainframes and storage media and devices on which it is located (with no copies retained by the Debtors); and (c) if requested by Oracle, the Debtors shall certify in writing that the Debtors or their agents have complied with the obligations in (a) and (b) herein within sixty (60) days of the Rejection Date. The Debtors agree to execute customary assignments in connection with any Oracle agreements assigned to the Liquidating Trust.

48. **Preservation of Causes of Action.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan (including pursuant to the Plan Support Agreement), or by a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Borrower Claims Trust with respect to Borrower-

Related Causes of Action, and the Liquidating Trust with respect to all other Causes of Action, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors or the Debtors' Estates, whether arising before or after the Petition Date, including, without limitation, any Causes of Action specifically enumerated in the Plan Supplement, and the Liquidating Trust's and Borrower Claims Trust's respective rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Liquidating Trust and the Borrower Claims Trust may pursue their respective Causes of Action, as appropriate, in accordance with the best interests of the respective Trust. **No Entity may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against such Entity as any indication that the Liquidating Trust or Borrower Claims Trust, as the case may be, will not pursue any and all available Causes of Action against such Entity. The Liquidating Trust and the Borrower Claims Trust, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Liquidating Trust expressly reserves all Causes of Action other than Borrower-Related Causes of Action, and the Borrower Claims Trust expressly reserves all Borrower-Related Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation, the Global Settlement, the Plan Settlements, or Consummation. For the avoidance of doubt, the Plan does not release any Causes of Action that the Plan Proponents or the Liquidating Trust or

Borrower Claims Trust have or may have now or in the future against any Entity other than the Released Parties (and only in their capacity as Released Parties). The Liquidating Trustees and the Borrower Claims Trustee, as applicable, are deemed representatives of the Estates for the purpose of prosecuting, as applicable, the Liquidating Trust Causes of Action, Borrower-Related Causes of Action and any objections to Claims pursuant to section 1123(b)(3)(B) of the Bankruptcy Code.

49. Except as otherwise provided in the Plan or in a Final Order, the Liquidating Trust reserves and shall retain Causes of Action notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that the Debtors may hold against any Entity that is not released under the Plan or a separate settlement approved by Final Order shall vest in the Borrower Claims Trust with respect to Borrower-Related Causes of Action and in the Liquidating Trust with respect to all other Causes of Action. The Liquidating Trust and Borrower Claims Trust, as the case may be, through their respective authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Liquidating Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Causes of Action other than Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court. The Borrower Claims Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any

third party or any further notice to or action, order, or approval of the Bankruptcy Court. In pursuing any claim, right, Cause of Action or objection, the Liquidating Trust or the Borrower Claims Trust shall be entitled to the tolling provisions provided under section 108 of the Bankruptcy Code, and shall succeed to the Debtors' rights with respect to the time periods in which a Cause of Action may be brought under section 546 of the Bankruptcy Code.

50. **Claims Bar Dates and Other Claims Matters.**

(a) **Bar Date.** Except as otherwise agreed by the Debtors, the Liquidating Trust, or the Borrower Claims Trust, as applicable, or ordered by the Bankruptcy Court, any and all Proofs of Claim filed after the applicable Bar Date shall be deemed disallowed, discharged, released, and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and holders of such claims may not receive any distributions on account of such claims, unless such late Proof of Claim is deemed timely filed by a Final Order of the Bankruptcy Court.

(b) **Professional Claims.** All requests for compensation or reimbursement of Professional Claims (other than Professional Claims for the Examiner and the Professionals retained by the Examiner) accrued through the Effective Date shall be Filed no later than seventy-five (75) days after the Effective Date, and any final hearing on any request for compensation or reimbursement of Professional Claims accrued through the Effective Date, unless authorized by final order prior to the Effective Date, shall occur no sooner than sixty (60) days after the filing of such final requests for compensation or reimbursement, and the deadline to object to such requests shall be no sooner than ten (10) days before any hearing on such request.

(c) Other than as set forth herein or in the Plan, the procedures set forth in the Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals (the “Interim Compensation Order”) (ECF Doc. # 797) shall remain in effect through the Effective Date.

(d) **Bar Date for Rejection Claims.** Claims arising from the rejection of Executory Contracts or Unexpired Leases must be Filed with the Court no later than the Rejection Damages Claims Bar Date, which is: (a) with respect to an Executory Contract or Unexpired Lease that is rejected pursuant to the Plan, forty-five (45) days after the Effective Date, or (b) with respect to an Executory Contract or Unexpired Lease that is otherwise rejected, the applicable bar date established by the Bar Date Order or other order of the Bankruptcy Court. For the avoidance of doubt, all Allowed Claims arising from the rejection of Executory Contracts or Unexpired Leases shall be treated as General Unsecured Claims against the applicable Debtor Groups.

(e) Any Claims arising from the rejection of Executory Contracts or Unexpired Leases that are not timely filed shall be disallowed automatically, forever barred from assertion, and shall not be enforceable against the Debtors, the Liquidating Trust, or their assets or properties without the need for any objection by the Liquidating Trust or further notice to, or action, order, or approval of the Bankruptcy Court.

(f) **Administrative Claim Bar Date.** Except as provided for in the Plan, this Confirmation Order, or in any order of the Bankruptcy Court, and subject to section 503(b)(1)(D) of the Bankruptcy Code, holders of Administrative Claims that arose prior to the Effective Date (other than holders of Administrative Claims paid in the ordinary course of business, holders of Professional Claims, holders of Claims for fees and expenses pursuant to section 1930 of chapter

123 of title 28 of the United States Code, and holders of Postpetition Intercompany Balances) must File and serve on the Plan Proponents or the Liquidating Trust, as applicable, requests for the payment of such Administrative Claims not already Allowed by Final Order in accordance with the procedures specified in the Confirmation Order, on or before the first Business Day that is thirty (30) days following the Effective Date, or be forever barred, estopped, and enjoined from asserting such Claims against the Debtors, the Plan Trusts, or their assets or properties, and such Claims shall be deemed discharged as of the Effective Date.

(g) **Statutory Fees.** Notwithstanding anything to the contrary contained in the Plan, on the Effective Date or as soon as practicable thereafter, the Liquidating Trust shall pay all U.S. Trustee Fees that are due and owing on the Effective Date. For the avoidance of doubt, nothing in the Plan shall release the Liquidating Trust from its obligation to pay all U.S. Trustee Fees due and owing after the Effective Date before a Final Order is entered by the Bankruptcy Court concluding or closing the Chapter 11 Cases.

51. **No Change in Control.** Pursuant to Article V.F. of the Plan, the consummation of the Plan or the assumption of any Executory Contract or Unexpired Lease is not intended to, and shall not, constitute a change in ownership or change in control under any employee benefit plan or program, financial instrument, loan or financing agreement, Executory Contract or Unexpired Lease or contract, lease or agreement in existence on the Effective Date to which a Debtor is a party.

52. **Cancellation of Existing Securities.** Subject to Article IV.C.8 of the Plan and the assumption of Executory Contracts and Unexpired Leases as set forth in the Plan, and except for purposes of evidencing a right to distributions under the Plan or in order to prosecute preserved Causes of Action, on the Effective Date, all notes, stock, instruments, certificates,

indentures, guarantees, and other documents or agreements evidencing a Claim against or Equity Interest in the Debtors will be deemed automatically cancelled with respect to the Debtors and shall be of no further force or effect as against the Debtors, whether such document is surrendered for cancellation or not, and the obligations of Ally, the Debtors, or the Liquidating Trust, thereunder or in any way related thereto will be discharged.

53. Notwithstanding anything to the contrary in the Plan, (i) the Senior Unsecured Notes Indenture will continue in effect for the limited purposes of: (a) allowing the Senior Unsecured Noteholders to receive distributions on account of their Senior Unsecured Notes Claims, and (b) allowing the Senior Unsecured Notes Indenture Trustee to make distributions in accordance with the terms of the Plan, to fund the Senior Unsecured Notes Indenture Trustee Reserve, and to exercise its Senior Unsecured Notes Indenture Trustee Charging Lien against distributions under the Plan and against the Senior Unsecured Notes Indenture Trustee Reserve for payment of Senior Unsecured Notes Indenture Trustee Fees and Expenses; (ii) the First Priority Security Agreement will continue in effect for the limited purposes of allowing the First Priority Collateral Agent to exercise its First Priority Collateral Agent Lien for the payment of First Priority Collateral Agent Fees and Expenses; and (iii) all JSN Documents shall be deemed automatically canceled and discharged on the Effective Date, provided, however, that the JSN Documents shall continue in effect solely for the purposes of (x) allowing the holders of the Junior Secured Notes Claims to receive distributions on account of their Junior Secured Notes Claims as provided in the Plan, (y) allowing the Junior Secured Notes Indenture Trustee to make the distributions to be made on account of the Junior Secured Notes Claims in accordance with Article VII.G of the Plan; and (z) permitting the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distributions for payment

of the Junior Secured Notes Indenture Trustee Fees and the Junior Secured Notes Collateral Agent Fees and Expenses.

54. **Treatment of Intercreditor Agreement.** The Intercreditor Agreement shall be deemed automatically cancelled and discharged upon the Effective Date. Upon the occurrence of the Effective Date, no Ally Party shall be entitled to receive any portion of the Junior Secured Notes Distribution and no Person may directly or indirectly interfere in any manner with the distribution of the Junior Secured Notes Distribution to the Junior Secured Noteholders in accordance with Article VII.G of the Plan.

55. **Escrow Agreement.** Subject to paragraph 16 of that certain Escrow Agreement made and entered into as of January 3, 2013 by and among GMACM, AFI, and U.S. Bank National Association, a national banking association (the “Escrow Agreement”) and the Compensation Order, GMACM, and its successors and assigns, shall comply with all applicable regulatory and statutory requirements, including any requirements under the Troubled Asset Relief Program, when distributing funds pursuant to the Compensation Order.

56. **Binding Effect of Prior Orders.** Pursuant to section 1141 of the Bankruptcy Code, effective as of the Confirmation Date, but subject to the occurrence of the Effective Date and subject to the terms of the Plan and this Order, all prior orders entered in the Chapter 11 Cases, all documents and agreements executed by the Debtors as authorized and directed thereunder and all motions or requests for relief by the Debtors pending before the Court as of the Effective Date shall be binding upon and shall inure to the benefit of any parties thereto, including the Debtors, the Plan Trusts, and any heir, executor, administrator, successor or assign, Affiliate, officer, director, agent, representative, attorney, beneficiaries, or guardian, if any, of each Entity.

57. **Reversal.** If any or all of the provisions of this Order are hereafter reversed, modified or vacated by subsequent order of this Court or any other court, such reversal, modification or vacatur shall not affect the validity of the acts or obligations incurred or undertaken under or in connection with the Plan prior to the Debtors' receipt of written notice of such order. Notwithstanding any such reversal, modification or vacatur of this Order, any such act or obligation incurred or undertaken pursuant to, and in reliance on, this Order prior to the effective date of such reversal, modification or vacatur shall be governed in all respects by the provisions of this Order and the Plan and all related documents or any amendments or modifications thereto.

58. **Notice of Confirmation of the Plan and Occurrence of the Effective Date.** Pursuant to Bankruptcy Rules 2002(f)(7) and 3020(c)(2), the Plan Proponents or the Liquidating Trust are directed to serve a notice of the entry of this Order and notice of the occurrence of the Effective Date, substantially in the form of Appendix 2 attached hereto and incorporated herein by reference (the "Confirmation Notice and Notice of Effective Date"), upon (a) all parties listed in the creditor matrix maintained by KCC and (b) such additional persons and entities as deemed appropriate by the Plan Proponents, no later than five (5) Business Days after the Effective Date. The Plan Proponents shall publish the Confirmation Notice and Notice of Effective Date in each of the national editions of the *Wall Street Journal* and *USA Today* within seven (7) Business Days after the Effective Date. As soon as practicable after the entry of this Order, the Plan Proponents shall make copies of this Order available on the Debtors' restructuring website at www.kcellc.net/rescap. As soon as practicable after the Effective Date, the Plan Proponents shall make copies of the Confirmation Notice and Notice of Effective Date available on the Debtors' restructuring website at www.kcellc.net/rescap.

59. **Notice of Administrative Claim Bar Date.** The Plan Proponents or the Liquidating Trust are directed to serve a notice of Administrative Claim Bar Date, substantially in the form of Appendix 3 attached hereto and incorporated by reference (the “Administrative Claim Bar Date Notice”) upon (a) all parties listed in the creditor matrix maintained by KCC and (b) such additional persons and entities as deemed appropriate by the Plan Proponents, no later than five (5) Business Days after the Effective Date; provided, however, that with respect to (a) above, those Entities whose Claims have been expunged from the Debtors’ official claims register as of the Confirmation Date, shall not be entitled to service of the Administrative Claim Bar Date Notice and neither the Plan Proponents nor the Liquidating Trust shall be under any obligation to serve such Entities with the Administrative Claim Bar Date Notice. As soon as practicable after the Effective Date, the Plan Proponents shall make copies of the Administrative Claim Bar Date Notice available on the Debtors’ restructuring website at www.kccllc.net/rescap.

C. Summary of Classification and Class Identification

i. Except for Claims addressed in Article II, all Claims and Equity Interests are classified in the Classes set forth in this Article III in accordance with section 1122 of the Bankruptcy Code. A Claim or Equity Interest is classified in a particular Class only to the

extent that the Claim or Equity Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Equity Interest qualifies within the description of such other Classes. A Claim or Equity Interest is also classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim or Equity Interest is an Allowed Claim or Allowed Equity Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date. The Plan groups the Debtors into three Debtor Groups (the ResCap Debtors, the GMACM Debtors and the RFC Debtors) solely for purposes of describing treatment under the Plan and making distributions under the Plan. Such grouping shall not affect any Debtor's status as a separate legal entity, change the organizational structure of the Debtors' business enterprise, constitute a change of control of any Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets; and, except as otherwise provided by or permitted in the Plan, all Debtors shall continue to exist as separate legal entities. For voting purposes, each Class of the Debtor Groups will contain sub-classes for each of the Debtors within a particular Debtor Group (*e.g.*, there will be three (3) sub-Classes for each Class of the ResCap Debtors, twenty-one (21) sub-Classes for each Class of the GMACM Debtors (provided, that, in lieu of Class GS-4A, the Plan for ETS contains a sub-Class, Class GS-4B, for ETS Unsecured Claims), and twenty-seven (27) sub-Classes for each Class of the RFC Debtors, and many of the sub-Classes may be vacant). Notwithstanding the foregoing, the Plan Proponents reserve the right to seek approval of the Bankruptcy Court to consolidate any two or more Debtors for purposes of administrative convenience, provided that such consolidation does not materially and adversely impact the amount of distributions to any Person under the Plan and is in accordance with the terms of the Plan Support Agreement.

iii. Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for the purposes of Confirmation by acceptance of the Plan by an Impaired Class of Claims; provided, however, that in the event no holder of a Claim with respect to a specific Class for a particular Debtor timely submits a Ballot indicating acceptance or rejection of the Plan, such Class will be deemed to have accepted the Plan. The Plan Proponents shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Equity Interests. n) Each Debtor agrees to compromise Intercompany Balances and such Claims shall not be entitled to receive any recovery under the Plan.

B. Ally Settlement

Ally shall pay the Estates the Ally Contribution in accordance with the Plan. In exchange for Ally's contributions to the Chapter 11 Cases, including the Ally Contribution, Ally shall be entitled to the following consideration:

- a) Debtor Releases;
- b) Third Party Releases;
- c) Settlement of Debtors' Rights to and Under Settlement Insurance Policies: The Debtors (i) agree to permit Ally exclusively to recover under the Settlement Insurance Policies; (ii) relinquish in favor of Ally and its Representatives all coverage that might otherwise belong to, or inure to the benefit of, the Debtors under such Settlement Insurance Policies; (iii) shall, at Ally's discretion, assign, and seek an Order of the Bankruptcy Court permitting the assignment, to Ally of any and all of the Debtors' rights under the Settlement Insurance Policies with respect to any claims made against the Debtors or their Representatives prior to or during the bankruptcy, including each of the claims set forth on a schedule to Exhibit B to the Plan Support Agreement; and (iv) shall cooperate fully with Ally, in order to help maximize Ally's recovery under the Settlement Insurance Policies with respect to claims against the Debtors or their Representatives.

The Debtors shall retain their rights as insureds under the existing Ally general liability and workers' compensation insurance policies for bodily injury and property damage claims to the extent covered by those insurance policies. By the Effective Date, the Debtors shall be required to have purchased their own insurance policies (including general liability and workers' compensation insurance) to cover all risks of loss, damage or injury (including bodily injury and property damage) occurring on or after the Effective Date. For the avoidance of doubt, there is no obligation for Ally to provide insurance under the Plan, or otherwise.

Notwithstanding anything to the contrary herein, nothing in the Plan or Confirmation Order shall release, enjoin, or preclude any Representative of the Debtors from pursuing any

rights a Representative of the Debtors may have (i) to indemnification or advancement from Ally solely for any claims that are not released by the Plan and the Confirmation Order; or (ii) as an “insured” under any insurance coverage purchased by Ally or covering Representatives of the Debtors, or against any party (other than the Debtors) arising out of such policies of insurance, solely for any claims that are not released herein and in the Confirmation Order. For the avoidance of doubt, nothing in this Plan expands or reduces any existing indemnification rights or rights as an “insured” for any Representative of the Debtors for claims that are not released by the Plan.

For the avoidance of doubt, the releases in the Plan shall not extend to any rights, defenses, or counterclaims, under any directors & officers or errors & omissions insurance policies sold by any of the Consenting Claimants or their affiliates and covering either Debtors or any of the Ally Released Parties. Nor do the releases herein extend to any indemnity rights against non-Ally Released Parties arising out of the Kessler Class Action or to any other indemnity right against non-Ally Released Parties arising out of any other claims of Borrowers; specifically, the releases do not extend to any indemnity rights RFC may have against any non-Ally Released Party that is a successor in interest to CBNV and GNBT, including, but not limited to, those indemnity rights extending out of the Client Contracts between RFC, on the one hand, and either CBNV or GNBT, on the other hand, which incorporate by reference the indemnity provisions of RFC’s AlterNet Seller Guide.

No rights of the Consenting Claimants are released under the Plan in their capacity as liability insurance or reinsurance carriers for Ally or the Debtors, to the extent applicable. In addition, nothing herein or in the Confirmation Order shall impair any of the Debtors’ or any Borrower or former Borrower’s rights or remedies (including the GM Insurance Rights) under or with respect to insurance policies other than the Settlement Insurance Policies (as assigned in the Plan), including but not limited to the GM Policies.

With respect to the Settlement Insurance Policies, the Confirmation Order shall contain language regarding the settlement of insurance that is reasonably acceptable to Ally, the Plan Proponents, and the Consenting Claimants.

d) Release of Funds: On the Effective Date, the Debtors will (i) transfer the funds held in the Ally Indemnity Escrow Account to Ally, and (ii) remit the Misdirected Funds to Ally, and Ally shall release the approximately \$1.787 million in Cash that was overfunded by the Debtors prior to the Petition Date and which is currently held by Ally.

e) Regulatory Obligations: Through the Effective Date, the Debtors shall perform all respective obligations under the DOJ/AG Settlement, the Consent Order, and the Order of Assessment, including, for the avoidance of doubt, satisfying the settlement of the foreclosure review obligations under the Consent Order, fulfilling all specific performance obligations, and satisfying all monetary obligations in full in Cash; provided, however, that the Debtors shall not be obligated to perform those obligations under the DOJ/AG Settlement and the Consent Order that Ocwen or Walter is obligated to perform under the Ocwen APA. On and after the Effective Date, the Liquidating Trust shall assume all rights and perform all obligations of the Debtors under the Ocwen APA, the DOJ/AG Settlement, the Consent Order, and the Order of Assessment (including as set forth above) other than those obligations under the DOJ/AG

Settlement and the Consent Order that Ocwen or Walter is obligated to perform under the Ocwen APA. For the avoidance of doubt, as of the Effective Date, Ally shall have no obligations under the Consent Order and the Order of Assessment; any monetary obligations of Ally under the DOJ/AG Settlement are governed by Article IX.D, IX.E and IX.I of the Plan. Nothing set forth herein is intended to or shall be deemed to modify any right or obligation of Ocwen or Walter with respect to the DOJ/AG Settlement and the Consent Order, each of which shall be governed in all respects by the provisions of the Ocwen APA.

f) *Treatment of Ally Contract Claims.* On the Effective Date, the Ally Contract Claims shall be presumptively Allowed in full and the Debtors shall pay such Claims in full in Cash. The parties to the Ally Contracts shall perform under such contracts in accordance with the terms of such contracts and orders of the Bankruptcy Court. For the avoidance of doubt, the parties' performance under each Ally Contract shall terminate in accordance with the terms of such contract and orders of the Bankruptcy Court, subject to an agreement among the Debtors, the Creditors' Committee, and Ally to otherwise terminate such contract. Ally shall provide to the Plan Proponents a good-faith estimate of the Ally Contract Claims on or about August 15, 2013; and every month thereafter until the Effective Date, provided, for the avoidance of doubt, such estimate shall be non-binding on Ally and subject to change. Except with respect to the Debtors' and the Liquidating Trust's obligations to Ally as specifically set forth in the Plan (including their obligations to perform under the Ally Contracts in accordance with their terms), on and after the Effective Date the Debtors and the Plan Trusts shall have no other obligations to the Ally Released Parties. In the event that before Confirmation of the Plan, Ally identifies claims that arose prior to the Petition Date under the Ally Contracts, the Plan Proponents and Ally agree to negotiate in good faith with respect to the treatment of such claims under the Plan. Nothing herein will be deemed an assumption of the Ally Contracts.

The consideration set forth above and the rights and obligations accorded elsewhere in this Plan to Ally shall constitute the compromise and settlement under Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code in exchange for the consideration provided by Ally, and shall further constitute the Bankruptcy Court's finding that such consideration to Ally is: (1) in exchange for the good, valuable and substantial consideration from the Ally Released Parties; (2) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (3) a good faith settlement and compromise of the claims released under the Plan; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a hearing; (6) justified by truly unusual circumstances; (7) an essential component and critical to the success of the Plan; (8) resulting in distributions to the creditors that would otherwise have been unavailable; (9) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (10) a bar to the Debtors, the Liquidating Trust, in the case of the Debtor Releases, and any party asserting a claim or cause of action released against any of the Ally Released Parties in connection with the Third Party Release.

C. RMBS Settlement

Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of the RMBS Settlement, on terms set forth herein. The Global Settlement constitutes a good faith compromise and settlement of all

objections to the Original RMBS Settlement Agreements by the Creditors' Committee and Consenting Claimants, as applicable, and all such objections shall be deemed withdrawn with prejudice upon entry of the Confirmation Order.

1. Modification of Original RMBS Settlement Agreements. The Original RMBS Settlement Agreements are hereby expanded to include all RMBS Trusts holding RMBS Trust Claims and are otherwise modified as set forth herein.

2. Allowance of RMBS Trust Claims and Distribution of Units to the RMBS Claims Trust for the benefit of the RMBS Trusts.

(a) Entry of the Confirmation Order shall constitute approval of the Allowed amount of the RMBS Trust Claims as non-subordinated Unsecured Claims, subject only to the Allowed Fee Claim, in the aggregate amounts of (i) \$209.8 million against the GMACM Debtors; (ii) \$7,091.2 million against the RFC Debtors; and (iii) \$0 against the ResCap Debtors. On account of the Allowed RMBS Trust Claims, the RMBS Claims Trust shall receive (i) its Pro Rata Share of the GMACM Debtors Unit Distribution (the "GMACM Pool") and (ii) its Pro Rata Share of the RFC Debtors Unit Distribution (the "RFC Pool"), provided, however, 5.7% of the Allowed RMBS Trust Claims, including the Units to be distributed on account thereof (and any Distributable Cash thereon), shall be directly allocated to counsel for the Institutional Investors, without conveyance to the RMBS Claims Trust, the RMBS Trustees, or the RMBS Trusts, as the Allowed Fee Claim, in accordance with Article IV.C.6 of this Plan.

(b) Notwithstanding anything to the contrary contained in the Plan, including but not limited to the approval of the Allowed amounts of the Claims held by RMBS Trust against the GMACM Debtors, the RFC Debtors and the ResCap Debtors described in the preceding paragraph, the Units distributed to the RMBS Claims Trust shall be reallocated in accordance with Section 3 below.

3. RMBS Trust Allocation Protocol. The Units distributed to the RMBS Claims Trust, pursuant to Article IV.C.2(a) shall be re-allocated between the GMACM Pool and the RFC Pool as provided in subparagraph (b) below, and subsequent distributions from the RMBS Claims Trust of such Units or Distributable Cash received from the Liquidating Trust as distributions on such Units, as so reallocated, shall be made to the RMBS Trusts pursuant to subparagraphs (c) and (d) below. In no event shall the provisions of this paragraph 3 entitle the RMBS Claims Trust to a distribution any more or any less than the Units described in Article IV.C.2(a), Article III or other applicable provisions of the Plan.

(a) Recognized RMBS Trust Claims.

(i) **Recognized Cure Claims.** For each RMBS Trust whose Servicing Agreement was assumed by the applicable Debtor, the Recognized cure claims for servicing damages against any of the GMACM Debtors are listed on Schedule 1-G (the "GMACM Recognized Cure Claims") and the Recognized Cure Claims for Servicing Damages against any of the RFC Debtors are listed on Schedule 1-R (the "RFC Recognized Cure Claims"), together with the GMACM Recognized

Cure Claims, the “Recognized Cure Claims”). The Recognized Cure Claims do not include servicing damage claims arising under any Servicing Agreement that was not assumed by the applicable Debtor by the Effective Date pursuant to a Final Order, for any reason, including the following: (a) prior to the Petition Date, the applicable Debtors transferred all of its servicing obligations for the RMBS Trust to a non-Debtor servicer; (b) prior to the Petition Date, the applicable Debtor ceased servicing all mortgage loans in the RMBS Trust, either because the RMBS Trust was wound up or otherwise; or (c) after the Petition Date, the applicable Debtor chose not to assume the Servicing Agreement.

(ii) **Recognized R+W Claims**

(1) *Recognized Original R+W Claims.* For each of the Original Settling RMBS Trusts, the Recognized R+W Claims against GMACM are listed on Schedule 2-G (the “GMACM Recognized Original R+W Claims”) and the Recognized R+W claims against RFC are listed on Schedule 2-R (the “RFC Recognized Original R+W Claims,” together with the GMACM Recognized Original R+W Claims, the “Recognized Original R+W Claims”).

(2) *Recognized Additional R+W Claims.* For each of the Additional Settling RMBS Trusts, the Recognized R+W Claims against GMACM are listed on Schedule 3-G (the “GMACM Recognized Additional R+W Claims”) and the Recognized R+W Claims against RFC are listed on Schedule 3-R (the “RFC Recognized Additional R+W Claims,” together with the GMACM Recognized Additional R+W Claims, the “Recognized Additional R+W Claims”).

(iii) **Recognized Unsecured Servicing Claims.** For each RMBS Trust whose Servicing Agreement was not assumed by the applicable Debtor by the Effective Date pursuant to a Final Order, the Recognized Unsecured Claims for servicing damages against GMACM are listed on Schedule 4-G (the “GMACM Recognized Unsecured Servicing Claims”), and the Recognized Unsecured Claims for servicing damages against RFC are listed on Schedule 4-R (the “RFC Recognized Unsecured Servicing Claim,” together with the GMACM Recognized Unsecured Servicing Claim, the “Recognized Unsecured Servicing Claims”).

(iv) **Effect of Monoline Insurance on Recognized Claims.** If an RMBS Trust (i) is an Insured RMBS Trust and (ii) has made policy claims against its Monoline and as of the Effective Date has received full payment of such claims, the Recognized Claim of such RMBS Trust

will be set to zero, unless (a) such Insured RMBS Trust is one for which the sum of the net unreimbursed insurance payments, the accrued and unpaid losses, and projected future policy payments is zero or close to zero, (b) such Insured RMBS Trust contains one or more unwrapped tranches of securities that rank senior or equal in priority to tranches insured by a Monoline, in which case the portion of such Insured RMBS Trust's Claims allocable to such unwrapped tranches shall not be set to zero (or, when applicable to the following sentence, shall not be reduced) and any distribution on such unwrapped tranches shall be allocable only to such unwrapped tranches, or (c) the RMBS Trustees, with the advice of Duff, reasonably determine that, based on a particular RMBS Trust's structure, it would be unfair or inequitable to set the Recognized Claim to zero or, when applicable to the following sentence, it would be unfair to reduce the Recognized Claim (each of (a), (b) or (c), an "Insured Exception"), in each case as determined by Duff. If an RMBS Trust (i) is an Insured RMBS Trust and (ii) has made policy claims against its Monoline and, as of the Effective Date has not received full payment of such claims, the Recognized Claims of such RMBS Trusts will be reduced to take into account the value of partial payments made (or expected to be made) by such Monoline, if any, on such claims, unless an Insured Exception applies as determined by Duff as of the Effective Date.

- (v) **Necessity of a Timely Filed Proof of Claim.** An RMBS Trust will not have any Recognized Claim unless a Proof of Claims asserting an RMBS R+W Claim or an RMBS Cure Claim, as applicable, was timely filed for that RMBS Trust.

(b) Reallocation of Units from the RFC Pool to the GMACM Pool. The number of Units distributed to the GMACM Pool and the RFC Pool is a function of the approval of the Allowed Amounts of the Unsecured Claims held by the RMBS Trusts against the Debtor Groups as provided in Article IV.C.3(a), but, as an integral part of the RMBS Settlement, the Units to be held in the GMACM Pool and the RFC Pool shall be determined based on the amount of the GMACM Recognized Cure Claims, the RFC Recognized Cure Claims, the GMACM Recognized Original R+W Claims, the RFC Recognized Original R+W Claims, the GMACM Recognized Additional R+W Claims, the RFC Recognized Additional R+W Claims, the GMACM Recognized Servicing Claims and the RFC Recognized Servicing Claims. Based on calculations prepared by Duff (taking into account the allocation of the Allowed Fee Claim), 2,949,494 Units³ (together with any cash distributions, if any, on such Units made prior to the reallocation of Units contemplated by this paragraph) shall be moved from the RFC Pool to the GMACM Pool.

(c) Allocations of Units in the GMACM Pool to RMBS Trusts with Recognized Claims against GMACM. For purposes of allocations of Units held in the GMACM Pool to

³ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.K.

RMBS Trusts having Recognized Claims against GMACM, Duff shall calculate the aggregate value of each such RMBS Trust's Recognized Claims as of the Effective Date as follows: (i) GMACM Recognized Cure Claims shall be valued at 100% of the GMACM Recognized Cure Claims, if any, for such RMBS Trust shown on the applicable RMBS Trust Claims Schedules; (ii) GMACM Recognized Original R+W Claims, GMACM Recognized Additional R+W Claims and GMACM Recognized Unsecured Servicing Claims of such RMBS Trust, if any, will be valued at 16.7%⁴ of the GMACM Recognized Original R+W Claims, GMACM Recognized Additional R+W Claims, and GMACM Recognized Unsecured Servicing Claims shown on the applicable RMBS Trust Claims Schedules; and (iii) the values so calculated will be summed for each such RMBS Trust (the "GMACM Weighted Claim"). All distributions from the RMBS Claims Trust from the GMACM Pool to RMBS Trusts with Recognized Claims against GMACM will be based on the percentage that such RMBS Trust's GMACM Weighted Claim has to the total of all of the GMACM Weighted Claims.

(d) Allocations of Units in the RFC Pool to RMBS Trusts with Recognized Claims against RFC. For purposes of allocations of Units held in the RFC Pool to RMBS Trusts having Recognized Claims against RFC, Duff shall calculate the aggregate value of each such RMBS Trust's Recognized Claims as of the Effective Date as follows: (i) RFC Recognized Cure Claims shall be valued at 100% of the RFC Recognized Cure Claims, if any, for such RMBS Trust shown on the applicable RMBS Trust Claims Schedules, (ii) RFC Recognized Original R+W Claims, RFC Recognized Additional R+W Claims and RFC Recognized Unsecured Servicing Claims of such RMBS Trust, if any, will be valued at 5.34%⁵ of the RFC Recognized Original R+W Claims, RFC Recognized Additional R+W Claims, and RFC Recognized Unsecured Servicing Claims shown on the applicable RMBS Trust Claims Schedules, and (iii) the values so calculated will be summed for each such RMBS Trust (the "RFC Weighted Claim"). All distributions from the RMBS Claims Trust from the RFC Pool to RMBS Trusts with Recognized Claims against RFC will be based on the percentage that such RMBS Trust's RFC Weighted Claim has to the total of all of the RFC Weighted Claims.

(e) Distributions as Subsequent Recoveries. All distributions from the GMACM Pool or the RFC Pool on account of any Recognized RMBS Claim shall be treated as "Subsequent Recoveries," as that term is defined in the applicable governing agreement for that RMBS Trust; provided that if the governing agreement for a particular RMBS Trust does not include the term "Subsequent Recovery," the distribution resulting from any Recognized Claim shall be distributed as though it was unscheduled principal available for distribution on that distribution date; provided, however, that should the Bankruptcy Court determine that a different treatment is required to conform the distributions to the requirements of the governing agreements, that determination shall govern and shall not constitute a material change to this Plan. Notwithstanding the forgoing or anything to the contrary in any governing agreement, no distributions from the GMACM Pool or the RFC Pool will be paid over to any Monoline.

4. Monoline Reservation. Each Insured RMBS Trust shall retain the ability to enforce its rights, in the Bankruptcy Court or otherwise, against any Monoline (other than FGIC)

⁴ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.K.

⁵ Subject to adjustment after the Unit Issuance Percentages are adjusted as contemplated by Art. IV.K.

that does not, in the future, perform in accordance with an insurance policy for the benefit of that RMBS Trust.

5. RMBS Trustee Fees and Expenses. In addition to distributions made on account of RMBS Trust Claims, the RMBS Trustees will be paid in full in Cash on the Effective Date for their reasonable pre- and post-petition fees and expenses, pursuant to the provisions of and subject to the procedures set forth in the *Final Supplemental Order (I) Authorizing the Debtors to Continue Implementing Loss Mitigation Programs; (II) Approving Procedures for Compromise and Settlement of Certain Claims, Litigations and Causes of Action; (III) Granting Limited Stay Relief to Permit Foreclosure and Eviction Proceedings, Borrower Bankruptcy Cases, and Title Disputes to Proceed; and (IV) Authorizing and Directing the Debtors to Pay Securitization Trustee Fees and Expenses* [Docket No. 774], and the *Order under 11 U.S.C. §§ 105, 363, and 365, and Fed Bankr. P. 2002, 6004, 6006, and 9014 (I) Approving (A) Sale of Debtors' Assets Pursuant to Asset Purchase Agreement with Ocwen Loan Servicing, LLC; (B) Sale of Purchased Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests; (C) Assumption and Assignment of Certain Executory Contracts and Unexpired Leases Thereto; (D) Related Agreements; and (II) Granting Related Relief* [Docket No. 2246] (the "Sale Order"), which provisions and procedures will also apply to HSBC. The RMBS Trustees may be reimbursed for their reasonable fees and expenses associated with making distributions and taking other actions required under the Plan following the Effective Date in accordance with the provisions of the applicable pooling and servicing agreements, including but not limited to pooling and servicing agreements assumed by the Debtors and assigned to the purchaser/assignee of same. For the avoidance of doubt, the foregoing shall not modify the terms of the Sale Order.

6. Allowed Fee Claim. The Plan Supplement sets forth the stipulated amounts of the Allowed Fee Claim. On the Effective Date or as soon as practicable thereafter, the Liquidating Trust shall distribute Units on account of the Allowed Fee Claim to counsel for the Institutional Investors. For the avoidance of doubt, the amount of the Allowed Fee Claim shall reduce the total Units (and Cash distributed thereon) by the Liquidating Trust on account of RMBS Trust Claims to the RMBS Claims Trust, and shall have no impact on any other party entitled to a distribution under this Plan. The Allowed Fee Claim payable to counsel for the Institutional Investors may be reduced to separate claim stipulations for the convenience of the parties subject to the terms of the Plan.

7. Affirmative Findings. The Confirmation Order shall include affirmative findings that the Plan, including the RMBS Settlement and the FGIC Settlement Agreement, is in the best interests of Investors, that the RMBS Trustees acted in good faith and in the best interests of the Investors in entering into the Plan Support Agreement and performing their obligations thereunder, including voting for the Plan, provided, however, the Confirmation Order shall provide that such findings shall be binding solely in connection with the RMBS Trustees, the RMBS Trusts (including the Investors in the RMBS of such RMBS Trusts), and the actions of the RMBS Trusts and the RMBS Trustees with respect to the Plan Support Agreement and the Plan, including the RMBS Settlement, and the FGIC Settlement Agreement.

8. Continuation of Governing Agreements. Except with respect to the Debtors and the Liquidating Trust, all agreements, indentures, pooling and servicing agreements and other documents governing the RMBS Trusts shall remain in full force and effect in accordance with

their terms and conditions, except (i) to the extent modified by consent in connection with any assumption and assignment thereof or (ii) as specifically provided in Article IV.C.3.e above.

D. Settlement of Monoline Claims.

1. *MBIA Settlement.* Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by MBIA in the amount of \$719 million against the ResCap Debtors, \$1,450 million against the GMACM Debtors, and \$1,450 million against the RFC Debtors. In full and final satisfaction of MBIA's General Unsecured Claims against the Debtors, MBIA shall receive on account of its Allowed General Unsecured Claims (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, and (iii) its Pro Rata Share of the ResCap Debtors Unit Distribution, as applicable.

2. *FGIC Settlement.* As a condition precedent to Plan Consummation, the Bankruptcy Court and the FGIC Rehabilitation Court each shall have approved, by no later than September 16, 2013, the FGIC Settlement Agreement, which governs the amount and priority of the General Unsecured Claims held by FGIC. Entry of an order substantially in the form attached to the FGIC Settlement Agreement as Exhibit D (or such other form as agreed to by FGIC, the Debtors, the RMBS Trustees, and counsel for the Institutional Investors), pursuant to Bankruptcy Rule 9019, shall constitute approval, among other things, of the minimum Allowed non-subordinated General Unsecured Claim amounts as set forth therein. Entry of the Confirmation Order pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by FGIC in the amount of \$337.5 million against the ResCap Debtors, \$181.5 million against the GMACM Debtors, and \$415.0 million against the RFC Debtors, as implemented by the Plan. In full and final satisfaction of FGIC's General Unsecured Claims against the Debtors, FGIC shall receive on account of its Allowed General Unsecured Claims: (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, and (iii) its Pro Rata Share of the ResCap Debtors Unit Distribution, as applicable.

3. *Assured Settlement.* Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by Assured in the amount of \$88,868,346 against the GMACM Debtors and \$57,950,560 against the RFC Debtors. In full and final satisfaction of Assured's General Unsecured Claims against the Debtors, Assured shall receive on account of its Allowed General Unsecured Claims: (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, and (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, as applicable.

4. *Ambac Settlement.* Subject to Bankruptcy Court approval of the Ambac Cure Stipulation, entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of Allowed non-subordinated General Unsecured Claims held by Ambac in the amount of \$207,315,815 against the GMACM Debtors and \$22,800,000 against the RFC Debtors. In full and final satisfaction of Ambac's General Unsecured Claims against the Debtors, Ambac shall receive on account of its Allowed General

Unsecured Claims: (i) its Pro Rata Share of the GMACM Debtors Unit Distribution, and (ii) its Pro Rata Share of the RFC Debtors Unit Distribution, as applicable.

E. Private Securities Claims Trust

The Private Securities Claims Trust shall be established for the sole benefit of the holders of Allowed Private Securities Claims, and shall be funded on the Effective Date with the Private Securities Claims Trust Unit Distribution. The Private Securities Claims Trust shall be administered by the Private Securities Claims Trustee, who shall distribute to holders of Allowed Private Securities Claims in accordance with the Private Securities Claims Trust Agreement (a) the Cash distributed by the Liquidating Trust in respect of the Units allocated to the Private Securities Claims Trust to holders of Allowed Private Securities Claims, or (b) the Units transferred to the Private Securities Claims Trust that constitute the Private Securities Claims Trust Unit Distribution.

1. Private Securities Claims Trust Agreement. On or before the Effective Date, the Private Securities Claims Trust Agreement, in a form reasonably acceptable to the Plan Proponents, Ally and the Settling Private Securities Claimants, each in their individual capacity, shall be executed, and all other necessary steps shall be taken to establish the Private Securities Claims Trust and the interests therein, which shall be for the benefit of the holders of Allowed Private Securities Claims. The Private Securities Claims Trust Agreement shall provide for the distribution of the Private Securities Trust Assets in accordance with the allocation agreement, executed by each of the Private Securities Claimants.

2. Purpose of the Private Securities Claims Trust. The Private Securities Claims Trust shall be established to perform the following duties, to the extent necessary: (i) directing the processing, liquidation and payment of the Allowed Private Securities Claims in accordance with the Plan; and (ii) preserving, holding, and managing the assets of the Private Securities Claims Trust for use in paying and satisfying Allowed Private Securities Claims. The Private Securities Claims Trust Agreement shall include, among other things: (i) the terms, methodology, criteria, and procedures for distributing either (a) the Cash distributed by the Liquidating Trust in respect of the Units allocated to the Private Securities Claims Trust to holders of Allowed Private Securities Claims, or (b) the Units transferred to the Private Securities Claims Trust that constitute the Private Securities Claims Trust Unit Distribution; and (ii) to the extent necessary, the establishment of appropriate disputed claims reserves.

3. Private Securities Claimants to Forego Other Recoveries. In consideration of the Private Securities Claims Trust Unit Distribution transferred to the Private Securities Claims Trust and in furtherance of the purposes of the Private Securities Claims Trust and the Plan, the Private Securities Claimants shall agree to forego any other recovery from the Debtors or the Liquidating Trust in respect of the Private Securities Claims, and neither the Debtors, Ally, nor the Liquidating Trust shall have any further financial or other responsibility or liability therefor. Private Securities Claimants instead shall be entitled to receive their allocated share of either (a) the Cash available for distribution from the Private Securities Claims Trust in respect of the Private Securities Claims Trust Unit Distribution, or (b) the Units transferred to the Private Securities Claims Trust that constitute the Private Securities Claims Trust Unit Distribution, in

each case in accordance with the Private Securities Claims Trust Agreement, as their sole source of recovery in respect of the Private Securities Claims.

4. Administration of the Private Securities Claims Trust. The Private Securities Claims Trust shall be administered by the Private Securities Claims Trustee. For the avoidance of doubt, upon the Effective Date, the Private Securities Claims Trust shall be completely independent of the Liquidating Trust and the Liquidating Trust shall have no authority over the Private Securities Claims Trust. One or more candidates for the Private Securities Claims Trustee shall be recommended on or before the Effective Date by the Settling Private Securities Claimants, in each of their individual capacities, and the Private Securities Claims Trustee will be designated with the consent of the Plan Proponents, which consent shall not be unreasonably withheld.

5. Distributions to the Private Securities Claimants. To the extent the Private Securities Claims Trust holds the Units distributed by the Liquidating Trust, the Cash distributions received by the Private Securities Claims Trust in respect of the Units that it holds shall be distributed to holders of Allowed Private Securities Claims in accordance with the methodology, criteria and procedures established in the Private Securities Claims Trust Agreement. To the extent the Private Securities Claims Trust has distributed the Units that constitute the Private Securities Claims Trust Unit Distribution to Private Securities Claimants, the Liquidating Trust shall make Cash distributions directly to the Private Securities Claimants.

6. Settlement of Allowed Claims of Settling Private Securities Claimants. Entry of the Confirmation Order, pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code, shall constitute approval of the settlement of the Allowed Claim amounts for voting purposes of each of the Settling Private Securities Claimants as follows: AIG shall have an allowed claim of \$1.168 billion for voting purposes, Allstate shall have an allowed claim of \$140 million for voting purposes, MassMutual shall have an allowed claim of \$218 million for voting purposes, and Prudential shall have an allowed claim of \$227 million for voting purposes.

7. Costs and Expenses of Private Securities Claims Trust. The reasonable costs and expenses of administering the Private Securities Claims Trust, including the reasonable fees and expenses of the Private Securities Claims Trustee and its retained professionals, shall be funded on the Effective Date as agreed to by the Plan Proponents and Consenting Claimants.

8. Retention of Professionals by Private Securities Claims Trustee. The Private Securities Claims Trustee may retain and reasonably compensate counsel and other professionals to assist in its duties as Private Securities Claims Trustee on such terms as the Private Securities Claims Trustee deems appropriate without Bankruptcy Court approval, but subject to the terms and conditions provided for in the Private Securities Claims Trust Agreement. The Private Securities Claims Trustee may retain professionals who represented parties in the Chapter 11 Cases, provided such retention is otherwise permissible under applicable law.

9. Indemnification of the Private Securities Claims Trustee. The Private Securities Claims Trustee and its agents or professionals shall not be liable for any actions taken or omitted in its capacity as, or on behalf of, the Private Securities Claims Trustee or the Private Securities Claims Trust, except those acts arising out of its own willful misconduct, gross negligence, or

bad faith, and each shall be entitled to indemnification or reimbursement for fees and expenses in defending any and all of its actions or inactions in its or their capacity as, or on behalf of, the Private Securities Claims Trustee except for any and all actions or inactions involving willful misconduct, gross negligence, or bad faith. Any indemnification claim of the Private Securities Claims Trustee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the assets of the Private Securities Claims Trust and no recourse may be had to the Liquidating Trust, Ally, or the Debtors' Estates. The Private Securities Claims Trustee shall be entitled to rely, in good faith, on the advice of its retained professionals.

F. Borrower Claims Trust

The Borrower Claims Trust shall be established for the sole benefit of the holders of Allowed Borrower Claims, and shall consist of the Borrower Claims Trust Assets. The Borrower Claims Trust shall be administered by the Borrower Claims Trustee, subject to oversight and supervision by the Borrower Claims Trust Committee, who shall administer and distribute the Borrower Claims Trust Assets to holders of Allowed Borrower Claims in accordance with the methodology and procedures set forth in the Borrower Claims Trust Agreement. The Borrower Claims Trust shall be completely independent of the Liquidating Trust and the Liquidating Trustees shall have no authority over the Borrower Claim Trust or the Borrower Claims Trustee.

1. Borrower Claims Trust Agreement. On or before the Effective Date, the Borrower Claims Trust Agreement, in a form reasonably acceptable to the Plan Proponents, Ally and the Kessler Class Claimants, shall be executed, and all other necessary steps shall be taken to establish the Borrower Claims Trust and the interests therein, which shall be for the benefit of the holders of Allowed Borrower Claims. In the event of any conflict between the terms of the Plan with respect to the Borrower Claims Trust and the terms of the Borrower Claims Trust Agreement, the Borrower Claims Trust Agreement shall govern. The Borrower Claims Trust Agreement includes: (i) participation and qualification criteria for holders of Borrower Claims to receive a distribution from the Borrower Claims Trust Assets, (ii) procedures for the prosecution and settlement of objections to Borrower Claims, including those previously filed by the Debtors or any other party, (iii) the establishment of reserves for Disputed Borrower Claims; and (iv) the establishment of procedures to resolve Disputed Borrower Claims, inclusive of any counterclaims or offsets in favor of the Debtors.

2. Purpose of the Borrower Claims Trust. The Borrower Claims Trust shall be established to, among other things, (i) direct the processing, liquidation and payment of the Allowed Borrower Claims in accordance with the Plan, and the distribution procedures established under the Borrower Claims Trust Agreement, and (ii) preserve, hold, and manage the assets of the Borrower Claims Trust for use in satisfying Allowed Borrower Claims.

3. Assumption of Certain Liabilities by the Borrower Claims Trust. In consideration of the Borrower Claims Trust Assets transferred to the Borrower Claims Trust and in furtherance of the purposes of the Borrower Claims Trust and the Plan, the Borrower Claims Trust shall assume all liability for all Borrower Claims, and neither the Debtors, the Released Parties, nor the Liquidating Trust shall have any further financial or other responsibility or liability therefor.

4. Borrower Claims Trust Assets. The Borrower Claims Trust shall consist of the Borrower Claims Trust Assets and any other assets held from time to time incidental to the administration of the Borrower Claims Trust. On the Effective Date, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the Borrower Claims Trust with the Cash portion of the Borrower Claims Trust Assets free and clear of all Liens, Claims, and encumbrances, except to the extent otherwise provided herein.

5. Administration of the Borrower Claims Trust. The Borrower Claims Trust shall be administered by the Borrower Claims Trustee subject to the supervision and oversight of the Borrower Claims Trust Committee. The Borrower Claims Trustee will be designated by counsel for the Kessler Class Claimants with the consent of the Plan Proponents, which consent shall not be unreasonably withheld.

6. Distributions from the Borrower Claims Trust. It is the intention that distributions made from the Borrower Claims Trust on account of an Allowed Borrower Claim will be comparable to the recovery that the holder of an Allowed Claim in the same amount against the same Debtor Group would realize from distributions made by the Liquidating Trust on Units issued in respect of such Allowed Claim, based on the value of the assets in the Liquidating Trust available for distribution to holders of Units as of the Effective Date (without in each case giving effect to any insurance proceeds, including proceeds from the GM Policies, that may be received in respect of certain of the Allowed Borrower Claims or to the time delay in receipt of distributions in respect of the Units issued by the Liquidating Trust). For the avoidance of doubt, the comparable recovery percentages that the holder of an Allowed Claim in the same amount against the same Debtor Group would realize from distributions made by the Liquidating Trust on Units issued in respect of such Allowed Claim shall be established once and finally and for all purposes, including for all future distributions by the Borrower Claims Trust, at the time of and in connection with the Borrower Trust True-Up and confirmation of the Plan, and neither the amount to be transferred to the Borrower Claims Trust nor the percentage distributions from the Borrower Claims Trust shall be adjusted following the Effective Date based on actual experience with respect to recoveries from the Liquidating Trust following the Effective Date of the Plan.

Except as otherwise provided herein or in the Kessler Settlement Agreement, to the extent a Borrower recovers insurance proceeds on account of all or some of an Allowed Borrower Claim, (i) if distributions on account of such Allowed Borrower Claim have not been made, the amount of such Allowed Borrower Claim shall be reduced to the extent paid by insurance proceeds, or (ii) if distributions on account of such Allowed Borrower Claim have been made, the Borrower shall be required to return an amount equal to all distributions received by the Borrower from the Borrower Claims Trust on account of such Allowed Borrower Claim multiplied by a fraction, the numerator of which is the amount of the insurance proceeds received and the denominator of which is the amount of its Allowed Borrower Claim. Such Borrower shall thereafter continue to be entitled to its proportionate share of any future distribution from the Borrower Claims Trust. For the avoidance of doubt, the Kessler Settlement Class shall continue to be entitled to its proportionate share of any such future distribution. Any Borrower who recovers insurance proceeds on account of all or some of an Allowed Borrower Claim shall be required to notify the Borrower Claims Trustee of such recovery within ten (10) Business Days of receipt.

If any Borrower Claim constitutes, in whole or in part, a Consent Order Borrower Claim, the Allowed amount of such Borrower Claim shall be reduced to the extent paid pursuant to the Consent Order or any settlement of the Debtors' obligations thereunder, without further order of the Bankruptcy Court.

7. U.S. Federal Income Tax Treatment of Borrower Claims Trust. All parties (including, without limitation, the Debtors, the Borrower Claims Trustee, and the holders of Borrower Claims) shall treat the Borrower Claims Trust as a "qualified settlement fund" within the meaning of section 468B of the Tax Code and the Treasury Regulations thereunder.

8. Dissolution of the Borrower Claims Trust. The Borrower Claims Trustee and the Borrower Claims Trust shall be discharged or dissolved, as applicable, at such time as (i) all Borrower Claims have been resolved by Final Order, written agreement, or pursuant to the Plan, and (ii) all distributions to be made by the Borrower Claims Trustee under the Plan and the Borrower Claims Trust Agreement have been made. Any Cash or other remaining assets in the Borrower Claims Trust shall be transferred to the Liquidating Trust upon dissolution of the Borrower Claims Trust.

9. Costs and Expenses of Borrower Claims Trust. The reasonable costs and expenses of administering the Borrower Claims Trust, including the reasonable fees and expenses of the Borrower Claims Trustee and its retained professionals, shall be funded on the Effective Date as agreed to by the Plan Proponents and Consenting Claimants. Such costs shall not include fees and expenses incurred by the Kessler Class Claimants pursuit of GM Insurance Rights.

10. Retention of Professionals by Borrower Claims Trustee. The Borrower Claims Trustee may retain and reasonably compensate counsel and other professionals to assist in its duties as Borrower Claims Trustee on such terms as the Borrower Claims Trustee deems appropriate without Bankruptcy Court approval, but subject to the terms and conditions provided for in the Borrower Claims Trust Agreement. The Borrower Claims Trustee may retain professionals who represented parties in the Chapter 11 Cases, provided such retention is otherwise permissible under applicable law.

11. Indemnification of the Borrower Claims Trustee and the Borrower Claims Trust Committee. The Borrower Claims Trustee and members of the Borrower Claims Trust Committee and their agents or professionals shall not be liable for any actions taken or omitted in its capacity as, or on behalf of, the Borrower Claims Trustee or the Borrower Claims Trust, except those acts arising out of its or their own willful misconduct, gross negligence, or bad faith, and each shall be entitled to indemnification or reimbursement for fees and expenses in defending any and all of its actions or inactions in its or their capacity as, or on behalf of, the Borrower Claims Trust except for an action or inaction involving willful misconduct, gross negligence, or bad faith. Any indemnification claim of the Borrower Claims Trustee and the Borrower Claims Trust Committee (and the other parties entitled to indemnification under this subsection) shall be satisfied solely from the Borrower Claims Trust Assets and no recourse may be had to the Liquidating Trust, the Released Parties or any creditor in these Chapter 11 Cases. The Borrower Claims Trustee and the members of the Borrower Claims Trust Committee shall be entitled to rely, in good faith, on the advice of its retained professionals.

12. Borrower Claims Trustee as Estate Representative under 1123(b)(3)(B). The Borrower Claims Trustee is hereby appointed as the representative of the Estates with respect to Borrower-Related Causes of Action pursuant to section 1123(b)(3)(B) of the Bankruptcy Code.

G. Settlement of Claims of Kessler Class Claimants

1. Settlement of Allowed Amount of Kessler Class Claims. As provided in the Kessler Settlement Agreement, as one element of, and in consideration for, an overall negotiated settlement of numerous disputed claims and issues embodied in the Plan and subject to the entry of the Kessler Settlement Approval Orders, the Kessler Settlement Class shall receive the Allowed Kessler Claim against the RFC Debtors. The sole source of recovery of the Allowed Kessler Claim shall be distributions from the Borrower Claims Trust and the GM Insurance Rights, and not from any other assets or property of the Released Parties, the Liquidating Trust, or the Private Securities Claims Trust.

2. Transfer of GM Insurance Rights. Subject to entry of the Kessler Settlement Approval Orders, on the Effective Date, the Debtors shall, pursuant to section 1123(a)(5) of the Bankruptcy Code, convey, transfer, and assign the GM Insurance Rights under the GM Policies in accordance with the Kessler Settlement Agreement and the Kessler Settlement Approval Orders, to (i) the Kessler Settlement Class with respect to indemnity for the Allowed Kessler Claim, and (ii) except to the extent that any such GM Insurance Rights have been transferred by the Debtors to other creditors on or before the Effective Date, the Liquidating Trust with respect to any other GM Insurance Rights. For the avoidance of doubt, the (i) rights of the Kessler Settlement Class in and to the GM Insurance Rights and proceeds thereof, and (ii) the rights of any other creditor who has received from the Debtors an assignment of GM Insurance Rights prior to the Effective Date, shall not be transferred to the Liquidating Trust and shall not constitute Available Assets.

3. Discovery of Additional Insurance Policies. Subject to the entry of the Kessler Settlement Approval Orders, if, after the Effective Date, the Liquidating Trust discovers any additional insurance policies under which any of the Debtors are an insured and that provide coverage for the Debtors' liability to the Kessler Settlement Class, then the Liquidating Trust will assign to the Kessler Settlement Class the insurance rights under such policies with respect to the liability of the Debtors to the Kessler Settlement Class.

H. NJ Carpenters Claims Settlement

The NJ Carpenters Settlement, which is subject to the NJ Carpenters Approval, contemplates the payment of the NJ Carpenters Claims Distribution in settlement of the NJ Carpenters Claims, which amount shall be the sole source of recovery available in respect of the NJ Carpenters Claims. If the NJ Carpenters Approval occurs, the NJ Carpenters Class Members shall be entitled to the NJ Carpenters Claims Distribution. The NJ Carpenters Class Opt-Outs shall not receive any portion of the NJ Carpenters Claims Distributions and shall receive no consideration under the Plan other than in respect of their Allowed Claims against the Estates, which Claims shall be classified as General Unsecured Claims and may be subject to subordination. The reasonable costs of class notice and administration shall be advanced by the Debtors prior to the Effective Date in accordance with applicable orders of

the Bankruptcy Court and District Court, which costs will be deducted from the NJ Carpenters Claims Distribution. Absent the NJ Carpenters Approval, the NJ Carpenters Class Members will not receive any portion of the NJ Carpenters Claims Distribution, and, to the extent any NJ Carpenters Class Members hold Allowed Claims, such Claims shall be classified as General Unsecured Claims, which claims may be subject to subordination.

I. Senior Unsecured Notes Settlement

The Plan shall constitute a good faith compromise and settlement of claims that the Senior Unsecured Notes Indenture Trustee, on behalf of the Senior Unsecured Noteholders, has against the Ally Released Parties and any Debtor, both as described in the Disclosure Statement. Distributions to the Senior Unsecured Noteholders shall be carried out consistent with Article VII.G.1 of the Plan.

J. JSN Adversary Proceeding and FGIC Settlement Appeal

On the Effective Date, all claims, counterclaims, and/or issues raised in the JSN Adversary Proceeding and the FGIC Settlement Appeal shall be automatically deemed finally and irrevocably settled by the Plan. Within five (5) days of entry of the Confirmation Order, (i) the parties to the JSN Adversary Proceeding shall execute, and within one (1) Business Day after the funding of the Junior Secured Notes Claims Distribution the plaintiffs in the JSN Adversary Proceeding shall file, a stipulation of dismissal in the JSN Adversary Proceeding; and (ii) the parties to the FGIC Settlement Appeal shall execute, and within one (1) Business Day after the funding of the Junior Secured Notes Claims Distribution the Ad Hoc Group shall file, a stipulation voluntarily dismissing the FGIC Settlement Appeal in accordance with Bankruptcy Rule 8001(c), in each of (i) and (ii) above, with prejudice and without costs awarded to any party.

K. Adjustment Mechanism

The allocation of Units issuable pursuant to the Plan shall be determined in accordance with the following adjustment mechanism. Prior to the Initial Unit Distribution Date, a determination shall be made of the estimated amount of the General Unsecured Claims against each of the Debtor Groups that are Disputed Claims, in accordance with the provisions of Article VIII.D. Thereupon, the Unit Issuance Percentages shall be adjusted such that all holders of Allowed Unsecured Claims and the Private Securities Claims Trust shall share proportionately in the accretion or dilution of recoveries as a result of variances in the Allowed amounts of Unsecured Claims from the amounts set forth in the Disclosure Statement; and shall be further adjusted through an iterative mathematical process such that all holders of Allowed Unsecured Claims against a Debtor Group receive Units in the same ratio of number of Units to Allowed amount of Claim. For the purposes of this paragraph, “proportionately” means in proportion to the recovery of the holders of Unsecured Claims in the amounts set forth in the Disclosure Statement.

The Debtor Group Unit Distributions shall be determined based on the respective Unit Issuance Percentages, after adjustment, and shall include, with respect to each Debtor Group, the Units to be issued to holders of Allowed Unsecured Claims against that Debtor

Group as of the Initial Unit Distribution Record Date and the Units to be issued to the Disputed Claims Reserve with respect to that Debtor Group.

L. Cancellation of Securities, Indentures, and Other Documents Evidencing Claims and Equity Interests

Subject to the assumption of Executory Contracts and Unexpired Leases as set forth in the Plan, and except for purposes of evidencing a right to distributions under the Plan, on the Effective Date, all notes, stock, instruments, certificates, indentures, guarantees, and other documents or agreements evidencing a Claim against or Equity Interest in the Debtors will be deemed automatically cancelled with respect to the Debtors and shall be of no further force or effect as against the Debtors, whether such document is surrendered for cancellation or not, and the obligations of Ally, the Debtors, or the Liquidating Trust, thereunder or in any way related thereto will be discharged.

Notwithstanding anything to the contrary herein, the Senior Unsecured Notes Indenture will continue in effect for the limited purposes of: (i) allowing the Senior Unsecured Noteholders to receive distributions on account of their Senior Unsecured Notes Claims, and (ii) allowing the Senior Unsecured Notes Indenture Trustee to make distributions in accordance with the terms of the Plan, to fund the Senior Unsecured Notes Indenture Trustee Reserve, and to exercise its Senior Unsecured Notes Indenture Trustee Charging Lien against distributions under the Plan and against the Senior Unsecured Notes Indenture Trustee Reserve for payment of Senior Unsecured Notes Indenture Trustee Fees and Expenses.

Notwithstanding anything to the contrary herein, the First Priority Security Agreement will continue in effect for the limited purposes of allowing the First Priority Collateral Agent to exercise its First Priority Collateral Agent Lien for the payment of First Priority Collateral Agent Fees and Expenses.

Notwithstanding anything to the contrary herein, all JSN Documents shall be deemed automatically canceled and discharged on the Effective Date, provided, however, that the JSN Documents shall continue in effect solely for the purposes of (i) allowing the holders of Junior Secured Notes Claims to receive distributions on account of their Junior Secured Notes Claims as provided in the Plan, (ii) allowing the Junior Secured Notes Indenture Trustee to make the distributions to be made on account of the Junior Secured Notes Claims; and (iii) permitting the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distributions for payment of the Junior Secured Notes Indenture Trustee Fees and the Junior Secured Notes Collateral Agent Fees and Expenses.

M. Treatment of Intercreditor Agreement

The Intercreditor Agreement shall be deemed automatically cancelled and discharged upon the Effective Date. Upon the occurrence of the Effective Date, no Ally Party shall be entitled to receive any portion of the Junior Secured Notes Distribution and no Person may directly or indirectly interfere in any manner with the distribution of the Junior Secured

Notes Distribution to the Junior Secured Noteholders in accordance with Article VII.G.1 hereof.

N. Compensation Order

Notwithstanding anything herein to the contrary, following the Effective Date, Ally and the Liquidating Trust shall continue to comply with their respective obligations under the Compensation Order.

O. Corporate Action

Except as otherwise provided in the Plan, the corporate or related actions to be taken by or required of the Debtors in connection with each matter provided for by the Plan shall, as of the Effective Date, be deemed to have occurred and be effective as provided in the Plan, and shall be authorized, approved, and, to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by holders of Claims or Equity Interests, directors of the Debtors, or any other Entity. On or prior to the Effective Date, the appropriate officers of the Debtors shall be authorized and directed to issue, execute, and deliver the agreements, securities, instruments, or other documents contemplated by the Plan, or necessary or desirable to effect the transactions contemplated by the Plan, in the name of and on behalf of the Debtors, prior to the Effective Date, or the Liquidating Trust, following the Effective Date. Notwithstanding any requirements under nonbankruptcy law, the authorizations and approvals contemplated by this provision shall be effective.

On the Effective Date, upon the appointment of the Liquidating Trust Board, the persons acting as directors, managers, and officers of the Debtors prior to the Effective Date as the case may be, will be released from all further authority, duties, responsibilities, and obligations relating to and arising from operations of the Debtors or the Chapter 11 Cases, including, for the avoidance of doubt, the continuing obligations related to the DOJ/AG Settlement. Upon such release and discharge, the Liquidating Trust Board will be charged with the authority, duties, responsibilities, and obligations relating to and arising from operations of the Debtors and these Chapter 11 Cases, except to the extent such authority, duties, responsibilities, and obligations are to be undertaken by the Private Securities Claims Trustee, the RMBS Claims Trust Trustees, the Borrower Claims Trustee, or, with respect to the NJ Carpenters Claims Distribution, in each case as provided in the Plan.

P. Dissolution of the Debtors

On and after the Effective Date, the Liquidating Trust Board shall be authorized, in its sole and absolute discretion, to take all actions reasonably necessary to manage or dissolve the Debtors and their subsidiaries, including the Non-Debtor Subsidiaries, under applicable laws, including the laws of the jurisdictions in which they may be organized or registered, notwithstanding any applicable consent requirements or other restrictions contained in any financing agreements or other debt documents to which any Debtor is a party, and to pay all reasonable costs and expenses in connection with such dissolutions, including the costs of preparing or filing any necessary paperwork or documentation. The Liquidating Trust Board

shall have no liability for using its discretion to dissolve or not dissolve any of the Debtors or their subsidiaries. Whether or not dissolved, the Debtors shall have no authorization to implement the provisions of this Plan from and after the Effective Date except as specifically provided otherwise in the Plan. Notwithstanding the foregoing, the Liquidating Trust Board shall not dissolve any Debtor to the extent such Debtor is required to hold Available Assets after the Effective Date pursuant to Article VI.C of the Plan, and any such Debtors shall be authorized to take such actions at the direction of the Liquidating Trust Board as may be necessary to implement the provisions of the Plan with respect to such Available Assets.

Q. Effectuating Documents; Further Transactions

On the Effective Date, the Liquidating Trust Board will be authorized to take any actions or effect transactions, including conversions, dissolutions, transfers, liquidations, or other corporate transactions, as may be determined by the Liquidating Trust Board to be necessary or appropriate to implement to terms of the Plan. After the Effective Date, the Liquidating Trust Board may utilize the aforementioned authority without any further notice to or action, order or approval of the Bankruptcy Court.

On and after the Effective Date, the Liquidating Trust Board, directly or acting through the Liquidating Trust Management, is authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan in the name of and on behalf of the Plan Proponents, without the need for any approvals, authorizations, or consents, except for those expressly required by the Plan.

R. Exemption from Certain Taxes and Fees

Pursuant to Bankruptcy Code section 1146(a), any transfers of property pursuant to the Plan shall not be subject to any stamp, real estate transfer, mortgage reporting, or other similar tax or governmental assessment in the United States, and the Confirmation Order shall direct and be deemed to direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment.

S. Preservation of Causes of Action

Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan (including pursuant to the Plan Support Agreement), or by a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Borrower Claims Trust with respect to Borrower-Related Causes of Action, and the Liquidating Trust with respect to all other Causes of Action, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors or the Debtors' Estates, whether arising before or after the Petition Date, including, without limitation, any Causes of Action specifically enumerated in the Plan Supplement, and the Liquidating Trust's and Borrower Claims Trust's respective rights to

commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Liquidating Trust and the Borrower Claims Trust may pursue their respective Causes of Action, as appropriate, in accordance with the best interests of the respective Trust. **No Entity may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against such Entity as any indication that the Liquidating Trust or Borrower Claims Trust, as the case may be, will not pursue any and all available Causes of Action against such Entity. The Liquidating Trust and the Borrower Claims Trust expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court order, the Liquidating Trust expressly reserves all Causes of Action other than Borrower-Related Causes of Action, and the Borrower Claims Trust expressly reserves all Borrower-Related Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. For the avoidance of doubt, the Plan does not release any Causes of Action that the Plan Proponents or the Liquidating Trust or Borrower Claims Trust have or may have now or in the future against any Entity other than the Released Parties (and only in their capacity as Released Parties). The Liquidating Trustees and the Borrower Claims Trustee, as applicable, are deemed representatives of the Estates for the purpose of prosecuting, as applicable, the Liquidating Trust Causes of Action, Borrower-Related Causes of Action and any objections to Claims pursuant to section 1123(b)(3)(B) of the Bankruptcy Code.

Except as otherwise provided in the Plan or in a Final Order, the Liquidating Trust reserves and shall retain Causes of Action notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that the Debtors may hold against any Entity that is not released under the Plan or a separate settlement approved by Final Order shall vest in the Borrower Claims Trust with respect to Borrower-Related Causes of Action and in the Liquidating Trust with respect to all other Causes of Action. The Liquidating Trust and Borrower Claims Trust, as the case may be, through their respective authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Liquidating Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Causes of Action other than Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court. The Borrower Claims Trust has the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any Borrower-Related Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, each Executory Contract and Unexpired Lease not previously assumed shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, unless any such Executory Contract or Unexpired Lease: (i) is expressly identified on the Assumption Schedule; (ii) has been previously assumed by the Debtors by Final Order or has been assumed by the Debtors by order of the Bankruptcy Court as of the Effective Date, which order becomes a Final Order after the Effective Date; (iii) is the subject of a motion to assume pending as of the Effective Date; or (iv) is otherwise assumed pursuant to the terms herein. The Confirmation Order will constitute an order of the Bankruptcy Court approving such rejections pursuant to sections 365 and 1123 of the Bankruptcy Code as of the Effective Date or as otherwise set forth in the Plan Supplement.

All Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, including any Executory Contracts or Unexpired Leases rejected or deemed rejected under the Plan, must be Filed in accordance with the procedures set forth in the Bar Date Order by the Rejection Damages Claim Bar Date or such Claims will be automatically disallowed, forever barred from assertion, and shall be unenforceable against the Debtors, the Liquidating Trust, or their assets or properties without the need for any objection by the Liquidating Trust or further notice to, or action, order, or approval of the Bankruptcy Court. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases will be classified as General Unsecured Claims against the applicable Debtor Groups and treated in accordance with the terms of Article III. The deadline to object to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, shall be the Claims Objection Deadline.

B. Assumption of Executory Contracts and Unexpired Leases

The Debtors will file the Assumption Schedule with the Bankruptcy Court at least twenty-one (21) days before the commencement of the Confirmation Hearing. The Assumption Schedule will include (a) the name of the non-Debtor counterparty, (b) the legal description of the Executory Contract or Unexpired Lease to be assumed, and (c) the proposed amount to be paid on account of an associated Cure Claim, if any. On or as soon as practicable thereafter, the Debtors will serve a notice of filing of the Assumption Schedule upon each non-Debtor counterparty listed thereon that will describe the procedures by which such parties may object to the proposed assumption of their respective Executory Contract or Unexpired Lease or the proposed Cure Claim amount, and explain how such disputes will be resolved by the Bankruptcy Court if the parties are not able to resolve a dispute consensually. Objections, if any, to the proposed assumption and/or Cure Claim must be filed with the Bankruptcy Court and served so as to be actually received by the Debtors no later than fourteen (14) days from the date of filing the Assumption Schedule. Any non-Debtor counterparty to an Executory Contract or

Unexpired Lease that fails to object timely to the proposed assumption or Cure Claim amount will be deemed to have assented to such assumption or Cure Claim amount.

If an objection to the proposed Cure Claim is sustained by the Bankruptcy Court, the Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, may elect to reject such Executory Contract or Unexpired Lease in lieu of assuming it on proper notice to the non-Debtor counterparty thereto, which non-Debtor counterparties shall then be entitled to file Proofs of Claim asserting Claims arising from the rejection thereof, if applicable, in accordance with the terms of the Plan and the Bar Date Order.

The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, may settle any dispute on the amount of a Cure Claim without further notice to any party or action, approval, or order of the Bankruptcy Court. If the Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, object to any request for payment of a Cure Claim, the Bankruptcy Court shall determine the Allowed amount of such Cure Claim and any related issues. Unless the parties to the Executory Contract or Unexpired Lease agree otherwise, all disputed defaults that are required to be cured shall be cured by the later of (i) ten (10) days after entry of a Final Order determining the amount, if any, of the Debtors' liability with respect thereto and (ii) the Effective Date. The Plan Proponents, prior to the Effective Date, or the Liquidating Trust, following the Effective Date, reserve the right either to reject or nullify the assumption of any Executory Contract or Unexpired Lease no later than thirty (30) days after a Final Order determining a Cure Claim greater than that proposed by the Debtors.

ASSUMPTION OF ANY EXECUTORY CONTRACT OR UNEXPIRED LEASE PURSUANT TO THE PLAN OR OTHERWISE SHALL RESULT IN THE FULL RELEASE AND SATISFACTION OF ANY CLAIMS OR DEFAULTS, WHETHER MONETARY OR NONMONETARY, INCLUDING DEFAULTS OF PROVISIONS RESTRICTING THE CHANGE IN CONTROL OR OWNERSHIP INTEREST COMPOSITION OR OTHER BANKRUPTCY-RELATED DEFAULTS, ARISING UNDER ANY ASSUMED EXECUTORY CONTRACT OR UNEXPIRED LEASE AT ANY TIME BEFORE THE DATE OF THE DEBTORS OR THE LIQUIDATING TRUST ASSUME SUCH EXECUTORY CONTRACT OR UNEXPIRED LEASE. ANY PROOFS OF CLAIM FILED WITH RESPECT TO AN EXECUTORY CONTRACT OR UNEXPIRED LEASE THAT HAS BEEN ASSUMED SHALL BE DEEMED DISALLOWED AND EXPUNGED, WITHOUT FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT.

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumption Schedule, nor anything contained in the Plan or each Debtor's Schedules, shall constitute an admission by the Debtors that any such contract or lease is or is not in fact an Executory Contract or Unexpired Lease capable of assumption, that any Debtor has any liability thereunder or that such Executory Contract or Unexpired Lease is necessarily a binding and enforceable agreement. Further, the Plan Proponents expressly may (a) remove any Executory Contract or Unexpired Lease from the Assumption Schedule and reject an Executory Contract or Unexpired Lease pursuant to the terms of the Plan, up until the Effective Date and (b) contest

any Claim (or cure amount) asserted in connection with assumption of any Executory Contract or Unexpired Lease.

The assumption of Executory Contracts and Unexpired Leases under the Plan shall include the vesting of such contracts in the Liquidating Trust. The Confirmation Order will constitute an order of the Bankruptcy Court approving the above-described assumptions, assignments, and vesting.

In the event a written objection is filed with the Bankruptcy Court as to whether a contract or lease is executory or unexpired, the right of the Plan Proponents to move to assume or reject such contract or lease shall be extended until the date that is thirty (30) days after the entry of a Final Order by the Bankruptcy Court determining that the contract or lease is executory or unexpired, in which case the deemed assumptions and rejections provided for in the Plan shall not apply to such contract or lease.

C. Contracts and Leases Entered Into After the Petition Date

Counterparties to contracts and leases entered into after the Petition Date by a Debtor, including any Executory Contract or Unexpired Lease assumed by a Debtor, must File a proof of claim for an Administrative Claim against the appropriate Debtor by the Administrative Claims Bar Date or have their rights with respect to such Administrative Claims forever waived and released; provided that this provision shall not apply to any Ally Contract Claims. Executory Contracts and Unexpired Leases entered into after the Petition Date by any Debtor will vest in the Liquidating Trust. Accordingly, the Liquidating Trust shall be deemed a successor in interest to the Debtors under, and a beneficiary of, such contracts and unexpired leases, and any rights, obligations and benefits thereunder shall be transferred to the Liquidating Trust.

D. Pre-existing Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to this Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such Executory Contract or Unexpired Lease. Notwithstanding any applicable non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a non-Debtor party to provide, warranties, indemnifications or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from non-Debtor parties to rejected Executory Contracts or Unexpired Leases, and any such rights shall vest in the Liquidating Trust as of the Effective Date.

E. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any consensual request, pursuant to Bankruptcy Code section 365(d)(4), to extend the deadline for assuming or rejecting Executory Contracts and Unexpired Leases.

F. No Change in Control

The consummation of the Plan or the assumption of any Executory Contract or Unexpired Lease is not intended to, and shall not, constitute a change in ownership or change in control under any employee benefit plan or program, financial instrument, loan or financing agreement, Executory Contract or Unexpired Lease or contract, lease or agreement in existence on the Effective Date to which a Debtor is a party.

ARTICLE VI.

THE LIQUIDATING TRUST

A. Generally; Creation and Conversion

The powers, authority, responsibilities, and duties of the Liquidating Trust are set forth in and will be governed by the Liquidating Trust Agreement, the form of which shall be included in the Plan Supplement. The Liquidating Trust shall be a representative of the Estates pursuant to section 1123(b)(3)(B).

A predecessor to the Liquidating Trust was initially formed pursuant to a Declaration of Trust as a common law trust under the laws of the State of Delaware. On or prior to the Effective Date, the Delaware Trustee will file a Certificate of Conversion and a Certificate of Trust in accordance with the Delaware Statutory Trust Act to convert the initial trust to a Delaware statutory trust that will constitute the Liquidating Trust under the Plan.

B. Purpose of the Liquidating Trust

The Liquidating Trust shall be established for the purpose of liquidating and distributing the Liquidating Trust Assets in accordance with Treasury Regulations Section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, its liquidating purpose described in this Plan and set forth in the Liquidating Trust Agreement. The Liquidating Trust, acting through the Liquidating Trust Board, Liquidating Trust Management, and their agents, shall wind down the affairs of the Debtors and perform the assumed obligations under the DOJ/AG Settlement, Consent Order, and Order of Assessment in accordance with the terms of the Plan.

C. Transfer of Assets to the Liquidating Trust

On the Effective Date, the Debtors are authorized and directed to transfer, grant, assign, convey, set over, and deliver to the Liquidating Trustees, for the benefit of the Liquidating Trust, in the form thereof existing on such date, all of the Debtors' and Estates' right, title and interest in and to the Available Assets free and clear of any and all liens, claims, encumbrances and interests (legal, beneficial or otherwise) of all other Persons and Entities to the maximum extent contemplated by and permissible under section 1141 of the Bankruptcy Code.

Notwithstanding the foregoing, (i) if on the Effective Date, any of the Available Assets cannot be transferred to the Liquidating Trust or it is deemed impractical or inadvisable to do so, as determined by the Liquidating Trust Manager, the Debtors shall continue to hold such

Available Assets, as bailee for the account of the Liquidating Trust, until such time as the Liquidating Trust may receive such Available Assets (and any proceeds of such assets retained by the Debtors shall constitute Available Assets) and (ii) subject to the entry of the Kessler Settlement Approval Order, the GM Insurance Rights to be assigned to the Kessler Settlement Class or any other GM Insurance Rights that are assigned to any other Creditor pursuant to order of the Bankruptcy Court prior to or at Confirmation, shall be excluded from the Available Assets assigned to the Liquidating Trust.

The Debtors and the Liquidating Trust, as successor in interest to the Estates, may (i) execute and deliver any instruments, documents, books, and records (including those maintained in electronic format and original documents as may be needed), and (ii) take, or cause to be taken, all such further action in order to evidence, vest, perfect or effectuate the transfer of the Available Assets to the Liquidating Trust and consummate transactions contemplated by and to otherwise carry out the intent of the Plan. Upon the transfer of the Available Assets, the Liquidating Trust shall succeed to all of the Debtors' right, title and interest in the Available Assets, and the Debtors will have no further rights or interest in or with respect to the Liquidating Trust Assets or the Liquidating Trust.

D. Liquidating Trust Expenses Set Aside and Administrative, Priority, Secured and Convenience Distribution Reserve

The Liquidating Trust Expenses Set Aside shall be established on the Effective Date for the purpose of maintaining Cash from time to time necessary, subject to the Liquidating Trust Budget, to satisfy reasonable costs and expenses of the Liquidating Trust and other obligations incurred or reasonably anticipated by the Liquidating Trust in accordance with the Plan Documents, including, without limitation, fees and costs incurred in connection with (i) the implementation of the Plan, including to the extent not paid on the Effective Date, funds for making the payments provided in Article VII.B, (ii) the liquidation of the Liquidating Trust Assets, (iii) the resolution of Disputed Claims, and other Causes of Action, (iv) the winding down of the Estate and affairs of the Debtors, (v) the costs of performing under the DOJ/AG Settlement, (vi) the reserves for potential liabilities and (vii) compensation for the Liquidating Trust Board, Liquidating Trust Management, and the employees, professionals, advisors and other agents of the Liquidating Trust. In its discretion, the Liquidating Trust Board may reserve non-Cash assets in satisfaction of the aforesaid set-aside requirements, which non-Cash assets may be monetized from time to time and the Cash so realized included in the Liquidating Trust Expenses Set Aside, provided, however, that in connection with any such reservation of non-Cash assets, the Liquidating Trust Board shall give due consideration to the timing and amount of scheduled and anticipated payments and both the fair market value and the timing of monetization of such non-Cash assets, so as to enable the Liquidating Trust to pay its obligations as they become due. Any Cash released from the Liquidating Trust Expenses Set Aside shall be available for distribution to the Unitholders, and any other assets released from the Liquidating Trust Expenses Set Aside shall become general, unrestricted assets of the Liquidating Trust.

The Administrative, Priority, Secured and Convenience Distribution Reserve shall be established on the Effective Date for the purpose of maintaining Cash from time to time necessary to satisfy (i) Administrative Claims, Priority Tax Claims, Other Priority Claims, Other

Secured Claims and Junior Secured Notes Claims that are (a) Allowed as of the Effective Date but that cannot be paid on or promptly following the Effective Date, or (b) Disputed Claims as of the Effective Date but that may become Allowed after the Effective Date, (ii) Professional Claims that are Allowed or that may become Allowed on or after the Effective Date, and (iii) General Unsecured Convenience Claims that are Allowed or that may become Allowed on or after the Effective Date. In its discretion, the Liquidating Trust Board may reserve non-Cash assets in satisfaction of the aforesaid reserve requirements, which non-Cash assets may be monetized from time to time by the Administrative, Priority, Secured and Convenience Distribution Reserve, provided, however, that in connection with any such reservation of non-Cash assets, the Liquidating Trust Board shall give due consideration to the timing and amount of scheduled and anticipated payments and both the fair market value and the timing of monetization of such non-Cash assets, so as to enable the Liquidating Trust to pay its obligations as they become due. Any Cash released from the Administrative, Priority, Secured and Convenience Distribution Reserve shall be available for distribution to the Unitholders, and any other assets released from the Administrative, Priority, Secured and Convenience Distribution Reserve shall become general, unrestricted assets of the Liquidating Trust.

E. Liquidating Trust Governance

The affairs of the Liquidating Trust shall be managed by, or under the direction of, the Liquidating Trust Board, which shall consist of five (5) Liquidating Trustees, one of whom shall be selected by each of (i) MBIA, (ii) FGIC, (iii) the RMBS Trustees that are members of the Creditors' Committee, the Steering Committee Consenting Claimants and the Talcott Franklin Consenting Claimants, jointly, (iv) Paulson, and (v) the holders of Private Securities Claims, and such other Liquidating Trustees as agreed to by the Plan Proponents and the Consenting Claimants. The Liquidating Trust Board shall be authorized and empowered to undertake, acting through the management and agents of the Liquidating Trust, actions on behalf of the Liquidating Trust, including without limitation (i) to hold, manage, dispose and convert to Cash, the Liquidating Trust Assets, (ii) to maintain the Liquidating Trust Expenses Set Aside, the Disputed Claims Reserve, and the Administrative, Priority, Secured and Convenience Distribution Reserve, (iii) to appoint and supervise management and agents of the Trust and (iv) to prepare and review periodic financial reports of the Liquidating Trust.

The Liquidating Trust Board shall elect a Liquidating Trustee to act as the Chairman of the Liquidating Trust Board and may designate one or more committees of the Liquidating Trust Board. The Liquidating Trust Board shall appoint officers or other representative agents of the Liquidating Trust, including a Liquidating Trust manager and a secretary, to serve as the Liquidating Trust Management and carry out the purpose of the Liquidating Trust. The Liquidating Trust Management shall be authorized to hire employees and engage advisors and other professionals, subject to any limitations imposed by the Liquidating Trust Board.

F. Financial Statements/Reporting

The Liquidating Trust will provide or make available certain financial and other information, including annual and quarterly financial statements, and will also provide other information to the extent required to make the Units freely tradable in accordance with applicable securities laws.

G. Tax Treatment

1. In General

For all U.S. federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidating Trust Board and the Unitholders) shall treat the transfer of the Liquidating Trust Assets to the Liquidating Trust as:

(a) a transfer of the Liquidating Trust Assets (subject to any obligations relating to those assets) directly to Unitholders, other than Liquidating Trust Assets that will be distributed pursuant to Article VII.B of the Plan or that are allocable to Disputed Claims (based on such Claims' Pro Rata Share of such Liquidating Trust Assets), followed by

(b) the transfer by such Unitholders to the Liquidating Trust of such Liquidating Trust Assets in exchange for the Units.

Accordingly, those holders of Allowed Unsecured Claims receiving Units shall be treated for U.S. federal income tax purposes as the grantors and owners of their respective share of the Liquidating Trust Assets (other than such Liquidating Trust Assets that will be distributed pursuant to Article VII.B of the Plan or that are allocable to Disputed Claims). The foregoing treatment shall also apply, to the extent permitted by applicable law, for state and local income tax purposes.

2. Tax Reporting.

(a) The Liquidating Trust shall file returns treating the Liquidating Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this Article VI.G. The Liquidating Trust also shall annually send or otherwise make available to each holder of Units a separate statement setting forth the holder's share of items of income, gain, loss, deduction, or credit and will instruct all such holders to report such items on their U.S. federal income tax returns or to forward the appropriate information to their respective beneficial holders with instructions to report such items on their U.S. federal income tax returns. The Liquidating Trust Board also shall file (or cause to be filed) any other statements, returns, or disclosures relating to the Liquidating Trust that are required by any Governmental Unit.

(b) As soon as possible after the Effective Date, the Liquidating Trust shall make a good-faith valuation of the Liquidating Trust Assets, and such valuation shall be made available from time to time, to the extent relevant, and shall be used consistently by all parties (including, without limitation, the Debtors, the Liquidating Trust, the holders of Allowed Unsecured Claims, and the Unitholders) for all U.S. federal income tax purposes.

(c) Allocation of Liquidating Trust taxable income and loss among the Unitholders (other than taxable income and loss allocable to the Disputed Claims Reserve) shall be made pro rata to the Unitholders.

(d) The Liquidating Trust shall (A) treat the Disputed Claims Reserve and Liquidating Trust Assets allocable thereto as a "disputed ownership fund" governed by Treasury

Regulation section 1.468B-9 by timely making an election and (B) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes.

(e) The Liquidating Trust shall be responsible for payment, out of the Liquidating Trust Assets, of any taxes imposed on the Liquidating Trust or the Liquidating Trust Assets, including the Disputed Claims Reserve. In the event, and to the extent, that any Cash retained on account of Disputed Claims of Liquidating Trust Unit Beneficiaries in the Disputed Claims Reserve is insufficient to pay the portion of any such taxes attributable to the taxable income arising from the assets allocable to, or retained on account of, such Disputed Claims, such taxes shall be (i) reimbursed from any subsequent Cash amounts retained on account of such Disputed Claims or (ii) to the extent such Disputed Claims subsequently have been resolved, deducted from any amounts otherwise distributable as a result of the resolution of such Disputed Claims.

(f) The Liquidating Trust may request an expedited determination of taxes of the Liquidating Trust, including the Disputed Claims Reserve, under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Liquidating Trust for all taxable periods through the dissolution of the Liquidating Trust.

H. Duration

The Liquidating Trust shall be dissolved as soon as practicable after the date that is the earliest to occur of: (i) the distribution of all Liquidating Trust Assets available for distribution pursuant to the Plan, (ii) the determination of the Liquidating Trust Board that the administration of the Liquidating Trust Assets is not likely to yield sufficient additional proceeds to justify further pursuit, or (iii) all the distributions required to be made by the Liquidating Trust have been completed; provided, however, that in no event shall the Liquidating Trust be dissolved later than three (3) years from the Effective Date, unless the Bankruptcy Court, upon motion within the six (6) months prior to the third (3rd) anniversary of the Effective Date (or within six (6) months prior to the end of an extension period), determines that a fixed-period extension is necessary to facilitate or complete the recovery and liquidation of the Liquidating Trust Assets (without the need for a favorable private letter ruling from the Internal Revenue Service that any further extension would not adversely affect the status of the trust as a Liquidating Trust for United States federal income tax purposes).

I. Conflicting Terms To the extent that the terms of the Plan with respect to the Liquidating Trust are inconsistent with the terms set forth in the Liquidating Trust Agreement, then the terms of the Liquidating Trust Agreement shall govern.

J. Exculpation; Indemnification; Insurance

The Liquidating Trust Agreement shall provide for the following with respect to exculpation, indemnification, and insurance:

1. None of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or Liquidating Trust Agents, or their respective advisors or professionals, shall be liable to the Liquidating Trust or any Unitholder for any damages arising out of the

creation, operation or termination of the Liquidating Trust, including actions taken or omitted in fulfillment of his or her duties with respect to the Liquidating Trust, except in the case of such party's gross negligence, bad faith or willful misconduct; provided, that in no event will any such party be liable for punitive, exemplary, consequential or special damages under any circumstances. Furthermore, no Liquidating Trustee shall be liable to the Liquidating Trust or any Unitholder for any action taken in good faith reliance upon the advice of Liquidating Trust Management.

2. None of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or the Liquidating Trust Agents, when acting in such capacities, shall be subject to any personal liability whatsoever, whether in tort, contract or otherwise, to any person, other than the Liquidating Trust or the Liquidating Trust Unit Beneficiaries, in connection with the affairs of the Liquidating Trust to the fullest extent provided under section 3803 of the Delaware Statutory Trust Act, and all persons claiming against any of the Delaware Trustee, the Liquidating Trustees, the Liquidating Trust Management or Liquidating Trust Agent, or otherwise asserting claims of any nature in connection with affairs of the Liquidating Trust, shall look solely to the Liquidating Trust Assets for satisfaction of any such claims.

3. The Liquidating Trust Board, the Delaware Trustee, the Liquidating Trust Management and their respective affiliates, and their respective officers, directors, partners, members, managers and employees shall be indemnified to the fullest extent permitted by law by the Liquidating Trust against all liabilities arising out of the creation, operation or termination of the Liquidating Trust, including actions taken or omitted in fulfillment of their duties with respect to the Liquidating Trust, except for those acts that are determined by Final Order to have arisen out of their own willful misconduct, gross negligence, or bad faith.

4. The Liquidating Trust will maintain customary insurance coverage for the protection of the Liquidating Trustees, the Delaware Trustee and the Liquidating Trust Management from and after the Effective Date.

ARTICLE VII.

PROVISIONS GOVERNING ISSUANCE OF UNITS AND OTHER DISTRIBUTIONS

A. Applicability

The provisions of this Article VII shall govern distributions to the extent not otherwise provided for in the Plan or in any indenture, trust agreement or plan of allocation recognized under the Plan. To the extent the provisions of any such indenture, trust agreement or plan of allocation address specific matters set forth in this Article VII, the provision of such indenture, trust agreement or plan of allocation shall govern.

B. Cash Distributions

1. Administrative, Priority, Secured and General Unsecured Convenience Claims.
 On or as soon as practicable after the Effective Date, if the Debtors shall not otherwise have done

so, the Liquidating Trust, in its capacity as Disbursing Agent, shall make Cash distributions to holders of Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Other Priority Claims, Allowed Other Secured Claims, Junior Secured Notes Claims, Allowed ETS Unsecured Claims and Allowed General Unsecured Convenience Claims.

2. *Borrower Claims Trust.* On the Effective Date, the Debtors shall transfer the Borrower-Related Causes of Action to the Borrower Claims Trust. On or as soon as practicable after the Effective Date, if the Debtors shall not otherwise have done so, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the Borrower Claims Trust with \$57.6 million in Cash, subject to the Borrower Trust True-Up, and shall also make a one-time cash payment to the Borrower Claims Trust on the Effective Date in the amount set forth in the Borrower Claims Trust Agreement, which amount represents the amount of the administrative fees and expenses of the Borrower Claims Trust to be funded by the Liquidating Trust. Distributions to holders of Borrower Claims will be made in accordance with methodology, criteria and procedures established in the Borrower Claims Trust Agreement.

3. *NJ Carpenters Claims Settlement.* Assuming the NJ Carpenters Approval, if the Debtors shall not otherwise have done so, the Liquidating Trust, in its capacity as Disbursing Agent, shall fund the NJ Carpenters Claims Distribution with Cash within ten (10) Business Days of the Effective Date. Distributions to holders of NJ Carpenters Claims will be made in accordance with the methodology, criteria and procedures established in the NJ Carpenters Plan of Allocation.

C. Initial Issuance of Units and Distributions in Respect of Units by the Liquidating Trust

On the Initial Unit Distribution Date, the Liquidating Trust shall issue Units to the RMBS Claims Trust, the Private Securities Claims Trust, the Disputed Claims Reserve, and the holders of Allowed Unsecured Claims (other than RMBS Trust Claims and ETS Unsecured Claims), in each case, as of the Initial Unit Distribution Record Date, in accordance with the terms of the Plan, including the RMBS Trust Allocation Protocol.

Units shall entitle the holder thereof to receive a Pro Rata Unit Share of the distributions of Distributable Cash paid by the Liquidating Trust, when and as such distributions are made. Prior to making any distributions on the Units, the Liquidating Trust will (i) fund the Borrower Claims Trust with the Borrower Claims Trust Assets, and the NJ Carpenters Claims Distribution, and (ii) pay, or adequately reserve for the payment in full of, all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Other Priority Claims, Allowed Other Secured Claims, and Junior Secured Notes Claims, and General Unsecured Convenience Claims, including funding the Administrative, Priority, Secured and Convenience Distribution Reserve. Distributions on account of Disputed Claims shall be made in accordance with Article VIII.D. of the Plan.

Units will be issued in global certificate form only and registered to DTC, with interests in the certificate being held through DTC participants, for so long as the Units are eligible to be held through DTC. Liquidating Trust Unit Beneficiaries must follow specified procedures to designate a direct or indirect DTC participant to receive their Units. The Units shall be freely

negotiable and transferrable, subject to restrictions under applicable securities laws. The Units shall not be listed on any national security exchange or interdealer quotation system, and the Liquidating Trust shall not take any action to promote or facilitate a trading market in the Units.

On each Distribution Date, pursuant to the Liquidating Trust Agreement, the Liquidating Trust (i) shall distribute to each Unitholder, on account of its Units, an amount equal to its respective Pro Rata Unit Share of the Distributable Cash, and (ii) shall deposit into the Disputed Claims Reserve the Pro Rata Unit Share of the Distributable Cash allocable to the Units held in the Disputed Claims Reserve. The initial distribution of Distributable Cash to the Unitholders shall be made by the Liquidating Trust on an initial Distribution Date as soon as practicable after the Effective Date. Subsequent Distribution Dates shall be determined by the Liquidating Trust Board from time to time, but shall occur no less frequently than at intervals provided in the Liquidating Trust Agreement, provided that the Liquidating Trust shall not be required to make a distribution if the aggregate Distributable Cash at the time would make the distribution impracticable, as determined by the Liquidating Trust Board.

Holders of Units shall not be entitled to interest on Cash distributions made in respect of such Units, regardless of when such distributions are made.

D. Fractional Units

No fractional Units shall be issued or distributed under the Plan. The actual distribution of Units shall be rounded to the next higher or lower whole number as follows: (i) fractions less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number and (ii) fractions equal to or greater than one-half ($\frac{1}{2}$) shall be rounded to the next higher whole number. The total amount of Units to be distributed hereunder shall be adjusted as necessary to account for such rounding. No consideration shall be provided in lieu of fractional Units that are rounded down.

E. Timing and Calculation of Amounts to be Distributed

1. Distributions on Account of Claims Allowed as of the Effective Date

Except as otherwise provided in the Plan, on the Effective Date or as soon as practicable thereafter, each holder of an Allowed Claim against the Debtors as of the Effective Date shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

2. Distributions on Account of Claims Allowed After the Effective Date

If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made to the extent such Claims are Allowed in accordance with the provisions set forth in Article VIII with respect to dispute resolution. Except as otherwise provided in the Plan, a Final Order, or as agreed to by the relevant parties, distributions under the Plan on account of Disputed Claims that become Allowed after the

Effective Date shall be made as soon as practicable after the Disputed Claim becomes an Allowed Claim.

Except as otherwise provided in the Plan, holders of Claims shall not be entitled to interest on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

F. Disbursing Agent

1. Generally

All distributions under the Plan shall be made by the Liquidating Trust, as Disbursing Agent, or by such other Person designated by the Liquidating Trust to act as a Disbursing Agent. Except as otherwise ordered by the Bankruptcy Court, a Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

2. Rights and Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, securities, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated by the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

3. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by a Person designated by the Liquidating Trust as Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Liquidating Trust from the Liquidating Trust Expenses Set Aside.

G. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

If a Creditor holds more than one Allowed Claim in any one Class, all Allowed Claims of the Creditor in a single Class will be aggregated into one Allowed Claim and one distribution will be made with respect to the aggregated Allowed Claim.

Distributions under this Plan to holders of Junior Secured Notes Claims shall be made to the Junior Secured Notes Indenture Trustee, which, subject to the right of the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distributions, shall transmit such distributions to the holders of such Junior Secured Notes Claims as provided in the Junior Secured Notes Indenture.

Notwithstanding any provision contained in this Plan to the contrary, the distribution provisions contained in the Junior Secured Notes Indenture shall continue in effect to the extent necessary to authorize the Junior Secured Notes Indenture Trustee to receive and make distributions to the holders of Junior Secured Notes Claims and shall terminate completely upon completion of all such distributions. Notwithstanding anything to the contrary in this Plan, the Junior Secured Notes may continue to trade until the Junior Secured Notes Distribution Record Date. As of the close of business on the Junior Secured Notes Distribution Record Date, (i) the transfer books and records of the Junior Secured Notes as maintained by the Junior Secured Notes Indenture Trustee or its agent shall be closed, and (ii) any transfer of any Junior Secured Notes, Junior Secured Notes Claims or any interest therein shall be prohibited. The Debtors, the Liquidating Trust and the Junior Secured Notes Indenture Trustee shall have no obligation to recognize any transfer of any Junior Secured Notes, Junior Secured Notes Claims or any interest therein occurring after the close of business on the Junior Secured Notes Distribution Record Date, and shall instead be entitled to recognize and deal for all purposes under this Plan with only those holders of record as of the close of business on the Junior Secured Notes Distribution Record Date. The Junior Secured Notes Indenture Trustee may assert its rights under the Junior Secured Notes Indenture Trustee Charging Lien, including for the payment of any and all accrued Junior Secured Notes Indenture Trustee Fees and Junior Secured Notes Collateral Agent Fees and Expenses. The Junior Secured Notes Indenture Trustee may withhold distribution of any Cash it receives on account of the Junior Secured Notes Claims until such time as it determines that it has received sufficient payments to satisfy all accrued and reasonably expected Junior Secured Notes Indenture Trustee Fees and Junior Secured Notes Collateral Agent Fees and Expenses, and such payments shall be made in accordance with the requirements of the Junior Secured Notes Indenture and the Junior Secured Notes Security Agreement, as applicable.

Distributions under the Plan to Senior Unsecured Noteholders shall be made to the Senior Unsecured Notes Indenture Trustee for the benefit of the Senior Unsecured Noteholders and shall be deemed completed when made to the Senior Unsecured Notes Indenture Trustee. On the Effective Date, and subject to the provisions in paragraph IV.L, the Senior Unsecured Notes, the Senior Unsecured Notes Indenture and all other related documents will be deemed cancelled except as set forth herein. Notwithstanding the foregoing, the Senior Unsecured Notes may continue to trade until the Senior Unsecured Notes Indenture Trustee makes distributions of Units it has received to the Senior Unsecured Noteholders. The Senior Unsecured Notes Indenture Trustee may (a) assert its rights under the Senior Unsecured Notes Indenture Trustee Charging Lien, including for the payment of any and all accrued Senior Unsecured Note Indenture Trustee Fees and Expenses and (b) establish the Senior Unsecured Notes Indenture Trustee Reserve on any distribution of Units or Cash. The Senior Unsecured Notes Indenture Trustee may withhold distribution of the Units and any Cash it receives on account of such Units, until such time as it determines that it has received sufficient payment to satisfy the accrued Senior Unsecured Note Indenture Trustee Fees and Expenses and to fund the Senior Unsecured Notes Indenture Trustee Reserve. At such time, the Senior Unsecured Notes Indenture Trustee shall distribute such Units and any remaining Cash it has received on account of such Units to the Registered Holders of the Senior Unsecured Notes, which distributions shall satisfy the Senior Unsecured Notes Indenture Trustee's obligations hereunder. The Senior Notes Indenture

Trustee shall be reimbursed by the Liquidating Trust as a Disbursing Agent in accordance with the Plan. Notwithstanding the foregoing, in the event that the Units are not registered with DTC, the Senior Unsecured Notes Indenture Trustee shall not bear any responsibility for the distribution of the Units to the Senior Unsecured Noteholders and such distributions will be effected by the Disbursing Agent. Upon release by the Senior Unsecured Notes Indenture Trustee of any funds remaining in the Senior Unsecured Notes Indenture Trustee Reserve, such funds shall be delivered to the Senior Unsecured Noteholders.

Subject to the NJ Carpenters Approval, the distributions under the Plan to holders of NJ Carpenters Claims shall be made and deemed completed when made to the lead plaintiff in the NJ Carpenters Class Action or as the District Court may otherwise order. The RMBS Claims Trust Trustee shall be empowered to make distributions to holders of Recognized RMBS Claims, and any distributions to holders of Recognized RMBS Claims, and any distributions to the RMBS Claims Trust for the benefit of holders of Recognized RMBS Claims by the Liquidating Trust, shall be deemed completed upon the funding of the RMBS Claims Trust. The Borrower Claims Trustee shall be empowered to make distributions to holders of Allowed Borrower Claims, and any distributions to or for the benefit of holders of Allowed Borrower Claims by the Debtors or Liquidating Trust shall be deemed completed upon the funding of the Borrower Claims Trust. The Private Securities Claims Trustee shall be empowered to make distributions to holders of Allowed Private Securities Claims, and distributions to holders of Allowed Private Securities Claims shall be deemed completed upon the issuance of the Private Securities Claims Trust Unit Distribution to the Private Securities Claims Trust.

2. Distributions to Holders of Disputed Claims

Except as otherwise provided in the Plan or agreed to by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all such disputes in connection with such Disputed Claim have been resolved by settlement or Final Order and (b) any Entity that holds both an Allowed Claim and a Disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the Disputed Claim have been resolved by settlement or Final Order or the Claims have been Allowed or expunged. Any distributions arising from property distributed to holders of Allowed Claims in a Class and made to such holders under the Plan shall be made also, in the applicable amounts, to any holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such distributions were earlier made to holders of Allowed Claims in such Class.

3. Surrender of Junior Secured Notes and Senior Unsecured Notes

a. Junior Secured Notes. On the Effective Date, or as soon as reasonably practicable thereafter, the Junior Secured Notes Indenture Trustee, with the cooperation of the Debtors or the Liquidating Trust, as applicable, shall direct DTC and any other applicable securities depository to surrender the Junior Secured Notes to the Junior Secured Notes Indenture Trustee. All distributions by the Junior Secured Notes Indenture Trustee to Registered Holders of Junior Secured Notes Claims shall only be made to such holder after (i) the surrender by each such holder of the debt securities representing such Junior Secured Notes

Claim or appropriate instructions from the applicable securities depository have been received by the Junior Secured Notes Indenture Trustee; or (ii) the loss, theft, mutilation, or destruction of such debt securities has been established to the reasonable satisfaction of the Junior Secured Notes Indenture Trustee, which satisfaction may require such Registered Holder to submit a lost instrument affidavit and an indemnity bond holding the Debtors, the Liquidating Trust, and the Junior Secured Notes Indenture Trustee harmless in respect of such debt securities and distributions made in respect thereof. Each Registered Holder shall be deemed to have surrendered such debt securities as of the date it has complied with the foregoing conditions. Upon surrender of such debt securities, the Junior Secured Notes Indenture Trustee shall cancel and destroy such debt securities. As soon as practicable after the surrender date, the Junior Secured Notes Indenture Trustee shall distribute to the holder thereof such holder's pro rata share of the distribution, but subject to the rights of the Junior Secured Notes Indenture Trustee to assert its Junior Secured Notes Indenture Trustee Charging Lien against such distribution. Any Registered Holder that fails to surrender such debt securities or, if applicable, satisfactorily explain the loss, theft, or destruction of such debt securities to the Junior Secured Notes Indenture Trustee within one (1) year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Liquidating Trust, or the Junior Secured Notes Indenture Trustee in respect of such Claim and shall not be entitled to receive any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall, subject to the Junior Secured Notes Indenture Trustee Charging Lien, be promptly returned to the Liquidating Trust by the Junior Secured Notes Indenture Trustee and any such debt securities shall be cancelled.

b. Senior Unsecured Notes. On the Effective Date, or as soon as reasonably practicable thereafter, the Senior Unsecured Notes Indenture Trustee, with the cooperation of the Debtors or the Liquidating Trust, as applicable, shall advise DTC and any other applicable securities depository of the occurrence of such Effective Date and the cancellation of the Debtors obligations with respect to the Senior Unsecured Notes, but not to terminate the CUSIP or ISIN numbers of the Senior Unsecured Notes. At such time as the Senior Unsecured Notes Indenture Trustee is prepared to release the Units it received on account of the Senior Unsecured Notes Claims, it may request that such depositories surrender the Senior Unsecured Notes, if deemed appropriate, or with the cooperation of the Debtors or the Liquidating Trust, issue such other instructions to DTC and any other securities depository, as appropriate to effectuate the distributions contemplated under the Plan; provided, however, that nothing herein shall contravene the effectiveness of the Senior Unsecured Notes as set out in Article IV.K. No distributions under the Plan shall be made for or on behalf of a Registered Holder unless and until (i) such debt securities have been received by the applicable Indenture Trustee or other appropriate instructions have been issued or received by the applicable Indenture Trustee; or (ii) the loss, theft, or destruction of such debt securities has been established to the reasonable satisfaction of the Senior Unsecured Notes Indenture Trustee, which satisfaction may require such Registered Holder to submit a lost instrument affidavit and an indemnity bond holding the Debtors, the Liquidating Trust, and the Senior Unsecured Notes Indenture Trustee harmless in respect of such debt securities and any distributions to be made in respect thereof. Each Registered Holder shall be deemed to have surrendered such debt securities as of the date it has complied with the foregoing conditions. On such surrender or deemed surrender date, the Senior Unsecured Noteholders shall be entitled to receive distributions pursuant to the Plan.

If required by the Senior Unsecured Notes Indenture Trustee, any Registered Holder that fails to surrender such debt securities or, if applicable, satisfactorily explain the loss, theft, or destruction of such debt securities to the Senior Unsecured Notes Indenture Trustee within one (1) year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Liquidating Trust, or the Senior Unsecured Notes Indenture Trustee in respect of such Claim and shall not be entitled to receive any distribution under the Plan. All property in respect of such forfeited distributions, including interest thereon, shall be promptly returned to the Liquidating Trust by such Indenture Trustee and any such debt securities shall be cancelled.

4. Minimum Distributions; Foreign Exchange Rate; and Other Distribution Limitations

Other than with respect to Allowed General Unsecured Convenience Claims and Allowed ETS Unsecured Claims, no Cash payment of less than \$50 shall be made to a holder of an Allowed Claim on account of such Allowed Claim. If a holder of an Allowed Claim would be entitled to receive less than \$50 as of the time of a particular distribution, but would be entitled to receive more than \$50 in combination with later distributions, the Disbursing Agent will combine such distributions with later distributions to such holder of an Allowed Claim so that such holder may eventually be entitled to a distribution of at least \$50 in value.

Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be required, the actual payment shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

Except as otherwise provided in the Plan or a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than United States dollars shall be automatically deemed converted to the equivalent United States dollar value using the exchange rate as of the Petition Date as quoted at 4:00 p.m. (EDT), mid-range spot rate of exchange for the applicable currency as published in The Wall Street Journal, National Edition, on the Petition Date.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to a holder of an Allowed Claim is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has determined the then current address of such holder, at which time such distribution shall be made to such holder without interest; provided, however, that such distributions shall be deemed unclaimed property under Bankruptcy Code section 347(b) at the expiration of six (6) months from the applicable date of distribution. After such date, all unclaimed property or interests in property shall revert to the Liquidating Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any holder to such property or interest in property shall be released, settled, compromised, and forever barred.

H. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed upon it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any taxes imposed on such holder by any Governmental Unit, including income, withholding and other tax obligations, on account of such distribution. The Disbursing Agent has the right, but not the obligation, not to make a distribution until such holder has made arrangements satisfactory to the Disbursing Agent for payment of any such withholding tax obligations and, if the Disbursing Agent fails to withhold with respect to any such holder's distribution, and is later held liable for the amount of such withholding, the holder shall reimburse the Disbursing Agent. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms it believes are reasonable and appropriate. The Disbursing Agent may require, as a condition to the receipt of a distribution, that the holder complete the appropriate Form W-8 or Form W-9, as applicable to each holder. If the holder fails to comply with such a request within six months, such distribution shall be deemed an unclaimed distribution. Finally, the Disbursing Agent reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

I. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount (as determined for federal income tax purposes) of such Claims, and then, to the extent the consideration exceeds the principal amount of such Claims, to any portion of such Claims for accrued but unpaid interest, provided, however, that distributions on the RMBS Trust Claims shall be allocated pursuant to the RMBS Trust Allocation Protocol described in Article IV herein.

J. Setoffs and Recoupment

The Liquidating Trust may, but shall not be required to, setoff against or recoup from any Claims of any nature whatsoever that it may have against the claimant, including any Causes of Action transferred to the Liquidating Trust by the Debtors, but neither the failure to do so nor the Allowance of any Claim shall constitute a waiver or release by the Debtors or the Liquidating Trust of any such Claim it may have against the holder of such Claim.

Before the Liquidating Trust can set-off or recoup against the distribution to be made on account of an Allowed Claim, the holder of the Claim shall be served with written notice of the proposed setoff or recoupment at least thirty (30) days prior to the Liquidating Trust exercising

any asserted setoff or recoupment right, and, if such claimant serves a written objection to such asserted setoff or recoupment on or before thirty (30) days of receipt of such written notice, (i) the objection shall be deemed to initiate a contested matter governed by, inter alia, Bankruptcy Rule 9014 and Local Bankruptcy Rules 9014-1 and 9014-2, (ii) nothing herein shall affect the respective burden of each party in connection with such contested matter, and (iii) the Liquidating Trust shall not proceed with the asserted setoff or recoupment absent the withdrawal of such objection or the entry of a Final Order overruling such objection.

K. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

Except as otherwise provided herein, including with respect to the Ally Contract Claims, the Debtors, on or prior to the Effective Date, or the Liquidating Trust, after the Effective Date, shall reduce a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice, action, order, or approval of the Bankruptcy Court, to the extent that the holder of such Claim receives payment on account of such Claim from a party that is not a Debtor, the Liquidating Trust, or other party making distributions on account of the Claim pursuant to the Plan.

2. Claims Payable by Insurers

(a) Distributions. Except as otherwise provided herein, including with respect to the rights of (i) the Kessler Settlement Class and (ii) other creditors who have entered into a settlement agreement with the Debtors prior to the Effective Date, in and to the GM Insurance Rights as provided herein and in the Kessler Settlement Agreement, and the Ally Contract Claims:

- (i) No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies, excluding the GM Policies, until the holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy; and
- (ii) to the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' payment, such Claim may be expunged without an objection to such Claim having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court,

provided, that if a Debtor or the Liquidating Trust believes a holder of an Allowed Claim has recourse to an insurance policy and intends to withhold a distribution pursuant to this Article VII.K, the Debtor, prior to the Effective Date, or Liquidating Trust, following the Effective Date, shall provide written notice to such holder as to what the Debtor or Liquidating Trust believes to be the nature and scope of applicable insurance coverage.

(b) Insurance Neutrality. Except as set forth below in VII.K.2.(e), nothing contained in this Plan, in the Disclosure Statement, in the Liquidating Trust Agreement, or in the Borrower Claims Trust Agreement (including addendums, exhibits, schedules, or supplements to the Plan, Disclosure Statement, Liquidating Trust Agreement, or Borrower Claims Trust Agreement, and including any provision that purports to be preemptory or supervening), shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying the rights under the GM Policies of any of those insurers that issued the GM Policies (the “GM Insurers”). Except as set forth below in VII.K.2.(e), for all issues of insurance coverage or otherwise, the provisions, terms, and conditions of the GM Policies, as construed under applicable non-bankruptcy law, shall control.

(c) Preservation of Insurance-Related Causes of Action. Nothing contained in this Plan, in the Disclosure Statement, in the Liquidating Trust Agreement, or in the Borrower Claims Trust Agreement (including addendums, exhibits, schedules, or supplements to the Plan, Disclosure Statement, Liquidating Trust Agreement, or Borrower Claims Trust Agreement, and including any provision that purports to be preemptory or supervening), shall in any way operate to, or have the effect of, impairing, reducing, decreasing, or impeding any Cause of Action that the Debtors, the Liquidating Trust, or any Entity may hold against any insurers under any policies of insurance.

(d) Settlement Insurance Policies. Nothing contained in this Article VII of the Plan shall impair, reduce, decrease, or impede Ally’s rights under the Plan to recover from the Settlement Insurance Policies or any of its other insurance policies.

(e) Defenses to Assignment of Rights. The GM Insurers shall be deemed to have waived any defense to coverage that is based on the assertion that the transfer of the insurance rights in this Plan are invalid, unenforceable or otherwise breach the terms of the GM Policies. For the avoidance of doubt, as set forth in VII.K.2.(b), all other rights and defenses shall remain unaffected by the Plan, the Disclosure Statement, and the Liquidating Trust Agreement, and the Borrower Claims Trust Agreement.

L. Allowed Unsecured Claims for Which More than One Debtor in a Debtor Group Is Jointly and/or Severally Liable

Where a Creditor holds Allowed Unsecured Claims for which more than one Debtor in a Debtor Group is jointly and/or severally liable, such creditor shall only receive one recovery from the Debtor Group on account of such Claim. This provision shall not affect distributions on account of such Creditor’s Allowed Claims, if any, against the Debtors in another Debtor Group.

M. Distributions Free and Clear

Except as otherwise provided herein, any distributions under this Plan shall be free and clear of any Liens, Claims, and encumbrances, and no other Entity, including the Debtors, the Liquidating Trust, or the Disbursing Agent shall have any interest (legal, beneficial or otherwise) in property of the Estate distributed pursuant to this Plan, except that (i) distributions on account

of Senior Unsecured Note Claims shall remain subject to the Senior Unsecured Notes Indenture Trustee Charging Lien, and (ii) distributions on account of Junior Secured Notes Claims shall remain subject to the Junior Secured Notes Indenture Trustee Charging Lien.

ARTICLE VIII.

PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Applicability

The provisions of this Article VIII shall govern the resolution of Disputed Claims to the extent not otherwise provided for in this Plan or in any other trust agreement (such as the RMBS Claims Trust Agreement, the Private Securities Claims Trust Agreement or the Borrower Claims Trust Agreement) or plan of allocation (such as the RMBS Trust Allocation Protocol) approved under this Plan. To the extent the provisions of any such trust agreement or plan of allocation address specifically matters set forth in this Article VIII, the provision of such trust agreement or plan of allocation shall govern.

2. Allowance of Claims

On or after the Effective Date, the Liquidating Trust shall have and shall retain any and all rights and defenses that the Debtors had with respect to any Claim, except with respect to any Claim (i) deemed Allowed as of the Effective Date or (ii) waived, relinquished, exculpated, released, compromised, settled, or Allowed in the Plan or in a Final Order. Except as otherwise provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date, including the Confirmation Order, no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed (a) under the Plan or the Bankruptcy Code or (b) by Final Order of the Bankruptcy Court, including the Confirmation Order.

3. Prosecution of Objections to Claims

On the Effective Date, the Liquidating Trust will have the exclusive authority to: (a) File, withdraw, or litigate to judgment, objections to Claims or Equity Interests (other than Borrower Claims, Private Securities Claims, and the NJ Carpenters Claims); (b) settle or compromise (or decline to do any of the foregoing) any Disputed Claim (other than Borrower Claims, Private Securities Claims, and NJ Carpenters Claims) or Cause of Action (other than the Borrower-Related Causes of Action) without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

4. Claims Estimation

The Plan Proponents, prior to the Effective Date, or the Liquidating Trust or Borrower Claims Trust (to the extent provided for in the Borrower Claims Trust

Agreement), as applicable, following the Effective Date, may request that the Bankruptcy Court estimate any disputed, contingent, or unliquidated Claim to the extent permitted by Bankruptcy Code section 502(c) regardless of whether the Plan Proponents (prior to the Effective Date) or the Liquidating Trust or Borrower Claims Trust (following the Effective Date) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection. Among other things, the Plan Proponents may request that the Bankruptcy Court estimate the Recognized RMBS Claims in the amounts set out in the RMBS Trust Claims Schedules for the purpose of implementing the RMBS Trust Allocation Protocol. The Bankruptcy Court shall have jurisdiction to estimate any Claim at any time during litigation concerning any objection to such Claim, including during the pendency of any appeal relating to any such objection. Except as set forth below with respect to reconsideration under section 502(j) of the Bankruptcy Code, in the event that the Bankruptcy Court estimates any Disputed Claim, contingent Claim, or unliquidated Claim, that estimated amount shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim for all purposes under this Plan, including for purposes of distributions. If the estimated amount constitutes a maximum limitation on such Claim, the Liquidating Trust or Borrower Claims Trust (to the extent provided for in the Borrower Claims Trust Agreement) may elect to pursue any supplemental proceedings to object to any ultimate distribution on account of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such holder has Filed a motion requesting the right to seek such reconsideration on or before twenty-one (21) days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

5. Expungement or Adjustment of Claims Without Objection

Any Claim that has been paid, satisfied, or superseded may be expunged on the Claims Register by the Debtors' notice and claims agent, and any Claim that has been amended may be adjusted thereon by the Debtors' notice and claims agent, in both cases without a Claims objection having to be Filed and without any further notice to or action, order or approval of the Bankruptcy Court.

6. Deadline to File Claims Objections

Any objections to Claims shall be Filed by no later than the applicable Claims Objection Deadline.

B. Disallowance of Claims

Any Claims held by an Entity from which property is recoverable under Bankruptcy Code sections 542, 543, or 550, or that is a transferee of a transfer avoidable under Bankruptcy Code sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a), shall be deemed disallowed pursuant to Bankruptcy Code section 502(d), and holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes

of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due, if any, by that Entity have been turned over or paid by such Entity to the Debtors or the Liquidating Trust.

EXCEPT AS OTHERWISE AGREED BY THE DEBTORS, THE LIQUIDATING TRUST, OR THE BORROWER CLAIMS TRUST, AS APPLICABLE, OR ORDERED BY THE BANKRUPTCY COURT, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE APPLICABLE BAR DATE SHALL BE DEEMED DISALLOWED, DISCHARGED, RELEASED, AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM IS DEEMED TIMELY FILED BY A FINAL ORDER OF THE BANKRUPTCY COURT.

C. Amendments to Claims

On or after the Effective Date, a Claim may not be Filed or amended without prior authorization of the Bankruptcy Court, the Liquidating Trustees, or the Borrower Claims Trustee, as applicable, and any such new or amended Claim Filed without such prior authorization shall be deemed disallowed in full and expunged without any further action.

D. Disputed Claims Reserve

The provisions of this Article VIII.D shall apply to Disputed Claims held by Liquidating Trust Unit Beneficiaries.

To effect distributions to holders of Allowed Unsecured Claims in a timely manner, prior to the Effective Date, the Plan Proponents shall file a motion for an order establishing the Disputed Claims Reserve with respect to unliquidated and/or Disputed Claims. The Disputed Claims Reserve shall be issued a number of Units equal to the amount sufficient to provide the distributions to which holders of Disputed Claims would be entitled under the Plan as of such date as if the Disputed Claims were Allowed Claims either in the amounts of the Claims as filed or in such amounts as estimated in accordance with Article VIII.A.4. The Disputed Claims Reserve shall also hold the Cash distributed with respect to such Units, provided that in its discretion, the Liquidating Trust Board may substitute non-Cash assets for Cash distributed in respect of Units held in the Disputed Claims Reserve, which non-Cash assets may be monetized from time to time by the Disputed Claim Reserve; provided, however, that distributions from the Disputed Claims Reserve shall only be made in Units and Cash; and provided further that in connection with any such substitution of non-Cash assets, the Liquidating Trust Board shall give due consideration to the timing and amount of scheduled and anticipated payments and both the fair market value and the timing of monetization of such non-Cash assets, so as to enable the Liquidating Trust to distribute Cash in respect of Units that are released from the Disputed Claims Reserve as such Cash distributions are due.

Disputed Claims that become Allowed, in whole or in part, shall be satisfied exclusively out of the Disputed Claims Reserve. The holder of a Disputed Claim that becomes Allowed, in

whole or in part, shall receive a number of Units and amount of Cash equal to the number of Units and amount of Cash such holder would have received in accordance with the provisions of the Plan had such Claim been Allowed as of the Initial Unit Distribution Record Date. In the event the Units, and the Cash distributed with respect thereto, remaining in the Disputed Claims Reserve shall be insufficient to satisfy all the Disputed Claims that have become Allowed and are due to be satisfied with distributions from the Disputed Claims Reserve on any Unit Distribution Date, such Disputed Claims shall be satisfied Pro Rata from the Disputed Claims Reserve. After all Units, and the Cash distributed with respect thereto, have been distributed from the Disputed Claims Reserve, no further distributions shall be made in respect of Disputed Claims.

If a Disputed Claim is disallowed, in whole or in part, then on the Unit Distribution Date next following the date of determination of such disallowance, unless the Liquidating Trust Board determines otherwise, there shall be released from the Disputed Claims Reserve, (i) a number of Units equal to the Units that would have been released from the Disputed Claims Reserve to the holder thereof had such Claim been Allowed in the as-filed or estimated amount, as applicable, of such Claim, or disallowed portion thereof if such Claim is disallowed in part, which Units shall be cancelled and retired and (ii) Cash, in the amount of such distribution made to the Disputed Claims Reserve in respect of such Units since the Effective Date, which shall then be unreserved and unrestricted, and which shall be added to the Liquidating Trust Expenses Set Aside or available for distribution to the Unitholders, as determined by the Liquidating Trust Board.

If the Liquidating Trust Board at any time determines that it is not necessary to hold in the Disputed Claims Reserve all of the Units and Cash and other assets, if any, contained therein in order to satisfy all Disputed Claims of Liquidating Trust Unit Beneficiaries, the Liquidating Trust Board may, but shall not be required to, cancel such number of Units in the Disputed Claims Reserve as it determines is not required for the satisfaction of Disputed Claims and release from the Disputed Claims Reserve for distribution to Unitholders, or for deposit to the Liquidating Trust's Administrative Reserve, some or all of the Cash previously deposited to the Disputed Claims Reserve in respect of such Units. Any non-Cash assets released from the Disputed Claims Reserve shall become general, unrestricted assets of the Liquidating Trust. At such time as all Disputed Claims of the Liquidating Trust Unit Beneficiaries have been resolved, any remaining Units in the Disputed Claims Reserve shall be cancelled and any remaining Cash in the Disputed Claims Reserve shall be released from the Disputed Claims Reserve for application as aforesaid.

ARTICLE IX.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Compromise and Settlement of Claims, Equity Interests, and Controversies

In accordance with section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests

and controversies relating to the contractual, legal and subordination rights that a holder of a Claim may have with respect to any Allowed Claim or Equity Interest, or any distribution to be made on account of such Allowed Claim or Equity Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates and holders of Claims and Equity Interests and is fair, equitable and reasonable. In accordance with the provisions of the Plan, pursuant to section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order or approval of the Bankruptcy Court, after the Effective Date, the Liquidating Trust may compromise and settle Claims against the Debtors and Causes of Action against other Entities.

B. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of any Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall vest in the Liquidating Trust.

C. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, including with respect to the Ally Released Parties, the Ally Contribution provided to the Estates under the Plan and otherwise, on and as of the Effective Date of the Plan, the Debtor Released Parties are deemed released and discharged by the Debtors, the Estates and the Liquidating Trust from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, or otherwise, including those Causes of Action based on avoidance liability under federal or state laws, veil piercing or alter-ego theories of liability, a theory of debt recharacterization, or equitable subordination liability, arising from or related in any way to the Debtors, including those that any of the Debtors would have been legally entitled to assert against a Debtor Released Party in its own right (whether individually or collectively) or that any holder of a Claim or Equity Interest, the Liquidating Trust, or other Entity would have been legally entitled to assert on behalf of any of those Debtors or any of their Estates, including those in any way related to the Chapter 11 Cases or the Plan to the fullest extent of the law.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the

Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Debtor Released Parties; (2) a good faith settlement and compromise of the claims released by the Debtors' release; (3) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for a hearing; and (6) a bar to the Debtors, the Liquidating Trust and any holder of a Claim or Equity Interest or other Entity who would have been legally entitled to assert such Claim or Equity Interest on behalf of any of the Debtors or any of their Estates from asserting any Claim or Cause of Action released pursuant to the Debtors' release.

D. Third Party Release

On and as of the Effective Date of the Plan, except as provided by Article IX.E, the holders of Claims and Equity Interests shall be deemed to provide a full and complete discharge and release to the Ally Released Parties and their respective property from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise, arising from or related in any way to the Debtors, including those in any way related to RMBS issued and/or sold by the Debtors or their affiliates and/or the Chapter 11 Cases or the Plan, the Consent Order, and the Order of Assessment.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, of the Third Party Release, and further, shall constitute the Bankruptcy Court's finding that this Third Party Release is: (1) in exchange for the good, valuable and substantial consideration provided by the Ally Released Parties; (2) in the best interests of the Debtors, the Estates, the Liquidating Trust and all holders of Claims and Equity Interests; (3) fair, equitable and reasonable; (4) given and made after due notice and opportunity for a hearing; (5) justified by truly unusual circumstances; (6) an essential component and critical to the success of the Plan; (7) resulted in distributions to the Creditors that would otherwise have been unavailable; (8) the result of an identity of interest between the Debtors and the Ally Released Parties regarding the Plan; and (9) a bar to any party asserting a claim or cause of action released pursuant to this Third Party Release against any of the Ally Released Parties.

E. Third Party Release Carve-Out

Notwithstanding anything to the contrary herein, the Third Party Release shall not apply to any claims held by: (i) the FHFA, as conservator for Fannie Mae, and/or Fannie Mae against Ally Bank, including, without limitation, any claims of FHFA and/or Fannie Mae against Ally Bank for continuing liabilities, obligations, and duties owed by Ally Bank to FHFA and/or Fannie Mae under the Fannie Mae Contract, including the obligations and duties to honor all selling and servicing representations and warranties related to the portfolio of loans sold and/or serviced, or that were previously serviced, by Ally Bank; (ii) the FHFA and/or Freddie Mac (a) against Ally Bank for any selling and servicing representation and warranty claims for loans sold

to Freddie Mac directly by Ally Bank subsequent and pursuant to the May 1, 2012 and August 1, 2012 master selling and servicing agreements among Ally Bank and Freddie Mac, and (b) against Ally Financial Inc. as guarantor for the limited time that the Debtors subserviced the Ally Bank loans sold pursuant to the agreements set forth in clause (a) above, (iii) the United States and the DOJ/AG Settling States with regard to any monetary obligation the Ally Released Parties may have arising under the DOJ/AG Settlement or causes of action preserved under Article V and Exhibits F and G of the DOJ/AG Settlement; and shall not apply to (iv) any liability or obligation of AFI to the United States or the States arising under the Internal Revenue Code, environmental laws, civil fraud laws, or criminal laws, including, but not limited to, any such liability or obligation preserved under Article V and Exhibits F and G of the DOJ/AG Settlement.

Nothing herein is intended to expand any liabilities under any agreement set forth above or applicable law; the carve outs set forth above in clauses (ii) and (iii) are limited to liabilities under agreements referenced therein and Ally expressly reserves all rights, claims, and defenses against persons and entities carved out under this Article IX.E. regarding any liability that is the subject of this Article IX.E.

For the avoidance of doubt, no party can assert claims, causes of actions or liabilities against the Debtors or Liquidating Trust arising from claims that are carved out under Article IX.E(i).

Nothing in the Plan releases AFI or any other party from the obligations under the Employees Retirement Plan for GMAC Mortgage Group, LLC (the “Pension Plan”) and ERISA. Notwithstanding the foregoing, upon the Effective Date, the Debtors and the Plan Trusts shall be released from all obligations under the Pension Plan and ERISA related thereto, except for any Claims for fiduciary breaches or prohibited transactions (as defined in ERISA) relating to the Pension Plan under applicable law.

F. Ally Release

Except with respect to the Ally Contract Claims, on and as of the Effective Date of the Plan, the Ally Released Parties shall release the Creditors’ Committee, the Debtors, and the Consenting Claimants and their respective successors and assigns, members, partners, advisors, and Representatives, in their capacities as such, from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise arising from or related to the Debtors’ liquidation, including the negotiation, formulation, or preparation of the Plan Support Agreement, the Plan, the Disclosure Statement, and any other Plan Documents and related disclosures, as well as any counterclaims in commenced or tolled litigation with the Debtors or the Consenting Claimants.

G. Junior Secured Notes Releases

On and as of the Effective Date, (i) each of the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Predecessor Indenture Trustee, the Ad Hoc Group, and the Junior Secured Notes Collateral Agent, and each of their predecessors,

successors, and assigns, group members (except any such member of the Ad Hoc Group that voted to reject the Plan and has not changed its vote to accept the Plan by the Confirmation Date), general partners, advisors, and Representatives, each solely in their capacities as such, shall release (a) each other, and (b) the Debtors, the Creditors' Committee, each of the Consenting Claimants, and the Ally Released Parties, and each of their predecessors, successors and assigns, members, partners, advisors, and Representatives, each solely in their capacities as such; and (ii) the Debtors, the Creditors' Committee, each of the Consenting Claimants, and the Ally Released Parties and each of their successors and assigns, group members, general partners, advisors, and Representatives, each solely in their capacities as such, shall release the Consenting JSNs, the Junior Secured Notes Indenture Trustee, the Junior Secured Notes Predecessor Indenture Trustee, the Ad Hoc Group, and the Junior Secured Notes Collateral Agent and each of their predecessors, successors, and assigns, members (except any such member of the Ad Hoc Group that voted to reject the Plan and has not changed its vote to accept the Plan by the Confirmation Date), partners, advisors, and Representatives, each solely in their capacities as such, in the case of (i) and (ii) above from any and all Claims and Causes of Action whatsoever, whether known or unknown, asserted or unasserted, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise arising from or related to the Debtors, including, without limitation, any right to seek sanctions, take discovery, or initiate any investigation or examination pursuant to Bankruptcy Rule 2004 or any other similar action, all of which shall be considered Released Claims under the Plan; it being understood and agreed that the Claims and Causes of Action being released pursuant to this Article IX.G are limited to those Claims and Causes of Action arising from or related to the JSN Documents and each Person's conduct and participation in the Chapter 11 Cases and shall not include any Claims or Causes of Action that a Person holds in any other capacity or arising under any other documents or facts and circumstances; provided, however, that nothing in this release shall limit the rights of the Junior Secured Notes Indenture Trustee to receive and make distributions as provided in the Junior Secured Notes Indenture and as provided and preserved in the Plan. Notwithstanding anything to the contrary contained in this Article IX.G., any Person (other than a Person that is itself a member of the Ad Hoc Group or a Junior Secured Noteholder, in each case that is also a Consenting JSN) that is a former, present or future parent, affiliate, member, member firm, associated entity, shareholder, principal, limited partner, equity investor, or managed entity (along with the respective attorneys, financial advisors, investment advisors, employees, officers, directors, managers, agents and other authorized representatives of each of the foregoing) of a Consenting Claimant or a Junior Secured Noteholder that is a Consenting JSN, in each case solely in their capacities as such, shall be the recipient of, but shall not itself grant to any other Person, the release provided for by this Article IX.G. Notwithstanding the above, nothing contained in this Article IX.G in any way limits Article IX.D.

H. Exculpation

The Exculpated Parties shall neither have, nor incur, any liability to any entity for any pre-petition or post-petition act or omission taken in connection with, or related to, formulating, negotiating, preparing, disseminating, soliciting, implementing, administering, confirming, or effecting the consummation of any prepetition plan support agreements, the

Plan Support Agreement, the Plan, the Disclosure Statement, the FGIC Settlement Agreement, the Kessler Settlement Agreement, the RMBS Settlement, the settlement of the Junior Secured Notes Claims as provided in this Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, provided, however, that the foregoing provisions of this Exculpation shall have no effect on the liability of any entity that results from any such act that is determined in a final, non-appellable order to have constituted gross negligence or willful misconduct; provided, however, that the Exculpated Parties shall be entitled to rely upon the advice of counsel and financial advisors concerning his, her, or its duties pursuant to, or in connection with, any prepetition plan support agreement, the Plan Support Agreement, the Plan, the Disclosure Statement, the FGIC Settlement Agreement, the Kessler Settlement Agreement, the RMBS Settlement, and the settlement of the Junior Secured Notes Claims as provided in this Plan. Notwithstanding the foregoing or any other provision in this Plan to the contrary, as to the DOJ-Represented Agencies, nothing in this paragraph shall release or exculpate any of the Exculpated Parties from any liability or obligation to the DOJ-Represented Agencies for any pre-petition act or omission, or from any liability or obligations arising under the tax laws, the environmental laws, civil fraud laws, criminal laws, or the police or regulatory powers of the United States, except (i) to the extent the applicable Bar Date or the discharge, release or injunction provisions of the Plan bar the United States from pursuing Claims against the Debtors or the Liquidating Trust and (ii) to the extent the United States released or settled any causes of action against any of the Exculpated Parties, including but not limited to under the DOJ/AG Settlement (including exhibits). For the avoidance of doubt, nothing in the foregoing provisions shall release or exculpate the Ally Released Parties from any claims or obligations to the United States and the DOJ/AG Settling States arising under the DOJ/AG Settlement or causes of action preserved under Article V and Exhibits F and G of the DOJ/AG Settlement.

I. Injunction

Except as otherwise provided in the Confirmation Order or herein and in accordance with Article IX.E hereof, all Entities, including Investors, who have held, hold or may hold Claims, Equity Interests, Causes of Action or liabilities that constitute Released Claims, are permanently enjoined and precluded, from and after the effective date of the Plan, from: (a) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party whether directly, derivatively or otherwise, on account of or in connection with or with respect to any Released Claims; (b) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against any Released Party on account of or in connection with or with respect to any Released Claims; (c) creating, perfecting or enforcing any lien (other than any charging lien of a trustee under its respective indenture), claim or encumbrance of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; (d) asserting any right to setoff, subrogation or recoupment of any kind against any obligation due from any Released Party on account of or in connection with or with respect to any Released Claims unless such holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in a Proof of Claim or Equity Interest or otherwise that such holder asserts, has or intends to preserve any right of setoff pursuant to section 553 of

the Bankruptcy Code or otherwise; (e) commencing or continuing in any manner or action or other proceeding of any kind against any Released Party on account of or in connection with or with respect to any Released Claims; and (f) seeking relief or collecting judgments on an Investor-related securities claim in a manner that fails to conform with the terms of the judgment reduction provision set forth in the Plan and the Confirmation Order; provided, that nothing contained herein shall be construed to prevent any entity from objecting to claims or defending against claims objections or collection actions whether by asserting a right of setoff or otherwise to the extent permitted by law. Such injunction shall extend to the successors of the Liquidating Trust, if any, and to their respective properties and interests in property. Any person injured by any willful violation of this injunction shall be entitled to recover actual damages, including costs and attorneys' fees and, in appropriate circumstances, may recover punitive damages from the willful violator.

For the avoidance of doubt, nothing in Article IX.E shall expand or limit the application of this Article IX.I to Claims, Equity Interests, Causes of Action or liabilities against the Debtors or the Liquidating Trust.

J. Waiver of Subrogation

The GMACM Debtors and the RFC Debtors hereby release the ResCap Debtors from any and all liability or responsibility to the GMACM Debtors and the RFC Debtors or any entity claiming through or under the GMACM Debtors and the RFC Debtors by way of subrogation or otherwise, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, violations of federal or state securities laws, or otherwise, including those subrogated Causes of Action based on avoidance liability under federal or state laws, veil piercing or alter-ego theories of liability, a theory of debt recharacterization, or equitable subordination liability, arising from or related in any way to the Debtors, including those that any of the Debtors would have been legally entitled to assert against a Released Party in its own right (whether individually or collectively) or that any holder of a Claim or Equity Interest, the Liquidating Trust, or other entity would have been legally entitled to assert on behalf of any of those Debtors or any of their Estates, including those in any way related to the Chapter 11 Cases or the Plan to the fullest extent of the law.

K. Satisfaction and Release of Claims and Equity Interests

The rights afforded herein and the treatment of all Claims and Equity Interests herein shall be in exchange for and in complete satisfaction and release of all Claims of any nature whatsoever, including any interest accrued on such Claims from and after the Petition Date, against the Debtors, the Liquidating Trust, or any of their respective assets or properties arising prior to the Effective Date. Except as otherwise expressly specified in the Plan, after the Effective Date, any holder of such Claim or Equity Interest shall be precluded from asserting against the Debtors, the Liquidating Trust, or any of their respective assets or properties, any other or further Claim based on any document, instrument, act, omission, transaction, or other activity of any kind or nature that occurred before the entry of the Confirmation Order.

L. Judgment Reduction for Co-Defendants in Securities Litigation

A defendant against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has a claim for indemnity or contribution that is subject to the Third Party Releases shall be entitled to a judgment credit in the underlying litigation in the amount and on the terms that would be available if the Third Party Releases were treated as a bar order in the underlying litigation, in accordance with, and to the extent permitted under, applicable statutory or common law, as determined by a court of competent jurisdiction. (For the avoidance of doubt, a defendant against whom a judgment of a court of competent jurisdiction is obtained (whether in a proceeding now pending or hereafter commenced) on an Investor-related securities claim where such defendant has or had a claim for indemnity or contribution against any Debtor is not precluded from asserting that it is entitled to a judgment credit in the underlying litigation in connection with such claim against the Debtors, and the plaintiff(s) in such action shall have the right to oppose any such request for a judgment credit on any basis, including but not limited to that no such right exists and with reference to Bankruptcy Code section 502(e)). For the avoidance of doubt, judgment reduction in the NJ Carpenters Class Action shall be governed by the terms of the Order and Final Judgment entered by the District Court granting final approval to the NJ Carpenters Settlement. *See* Docket No. 5354. Notwithstanding the foregoing and without limitation (i) no Ally Released Party shall be deemed to have admitted to such fault by virtue of this provision; (ii) nothing herein shall create any right for a defendant that it does not have under applicable statutory or common law, if any, to obtain discovery from any Ally Released Party, or create an obligation for any Ally Released Party to participate in any proceeding to determine fault that does not exist under applicable statutory or common law, if any, in connection with such claim; and (iii) no finding in any proceeding to determine fault shall create any claim against any Ally Released Party or obligation of any Ally Released Party to satisfy any claim. For the avoidance of doubt, nothing in this Article IX.L affects the Third Party Releases, and all parties' rights under applicable law with respect to discovery and any Ally Released Party's participation in any proceeding to determine fault are preserved.

M. Limitations

For the avoidance of doubt, the releases set forth in this Article IX shall not extend to: (i) any rights, defenses, or counterclaims under any directors & officers or errors & omissions insurance policies sold by any of the Consenting Claimants, the Consenting JSNs, or their affiliates and covering either the Debtors or any of the Ally Released Parties; (ii) any indemnity rights against non-Ally Released Parties arising out of the Kessler Class Action or to any other indemnity right against non-Ally Released Parties arising out of any other claims of Borrowers; specifically, these releases do not extend to any indemnity rights RFC may have against any non-Ally Released Party that is a successor in interest to CBNV and GNBT, including, but not limited to, those indemnity rights extending out of the client contracts between RFC, on the one hand, and either CBNV or GNBT, on the other hand, which incorporate by reference the indemnity provisions of RFC's AlterNet Seller Guide, and (iii) any indemnity rights held by the Debtors' Representatives against Ally arising from Claims not released by this Article IX.

Notwithstanding anything in this Article IX or in the Plan to the contrary, on the Effective Date, the Berkshire APA shall vest in the Liquidating Trust in accordance with the Plan

and the Berkshire Sale Order. The Liquidating Trust shall assume and perform any and all rights, benefits, duties and obligations of the Debtors under the Berkshire APA and the Berkshire Sale Order in accordance with their terms, and such rights, benefits, duties and obligations shall not be deemed to have been released or discharged by the occurrence of the Effective Date, by any provisions of the Plan (including, but not limited to, the provisions of Article IX of the Plan), or otherwise. Nothing in the Plan Documents shall, or shall be deemed or construed to, alter, change, modify or amend the terms and provisions of the Berkshire APA or the rights of the Debtors, the Liquidating Trust, and Berkshire Hathaway Inc. and its Affiliates, subsidiaries, and related entities, as applicable, thereunder, which rights shall continue in full force and effect and be enforceable following the Effective Date in accordance with the terms thereof. For the avoidance of doubt, Berkshire Hathaway Inc., its Affiliates, subsidiaries, and related entities shall not be required to file an Administrative Claim to preserve their rights or Claims arising after the Effective Date from or related to the Berkshire APA.

C. Waiver of Conditions

The Plan Proponents shall have the right to waive one or more of the conditions to Confirmation and Consummation of the Plan set forth in Articles X.A and X.B(b), and (e) through (j), with the consent of Ally and the Consenting Claimants, and, solely with respect to such waivers of the conditions set forth in Article X.B(c) and (d) with the consent of FGIC and the RMBS Trustees, and, solely with respect to such waivers of the conditions set forth in Article X.A(c), (f), (h) and Article X.B(a) and (b) with the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group, at any time without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan.

D. Effect of Nonoccurrence of Conditions

Each of the conditions to the Effective Date must be satisfied or duly waived, and the Effective Date must occur on or before December 24, 2013. The Plan Proponents will use best efforts for the Plan to become effective by December 19, 2013. If the Effective Date has not occurred on or before December 24, 2013, then upon motion by the Plan Proponents or Ally made before the Effective Date and a hearing, the Confirmation Order may be vacated by the Bankruptcy Court; provided, however, that notwithstanding the Filing of such motion to vacate, the Confirmation Order may not be vacated if the Effective Date occurs before the Bankruptcy Court enters an order granting such motion. If the Confirmation Order is vacated, then except as provided in any order of the Bankruptcy Court vacating the Confirmation Order, the Plan will be null and void in all respects, including the discharge of Claims and termination of Interests pursuant to the Plan and section 1141 of the Bankruptcy Code and the assumptions, assignments or rejections of Executory Contracts, and nothing contained in the Plan or Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Equity Interests or Causes of Action; (2) prejudice in any manner the rights of any Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking of any sort by such Debtor or any other Entity.

ARTICLE XI.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Subject to the terms of the Plan Support Agreement, the Plan Proponents may amend, modify, or supplement the Plan pursuant to Bankruptcy Code section 1127(a) at any time prior to the Confirmation Date; provided that the Plan Proponents obtain the consent, which shall not be unreasonably withheld, of (a) the Settling Parties, in accordance with the terms of the Plan Support Agreement; and (b) the Junior Secured Notes Indenture Trustee and a majority (by amount of holdings) of the Consenting JSNs; provided, further, that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group; provided, further, that, if the Confirmation Order has not been entered or if the Confirmation Order has been entered and a stay of such order is in effect, the Plan Proponents and Ally may agree to extend the deadline for the Effective Date of the Plan beyond December 24, 2013, with the consent of each of the Consenting Claimants in accordance with the terms of the Plan Support Agreement, with such consent to not be unreasonably withheld; provided, however, that the Plan Proponents and Ally may not extend the deadline for the Effective Date of the Plan beyond December 24, 2013 absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and Ad Hoc Group. After the Confirmation Date, but prior to Consummation of the Plan, the Plan Proponents may, with the consent, which shall not be unreasonably withheld, of (a) the other Settling Parties, in accordance with the terms of the Plan Support Agreement and (b) the Junior Secured Notes Indenture Trustee, and a majority (by amount of holdings) of the Consenting JSNs, amend, modify, or supplement the Plan without further order of the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order; provided that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group. At all times, the Plan Proponents may amend, modify, or supplement the Plan without the consent of any other Entity to the extent that such amendments, modifications, or supplements are non-material; provided that no Plan modifications may adversely affect the treatment of the Junior Secured Notes Claims or the releases of, or distributions to, the holders of Junior Secured Notes Claims absent the consent of the Junior Secured Notes Indenture Trustee, a majority (by amount of holdings) of the Consenting JSNs, and the Ad Hoc Group. For the avoidance of doubt, no modifications to the Exculpation will discriminate unfairly against any individual Exculpated Party. At any time, at the request of the RMBS Trustees, Art. IV.C.3 of the Plan may be amended as will be required to preserve the REMIC tax status of the RMBS Trusts notwithstanding the distribution of Units to the RMBS Claims Trust under the Plan to the RMBS Claims Trust on behalf of the RMBS Trusts, and such amendment will be deemed non-material.

B. Effect of Confirmation on Modifications

Pursuant to Bankruptcy Code section 1127(a), entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of the Plan

Subject to the terms of the Plan Support Agreement and conditions to the Effective Date, the Plan Proponents reserve the right to revoke or withdraw the Plan prior to the Confirmation Date and to File subsequent chapter 11 plans. If the Plan Proponents revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Equity Interest or Class of Claims or Equity Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void except as may be set forth in a separate order entered by the Bankruptcy Court; and (iii) nothing contained in the Plan shall constitute a waiver or release of any Claims or Equity Interests or prejudice in any manner the rights of the Plan Proponents, the Settling Parties, or any other Entity, or constitute an admission, acknowledgement, offer, or undertaking of any sort by the Plan Proponents or any other Entity.

ARTICLE XII.

PLEASE TAKE NOTICE THAT, on December [●], 2013, the United States Bankruptcy Court for the Southern District of New York (the “**Court**”), having jurisdiction over the chapter 11 cases of Residential Capital, LLC and its affiliated debtors, as debtors in possession (collectively, the “**Debtors**”) entered an order confirming the *Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC, et al. and the Official Committee of Unsecured Creditors* [Docket No. 6030-1] (as may be amended, modified or supplemented from time to time, the “**Plan**”).¹

Pursuant to the Plan, the Administrative Claim Bar Date shall be the first Business Day that is thirty (30) days following the Effective Date, [January [●], 2014] (the “**Administrative Claims Bar Date**”), unless otherwise ordered by the Bankruptcy Court. This date, [January [●], 2014] is the last date and time for each person or entity (including, without limitation, individuals, partnerships, corporations, joint ventures, trusts and governmental units as defined in section 101(27) of the Bankruptcy Code) to file a request for payment (a “**Request for Payment**”) for each Administrative Claim (as defined below) against any of the Debtors.

1. WHO MUST FILE A REQUEST FOR PAYMENT

You MUST file a Request for Payment if you have an Administrative Claim and it is not among the types of claims described in section 2 below.

Pursuant to section 101(5) of the Bankruptcy Code and as used in this notice, the word “claim” means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

An **Administrative Claim** means any Claim for costs and expenses of administration under sections 503(b), 507(b), or 1114(e)(2) of the Bankruptcy Code, including the actual and

¹ Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan.

necessary costs and expenses **incurred on and after May 14, 2012 through [December [●], 2013]** of preserving the Estates and operating the businesses of the Debtors, any indebtedness or obligations assumed by the Debtors in connection with the conduct of their businesses, and any Claim for goods delivered to the Debtors within twenty (20) days of the Petition Date and entitled to administrative priority pursuant to section 503(b)(9) of the Bankruptcy Code.

Please consult your legal advisor if you have any uncertainty as to whether your proposed claim may constitute an Administrative Claim. The preceding explanation is intended to provide guidance, not to serve as legal advice.

2. WHO NEED NOT FILE A REQUEST FOR PAYMENT

You do not need to file a Request for Payment on or prior to the Administrative Claim Bar Date if you are a:

- (a) holder of an Allowed Administrative Claim;
- (b) holder of an Administrative Claim paid in the ordinary course of business;
- (c) holder of a Claim of a Governmental Unit not required to be filed pursuant to section 503(b)(1)(D) of the Bankruptcy Code;
- (d) holder of a Professional Claim;
- (e) holder of a Claim for U.S. Trustee Fees.

You should not file a request for payment for an Administrative Claim if you do not have an Administrative Claim against the Debtors, or if the Administrative Claim you held against the Debtors has been paid in full.

This notice is being sent to many persons and entities that have had some relationship with or have done business with the Debtors but may not have an unpaid claim against the Debtors. The fact that you have received this notice does not mean that you have an Administrative Claim or that the Debtors or the Court believe that you have an Administrative Claim.

3. WHAT TO FILE AND SERVE

All requests for payment of an Administrative Claim must be made in writing, conform to the Bankruptcy Rules and the Local Rules for the United States Bankruptcy Court Southern District of New York (the “**Local Bankruptcy Rules**”), be filed with the Bankruptcy Court, and served on the Plan Proponents or the Liquidating Trust, as applicable, so as to be received **no later than January [●], 2014.**

Any holder of an Administrative Claim against more than one debtor must file a separate claim with respect to each such Debtor and all holders of claims must identify on their Request for Payment the specific Debtor against which their claim is asserted and the case number of that Debtor’s bankruptcy case.

4. CONSEQUENCES OF FAILURE TO FILE A REQUEST FOR PAYMENT BY THE ADMINISTRATIVE CLAIM BAR DATE

Any holder of an Administrative Claim who is required to, but does not, file and serve a Request for Payment of an Administrative Claim pursuant to the procedures specified herein on or prior to the Administrative Claim Bar Date shall be barred from asserting such Administrative Claim against the Debtors, the Plan Trusts, or their assets or properties, and such Administrative Claims shall be deemed discharged as of the Effective Date.

A holder of a possible claim against the Debtors should consult an attorney regarding any matters not covered in this notice, such as whether the holder should file a Request for Payment. Neither the attorneys for the Plan Proponents, the Liquidating Trust, nor the Debtors' Court-appointed noticing and claims agent, Kurtzman Carson Consultants LLC, are authorized to provide you with any legal advice.

RESERVATION OF RIGHTS

The Debtors and Liquidating Trust reserve the right to object to (i) any claim, whether filed or scheduled (e.g., as contingent, unliquidated or disputed), and (ii) any Administrative Claim on any ground, or to dispute, or to assert offsets against or defenses to, any claim, as to amount, liability, classification, or otherwise, and to subsequently designate any claim as disputed, contingent and/or unliquidated.

Chapter 11

Case No. 12-12020

**ORDER DENYING MOTION OF FRANCINE SILVER
FOR PAYMENT OF CLAIM #61**

Pending before the Court is the *Pro Se Motion by Francine Silver for Payment of Claim #61* (ECF Doc. # 6639 and ECF Doc. # 6690) (the “Motion”). Through the Motion, Francine Silver (“Silver”) seeks immediate payment of her unsecured claim no. 61 (the “Claim”). For the reasons provided below, the Motion is **DENIED**.

On May 14, 2012 (the “Petition Date”), each of the Debtors filed a voluntary petition in this Court for relief under chapter 11 of the Bankruptcy Code. On August 29, 2012, the Court entered an order (the “Bar Date Order,” ECF Doc. # 1309) establishing November 9, 2012 at 5:00 p.m. (Prevailing Eastern Time) as the deadline for filing proofs of claim by virtually all creditors against the Debtors (the “General Bar Date”), and prescribing the form and manner for filing proofs of claim. On November 7, 2012, the Court entered an Order extending the General Bar Date to November 16, 2012 at 5:00 p.m. (Prevailing Eastern Time). (ECF Doc. # 2093.)

Silver timely filed a \$3 million proof of claim listing Residential Capital, LLC, as the Debtor, citing “Mortgage litigation, fraud, [and] unjust enrichment” as grounds for her claim. Through the *Order Granting Debtors’ Thirty-Eighth Omnibus Objection to Claims (Wrong Debtor Borrower Claims)*, this Court redesignated the Claim as one against GMAC Mortgage, LLC. (ECF Doc. # 5898.)

121202014032600000000005

On December 11, 2013, the Court entered an *Order Confirming Second Amended Joint Chapter 11 Plan Proposed by Residential Capital, LLC et al. and the Official Committee of Unsecured Creditors* (the “Confirmation Order”) approving the terms of the Chapter 11 plan, as amended (the “Plan”), in these chapter 11 proceedings. (ECF Doc. # 6065.) The Plan became effective on December 17, 2013 (the “Effective Date”). (ECF Doc. # 6137.) The Plan provides that the ResCap Borrower Claims Trust and Liquidating Trust have 270 days after the Effective Date to object to proofs of claim.¹ Because the 270th day after December 17, 2013 is Saturday, September 13, 2014, the applicable deadline to object to proofs of claim is Monday, September 15, 2014 (“Claims Objection Deadline”). Silver filed the instant motion on March 7, 2014.

Although the Debtors did not object to Silver’s claim before the Court issued the Confirmation Order, the objection deadline has not passed. Therefore, the Borrower Claims Trust, the Debtors’ successor-in-interest established “for the benefit of Allowed Borrower Claims,” may still object to her claim. (Plan at 12.) Though Silver contends otherwise, her claim has not been deemed allowed. Pursuant to Bankruptcy Code section 502, “[a] claim or interest . . . is deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502. Indeed, the Motion quotes directly from the Plan which provides, in relevant part, that an “allowed claim” is a claim against any Debtor “evidenced by a valid Proof of Claim . . . and as to which the Debtors or other parties-in-interest have not filed an objection to the allowance thereof by the Claims Objection Deadline” (*See* Plan at 2; Motion at 5.)

Silver is only entitled to receive payment on her Claim in the event that her Claim is allowed, and a distribution is made to other creditors. *See* FED. R. BANKR. P. 3021 (“[A]fter a

¹ The Motion alludes to both the Liquidating Trust and the Borrower Claims Trust. Silver holds a Borrower Claim, and as such, any disbursement for her Claim would come from the Borrower Claims Trust. (*See* Plan at 12 (defining “Borrower Claims” as claims “arising from or relating to any alleged act or omission or any other basis of liability of any Debtor (or any predecessor) in connection with the origination, sale, and/or servicing of a mortgage loan . . . by any Debtor.”))

plan is confirmed, distribution shall be made to creditors whose claims have been allowed, to interest holders whose interests have not been disallowed, and to indenture trustees who have filed claims under Rule 3003(c)(5) that have been allowed.”). Because her Claim is still subject to objection and has not been deemed allowed, Silver is not presently entitled to any distribution.

Therefore, the Court **DENIES** the Motion.

Chapter 11

Case No. 12-12020

**ORDER DENYING FRANCINE SILVER'S MOTION TO RECONSIDER ORDER
DENYING MOTION FOR PAYMENT OF CLAIM NO. 61**

Pending before the Court is Francine Silver's *Motion to Reconsider the Order Denying the Pro Se Motion for Payment of Claim No. 61* (the "Motion for Reconsideration," ECF Doc. # 6774). Silver asks the Court to reconsider its *Order Denying Motion of Francine Silver for Payment of Claim # 61* (the "Order," ECF Doc. # 6706), which denied the *Pro Se Motion By Francine Silver For Payment of Claim # 61* (the "Motion for Payment," ECF Doc. # 6639). For the following reasons, the Motion for Reconsideration is **DENIED**.

The Court denied the Motion for Payment on March 26, 2014. Silver filed the Motion for Reconsideration on April 9, 2014. Silver seeks reconsideration of the Order, relying primarily on arguments made in the Motion for Payment and already rejected by the Court in the Order. Arguments previously made and rejected are not proper subjects for a motion for reconsideration.

Rule 9023 of the Federal Rules of Bankruptcy Procedure incorporates Rule 59 of the Federal Rules of Civil Procedure, which governs motions for amendment of a judgment. Under Rule 9023, "reconsideration is proper 'to correct a clear error of law or prevent manifest injustice.'" *Munafo v. Metro. Transp. Auth.*, 381 F.3d 99, 105 (2d Cir. 2004) (internal citations omitted). "Generally, motions for reconsideration are not granted unless the moving party can point to controlling decisions or data that the court overlooked—matters, in other words, that

121202014042400000000001

might reasonably be expected to alter the conclusion reached by the court.” *Key Mech. Inc. v. BDC 56 LLC (In re BDC 56 LLC)*, 330 F.3d 111, 123 (2d Cir. 2003) (internal quotation marks and citation omitted). A motion for reconsideration may not be used “to enable a party to complete presenting his case after the court has ruled against him.” *Frietsch v. Refco, Inc.*, 56 F.3d 825, 828 (7th Cir. 1995). Under Rule 9023, “[a] court may reconsider an earlier decision when a party can point to ‘an intervening change of controlling law, the availability of new evidence, or the need to correct a clear error or prevent manifest injustice.’” *In re Miller*, No. 07-13481, 2008 Bankr. LEXIS 3631, at *3 (Bankr. S.D.N.Y. Feb. 28, 2008) (citing *Marrero Pichardo v. Ashcroft*, 374 F.3d 46, 55 (2d Cir. 2004)).

Additionally, Rule 9024 incorporates Rule 60 of the Federal Rules of Civil Procedure, which establishes the grounds on which a court may grant relief from a final order. Rule 9024 provides that relief may be granted for a clerical mistake or for “mistake, inadvertence, surprise, excusable neglect,” newly-discovered evidence, fraud, misrepresentation, misconduct, where the order is void or has been satisfied, released, or discharged or “is no longer equitable, or for any other reason that justifies relief” from the order. FED. R. CIV. P. 60(a), (b). A motion for reconsideration “is generally not favored and is properly granted only upon a showing of exceptional circumstances.” *Marrero Pichardo*, 374 F.3d at 55 (citation omitted). “A motion for reconsideration should be granted *only* when the [moving party] identifies ‘an intervening change of controlling law, the availability of new evidence, or the need to correct a clear error or prevent manifest injustice.’” *Kolel Beth Yechiel Mechil of Tartikov, Inc. v. YLL Irrevocable Trust*, 729 F.3d 99, 104 (2d Cir. 2013) (quoting *Virgin Atl. Airways, Ltd. v. Nat’l Mediation Bd.*, 956 F.2d 1245, 1255 (2d Cir. 1992)) (emphasis added).

Even considering that Silver is *pro se* and that the Motion for Reconsideration is therefore held “to less stringent standards than formal pleadings drafted by lawyers,” *Haines v. Kerner*, 404 U.S. 519, 520(1972), the Motion for Reconsideration fails to identify adequate grounds for relief. Silver has not cited any intervening change of controlling law, and she does not rely on newly available evidence. To prevail, Silver must demonstrate the need to correct a clear error or prevent manifest injustice. *See YLL Irrevocable Trust*, 729 F.3d at 104 (quotations omitted). She fails to do so.

Silver argues—yet again—that the Debtors can no longer object to her claim (Claim No. 61), and thus, her claim should be allowed. (Motion for Reconsideration at 2–3). She contends that since the Debtors had not objected to her claim as of the Effective Date¹ of the Plan, the claim is “deemed allowed” and “can no longer be objected to.” (*Id.* at 2.) But, as previously explained in the Order, the objection deadline has not yet passed. (Order at 2.) The Plan does not require the Debtors to object to all claims *before* the Effective Date; to the contrary, the Plan explicitly contemplates that claims objections may occur *after* the Effective Date. The appropriate deadline for an objection to Silver’s claim is Monday, September 15, 2014, unless that deadline is extended by further order of the Court.

Silver is only entitled to receive payment on her claim in the event that the claim is allowed, and even then, only as part of a *pro rata* distribution to similarly situated creditors. *See* FED. R. BANKR. P. 3021 (“[A]fter a plan is confirmed, distribution shall be made to creditors whose claims have been allowed, to interest holders whose interests have not been disallowed, and to indenture trustees who have filed claims under Rule 3003(c)(5) that have been allowed.”). Because her claim is still subject to objection, Silver is not presently entitled to any distribution.

¹ December 17, 2013. (*See* ECF Doc. # 6137.)

The remaining arguments raised by Silver in the Motion for Reconsideration are completely without merit and require no discussion.

Because Silver has not satisfied the standards for reconsideration, her The Motion for Reconsideration is **DENIED**.

STATEMENT REGARDING MERITS OF APPEAL AND ISSUES RAISED BY
FRANCINE SILVER.

The Appeal has merit for numerous reasons:

The Honorable Judge Martin Glenn's impartiality is questionable. The Honorable Judge James Peck was a colleague of Judge Glenn and actively worked on and helped mediate the very settlement plan the terms of which are now in dispute. Judge Peck retired from the bench and joined the law firm of Debtors Counsel in the very same week my motion was filed. The rules listed on NYCOURTS.gov state "*Most important of all, judges are impartial decision-makers in the pursuit of justice. We have what is known as an adversarial system of justice - legal cases are contests between opposing sides, which ensures that evidence and legal arguments will be fully and forcefully presented. The judge, however, remains above the fray, providing an independent and impartial assessment of the facts and how the law applies to those facts.*"

"Impartiality" denotes absence of bias or prejudice in favor of, or against, particular parties or classes of parties, as well as maintaining an open mind in considering issues that may come before the judge. (B) A judge shall not allow family, social, political or other relationships to influence the judge's judicial conduct or judgment.

(7) A judge shall dispose of all judicial matters promptly, efficiently and fairly.

(E) Disqualification. (1) A judge shall disqualify himself or herself in a proceeding in which the judge's impartiality might reasonably be questioned, including but not limited to instances where: (a) (i) the judge has a personal bias or prejudice concerning a party or (ii) the judge has personal knowledge of disputed evidentiary facts concerning the proceeding; (b) the judge knows that (i) the judge served as a lawyer in the matter in controversy, or (ii) a lawyer with whom the judge previously practiced law served during such association as a lawyer concerning the matter, or (iii) the judge has been a material witness concerning it,"

At issue is whether the Judge should have disqualified himself and seeing as he decided to continue presiding, whether he was impartial.

Being that the Debtor's counsel refer to themselves as a leading global law firm and have an army of extremely highly qualified lawyers at their disposal, it is difficult or impossible to explain why they would not respond to my motion unless they conceded the merit of my arguments or else for some reason felt it unnecessary to respond. The Judge's actions do not appear to be impartial when instead of disqualifying himself due to his relationship with Judge Peck, he continues to preside and even asserts an argument on Debtor's behalf while ignoring most of my arguments and then rules in favor of the Debtors despite their failure to even respond. For these reasons alone the Judge's impartiality may be reasonably questioned and my appeal should be granted.

The Judge also failed to address my argument regarding promissory estoppel and my reliance on having the claim paid as called for in the plan and as I was led to believe it would be. I have already been a fraud victim for many years and continue to suffer physically, emotionally and financially while Debtor's ignore the law and terms of the settlement agreement. My argument for promissory estoppel is an issue.

The Judge ignores the definition of what an allowed claim is and when it should be paid. The plan states *"Allowed" means, with respect to a Claim against any Debtor, except as otherwise provided herein, (a) a Claim that is (i) listed in the Schedules as of the Effective Date as neither disputed, contingent nor unliquidated, and for which no Proof of Claim has been timely filed, or (ii) evidenced by a valid Proof of Claim or request for payment of Administrative Claim, as applicable, Filed by the applicable Bar Date, and as to which the Debtors or other parties-in-interest have not Filed an objection to the allowance thereof by the Claims Objection Deadline, or (b) a Claim that is Allowed under the Plan or any stipulation or settlement approved by, or Final Order of, the Bankruptcy Court; provided, however, that any Claims allowed solely for the purpose of voting to accept or reject the Plan pursuant to an order of the Bankruptcy Court will not be considered "Allowed Claims" under the Plan, provided further, however, any Claims expunged or disallowed under the Plan or otherwise shall not be Allowed Claims. If a Claim is Allowed only in part references to Allowed Claims include and are limited to the Allowed portion of such Claim. Notwithstanding anything to the contrary herein, no Claim that is disallowed in accordance with Bankruptcy Rule 3003 or section 502(d) of the Bankruptcy Code is*

Allowed and each such Claim shall be expunged without further action by the Debtors and without further notice to any party or action, approval, or order of the Bankruptcy Court.

In reference to the above, section (b). My claim was not solely for the purpose of voting nor was it expunged or disallowed for any reason including under Bankruptcy Rule 3003 or section 502(d) of the bankruptcy code. Therefore my claim clearly meets the requirements under section (b) of a claim that is "allowed". Moreover, the claim has also never been contested in any way and contains very well documented evidence in support. Also, under 11 U.S.C. § 502(a) ("*A claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest ... objects.*") There were no objections by the effective date. There is no supporting language for further approval or review by the Court or Trustee in order for the claim to be considered allowed. To the contrary the plan states in ARTICLE VIII. PROCEDURES FOR RESOLVING DISPUTED CLAIMS. 2. Allowance of Claims "*On or after the Effective Date, the Liquidating Trust shall have and shall retain any and all rights and defenses that the Debtors had with respect to any Claim, except with respect to any Claim (i) deemed Allowed as of the Effective Date or (ii) waived, relinquished, exculpated, released, compromised, settled, or Allowed in the Plan or in a Final Order. Except as otherwise provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date, including the Confirmation Order, no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed (a) under the Plan or the Bankruptcy Code or (b) by Final Order of the Bankruptcy Court, including the Confirmation Order.*

ARTICLE VIII governs in the event of a dispute and states, “The provisions of this Article VIII shall govern the resolution of Disputed Claims to the extent not otherwise provided for in this Plan or in any other trust agreement.”

The plan also states *“(a) As soon as practicable following the Effective Date, the Borrower Claims Trust shall make a Borrower Claims Payment to each holder of a Borrower Claim that is Allowed as of the Effective Date.” (b) Each holder of a Borrower Claim that was not Allowed as of the Effective Date and that is subsequently Allowed, in whole or in part, shall receive from the Disputed Claims Reserve a Borrower Claims Payment in respect of such Claim following the date such Claim becomes Allowed. Such Borrower Claims Payments shall be made at such time and from time to time as determined by the Trust Committee, provided that a Borrower Claims Payment shall be made no later than ninety (90) days following date on which the respective Borrower Claim becomes Allowed.”*

The definition and interpretation of an “allowed” claim is an issue because the Judge seeks to assign my claim to a new status not addressed in the plan of “Not allowed but not Disputed”.

The time frame for payment of allowed claims is an issue because as mentioned above the plan calls for payment on the effective date or as soon as practicable thereafter but the Judge argues on behalf of Debtors that even allowed claims are subject to a 270 day

objection deadline. This assertion contradicts Article VIII – 2 of the plan which prevents allowed claims from being objected to after the December 17th, 2013 confirmation date.

Article VIII is therefore an issue.

The Judge ignores the fact that Debtors purportedly transferred my Deed of Trust to US Bank on March 25, 2013 for valuable consideration and that this transfer was apparently not reported to or approved by the Bankruptcy Court and is apparently an example of on going fraud and continued fabrication of documents. This is also an issue.

My Appeal has merit due to the above mentioned reasons and my damages are on going while Debtors refuse to settle the claim as agreed.

Sincerely,

Francine Silver
